12TH ANNUAL DAY (2022 - 23)

ANNUAL DAY REPORT

“Education is a companion which cannot be destroyed or taken away by anybody or anything. It is the chief defense of a Nation. It is the only means of National Progress and we can change a generation through education.”

Brief Introduction of our Founder Chairman:

Our **Founder Chairman, Mr. Leo Muthu** has proved and lived by this quote. He was an industrialist, a philanthropist who was committed to the cause of improving the lives of people in poverty and donated lands and buildings to the Government of Tamil Nadu, social organizations, orphan homes, Lions and Rotary Clubs. He donated many acres of land in Thiruthuraipoondi, his birthplace, in support of the state government’s scheme for opening an engineering college and high school in every district of the state.

He has hugely contributed to the development of modern education to all the layers of the society. He found educational trusts to serve for the cause of quality secondary grade and higher education to the learner community. The group of colleges under the trusts offers education across technical, management studies, research, shipping science and alternative medicine streams. More than 25,000 students are benefited and gifted with education each year through the group’s schools and colleges.

“Focus on quality education for all and strive hard to achieve our motto.”

Our young, dynamic and multifaceted Chairman and CEO **Dr. Sai Prakash Leo Muthu** is the best example of the above-mentioned quote. He has proved it yet again. He has been conferred an Honorary Doctorate degree from **World Peace Institute of United Nations** for his service in the field of Education and his contributions to the United Nations Sustainable Development Goals.

“School is a path not a point.”

“Children must be taught how to think, not what to think.”
