

SAIRAM VIDYALAYA SENIOR SECONDARY SCHOOL
MADIPAKKAM, CHENNAI - 91

ANNUAL REPORT - 2023 TO 2024

Welcome Speech by Principal:

Happy Afternoon to one and all gathered here.

With immense pleasure on behalf of our school, I welcome our esteemed chief guest Mr.KPY Kuraishi Vijay TV “Kalakka Povadhu Yaaru” and “Cook with Comali Fame, our most respectful CEO Dr.SaiPrakash LeoMuthu and other dignitaries. I extend the welcome to our dear parents, we do cherish your partnership and collaboration in all endeavours. We treasure your love and concern towards our institution which is our second home. Last but not the least, I extend my warm welcome to my dear students who is going to showcase their talents and steal our heart today. Welcome everyone!

“Education is the key that unlocks the golden door to everyone’s successful life. It is the most powerful weapon to change the world.”

Our Founder Chairman, MJF. Ln. Leo Muthu has proved and lived by this quote. He was a philanthropist who was committed to the cause of improving the lives of people in poverty and donated lands and buildings to the Government of TamilNadu, Social organizations, orphan homes, Lions ad Rotary Clubs. He donated many acres of land in Thiruthuraipoondi, his birthplace, in support of the state government’s scheme for opening Government Engineering college and Government high school in every district of the state.

~~He has hugely contributed to the development of modern education to all the layers~~
of the society. He found educational trusts to serve for the cause of quality secondary grade and higher education to the learner community. The group of colleges under the trusts offers the best education across technical, management studies, research, shipping science and alternative medicine streams. More than 25,000 students have successfully completed their education each and every year through the Sairam group of schools and colleges.

Our School :

“Education purpose is to replace an empty mind with an open one.”

Keeping the above quote in mind, Sairam Vidyalaya started in 2800 Sq.ft. area and 144 students in the year 2010. Our “Sairam Vidyalaya Sr. Sec. Now we are happy to share with you that our school campus boasts a vast area of 60,000 square feet with a build-up area of 42,145 square feet with 1500 students. This expansive space includes a spacious playground that caters to a wide range of sports activities, including archery, softball,

throw ball and more. To further enhance the sporting experience, we have recently acquired 8 additional grounds of land dedicated to our school play ground.

Ensuring the safety and security of our students is of paramount importance to us, to this end, we have installed a comprehensive surveillance system comprising 160 cameras, covering all classrooms and the entire school campus.

Incorporating technology into education is another area where we excel. We are proud to have 50 smart classrooms with high speed internet which enhancing the teaching and learning experience for both students and teachers alike. These smart boards facilitate interactive and engaging lessons, making education more dynamic.

~~To support various academic pursuits, we have 100 well-spacious air-conditioned classrooms, a spacious student-friendly library housing nearly 10,000 books encompassing fiction, novels and reference materials for all subjects.~~

Additionally, we have dedicated laboratories for physics, chemistry, biology, robotics and mathematics, providing hands-on learning experiences that foster curiosity and innovation.

The health and wellbeing of our students are also of utmost importance. We provide clean and safe drinking water through our own RO Plant, ensuring that our students have access to high quality water throughout the day. Moreover, to address any power supply issues, we have a continuous electricity supply system, including a genset 250 KV and an individual transformer RMG with a capacity of 500KVA.

In our School, we are dedicated by providing our children with nurturing and enriching educational environment that supports their holistic development. We take pride in our state of the art facilities, and we are committed to maintaining high standards of education and safety.

We are an ISO certified institution from 2015 and affiliated by CBSE.

Vision:

“Academic Excellence through competencies”.

We nurture the inherent potential and talent of each child and create lifelong learners, who will be the leaders of tomorrow. Our aspiration is to create global citizens who are innovative and have a strong sense of values.

Mission:

In Sairam Vidyalaya, the First & Foremost aim is to give personalized and individualized attention to all the students. We offer an ambience where holistic development of a child is Blossomed. We train the students to develop thinking skills inculcate values, foster cultural learning, enhance, self-awareness and explore innate potential.

Facilities:

- ☞ Air Conditioned Smart Board Technology is utilized to aid and support teaching and to enhance learning.
- ☞ Ro plants have been installed in the campus in order to facilitate drinking water facility for the students and staff.

☞ We have CCTV cameras in different places for safety security purpose

☞ Adequate fire safety measures have been fitted in the school premises

☞ Well maintained Clean and hygienic toilets separately for Boys & Girls from PKG classes

☞ Admission:

- * Online Transparent Admissions
- * Admissions in increase mode year by year
- * Vijayadasami admissions for Kindergarten every year

☞ Academic achievements and improvements:

“Teachers can open the door, but you must enter in yourself”

Our Sairam teachers have opened the door for our students, and our students have entered in. Here's the proof for the same.

Achievers of Grade X to XII

GRADE	NO OF STUDENTS	NAME OF THE STUDENT	RANK	MARKS	PERCENTAGE	OVERALL	NO. OF	LEAST MARK
						RESULT	CENTUMS	
X	93	ABHAY RAMASAMY	I	495/500	99%	100%	MATHS - 6 SST - 2	273
		SURYAA R	II	492/500	98%			
		SANJEEV PRASAD R	III	484/500	97%			
XII	51	SAI HARINNI B	I	476/500	BUSINESS STUDIES	100%	-	293
		KIRTHANA B	II	474/500	BIOLOGY			
		MADHUMITHA N	III	466/500	BUSINESS STUDIES			

* Centum scores Maths and Social science:

1. Abhay Ramasamy

2. Sanjeev Prasad R

** Centum scores in Maths:*

1. Sharvesh S

2. Suryaa R

3. Sanjeev Prasad R

4. Siddarth Arumugam

5. Sham Goutham M

👉 Extra Activities:

** 7 Habits and SDG:*

“Genius Is One Percent Inspiration And Ninety Nine Percent Perspiration.”

In order to make our Sairam students genius in all aspects we, not only focuses on the Academics but also focuses on various co-curricular activities such as 7 habits and SDG implementation. The 7 habits are key to success for the people in all walks of life. In order to bring Leadership Qualities among students each student is given responsibility such as class monitors, subject monitors, line monitors, spoken English monitors etc. and emotional bank accounts are created to encourage mental stability and appropriate counselling is given by school counsellor to students, parents as well

~~as teachers. Regular activities are conducted to enhance the same. The seven habits~~

are incorporated with the curriculum books from Grade UKG to IX.

In each subject minimum one of the 7 habits is incorporated and students are able to correlate the chapter.

Special workshop on 7 habits was conducted to our parents by Dr.Kannan Gireesh on 7th April 2023. Separate file was given to each and every student from UKG to Std IX in order to maintain the Student mission, Class mission and activities based on the 7 Habits direct lessons.

To inculcate the basic of 7 habits and nurture the younger ones from the age group of 4, our school has given a very good platform by inculcating 7 habits into the curriculum.

*** Sustainable Development Goals (SDG):**

The main aim of Sustainable Development Goals (SDGs) is **TO TRANSFORM OUR WORLD**. We at Sairam Vidyalaya call to action to end poverty and inequality, protect the planet, and ensure that all people enjoy health, justice and prosperity through the 17 goals.

- * In order to develop the needs of the present without compromising the ability of future generations to meet their own needs, we involve our students into various activities.
- * We have included SDG into our curriculum from Grade I.
- * Sustainability classes and events have been conducted frequently in the way of joy of learning.
- * Health Education programs were conducted to our students through our school counsellor and staff nurse.
- * Students have stopped tearing papers from their notebooks.

~~* Students started bringing various seeds for seed bank.~~

- * Students donated saplings to school and to the society on their birthdays.
- * Students started checking the Electricity bill of their home from the previous month to the current month to check the saving of energy.
- * Students are encouraged to distribute food packets to the down and outer, distribution of groceries to the destitute. (Goals 1& 2 - No Poverty & Zero Hunger).

Co-curricular activities (CCA):

- * Schools include Co-Curricular activities with academic curriculum so that students develop skills beyond knowledge of subjects. Co-Curricular activities also helps to improve teaching techniques at school.
- * Co-curricular activities plays an essential part of school life and helps in enhancing learning process of students at school.
- * Co-curricular activities are designed and balanced with academic curriculum so that every student gets to learn beyond their subjects.
- * Co-curricular activities are meant to bring social skills, emotional and intellectual skills, moral values, personality progress and character appeal in students.

Clubs:

Club Activities cater to each co-curricular area in a purposeful and structured manner to provide children with opportunities to channelize and build on their interest and creative competencies as well as to develop the right set of values and attributes.

- * English Club: To improve one's mastery over the language, play skits and dramas from famous literary works, and improve Grammar, releasing E-newsletter every month by the student's creative contribution and achievements.
- * Math Club: Develops mathematical skills and introduces to a creative way of cracking tricky mathematical problem. Motivate the students to solve math puzzles through math corner every week.
- * Science Club: Inculcates scientific approach and delivers opportunities to develop an interest in projects to train students in techniques of innovation and creativity.
- * Tamil Club Serves as a platform for the students for enriching their talents in the three components of the Tamil language "Iyal, Isai, and Nadagam, encourage our students to participate in various competitions in Tamil.
- * Hindi Club: The purpose of the Hindi-Club is to enhance the creativity of our students. The Club allows students to create their own speeches, plays, compose poetry and also write essays to express their thoughts and feelings. Students are trained to write Parichya, Madhyama in Dakshan Hindi Prachara Sabha.
- * Telugu Club: To increase the confidence of learners in their daily use of Telugu language. To enhance the communication skills of the students.

The main objective of the club is to make the students know the importance of our motherland, mother and mother tongue.

To enhance the students linguistic and writing skills.

Achievements:

Conducted one dance programme regarding Telugu language based on National leaders.

Coordinator: Ms.S.Radhika

~~Classes: Pre-primary and Primary~~

No. of students: 19

* Malayalam Club: To encourage and motivate students to display their different skills

in Malayalam.

Coordinator: Ms.S.Sindhu

Classes: I & II

No. of students: 15

Malayalam club is formed to promote better comprehension of Malayalam language and literature.

Achievements:

- All the students learnt to sing prayer song in Malayalam
- They learnt Malayalam alphabets and small words to read and write
- Students learnt to write their names in Malayalam
- Students performed traditional dances and spoke about Onam festival in Malayalam during Onam celebration in our school.

* Robotics:

Robotics for students is a compendium of different disciplines that provides children with knowledge related to Science, Technology, Engineering, and Mathematics. Transmitting this range of expertise to them in a transversal and fun way facilitates the development of logical thinking while stimulating their creativity and becoming familiar with the operation of programmable objects with which they are already in daily contact.

Trainer: Hebin Pandian

Coordinator: Ms.Ezhil Arasi

Classes: VI to IX

** Extracurricular activities and accomplishments:*

Extracurricular activities allows students to build leadership, self-confidence, and various social skills. It makes the student explore different areas and choose their favourite field of passion.

** Archery - It helps to build muscle endurance and flexibility, and develop hand-eye coordination and strength. Archery teaches discipline, respect and self control - something that carries over into pupils' attitude, work habits and other school activities*

Trainer - Mr.Seetharaman

Co-ordinator - Ms.B.Priya

Classes - III to IX

No. of students - 21

➤ Summer special camp was conducted from Grade II to IX on 18.04.2023 to 28.04.2023.

** Skating - Skating for students builds strength, balance, and coordination and also provides a great source of exercise and improving cardiovascular health.*

Skating can help improve a child's balance and coordination. Skating can also help build muscle strength and flexibility.

Trainer - Mr.V.Balaji and Ms. R.Janarthanan

Coordinator - Ms.A.Sundari Bai and Ms.P. Thilagavathi

Total no. of classes conducted - 25 classes

No. of students - 165

* ~~Yoga~~ = Yoga helps students to see the beauty and light within themselves, thereby boosting their self-confidence, allowing them to feel more comfortable with their bodies, and help them develop mental as well as physical wellbeing. A child who learns Yoga, mindfulness and relaxation will develop essential skills for a lifetime of health and wellness in mind, body and spirit.

Coordinator – Ms.K.Sharmila

Classes – III to XII

* Dance - "Dance can help restore joy and stability in troubled lives and ease the tensions in Schools that are disrupted by violence and bullying."

Dance education has important benefits for students' social relationships, particularly among genders and age groups. Dance is a mix of art and exercise which connects the mind and body, and makes one sharper and stronger.

* **Coordinator:** Ms. A.Suganya and N.G.Sowgandhika Janakam for Grade I & II

Ms. Banajani Mahapatra and Ms.Sophia for Grade III to V

No. of students – 104

* Art: Art club help the students in developing their creative skills. Main objective is to provide students who have an interest in art, an opportunity to explore art forms beyond what is offered in the curriculum. It also improves the imagination skills in entertainment.

Coordinator: Ms. G.Jalaja Devi for LKG and UKG

No. of students – 90

Foundation for All Competitive Exam (FACE):

Co-ordinator: Ms. Komagal

FACE [Foundation for All Competitive Exams] is a training course started in the year June 2022 in order to train students of SAIRAM VIDYALAYA, MADIPAKKAM. For the competitive exams at various levels. The training classes are conducted for the students of classes I to VIII and motivate the children to take part in the competitive exams like Olympiad exams organized by various educational companies.

The Olympiads are held on a national & international scale and promote competitions among students in related academic fields or grade levels. This enables students to compare their knowledge and awareness of a subject to that of their rivals while also fostering a competitive spirit.

The educational companies which has been tied up with SAIRAM VIDYALAYA, MADIPAKKAM to promote students for various levels are:

- Science Olympiad Foundation (SOF)

- Primary - Ms. JENIFER.R
- Middle - Ms. UMA SHANKARI .J / SHYAMALA.V

INTERSCHOOL LEVEL:

- HITESH G - 96/100
- PRANAVEEKA -88/100
- SAIPUNIT YG -84/100
- JANVEE G -96/100
- AKSHAY V -84/100
- PAVAN S - 92/100

REGIONAL\ STATE LEVEL :

1. HITESH G - 100/100
- 2 JANVEE - 96/100
3. AKSHAY - 92/100
4. SAI PUNIT YG - 81/100
5. SRIJITH SHARMA R - 78/100

NATIONAL LEVEL

- 1.HITESH G - 97.5/100
2. JANVEE - 94.5/100
3. AKSHAY V - 96.5/100
4. SAI PUNIT Y G - 64.8/100

INTERNATIONAL LEVEL:

- 1.HITESH G - 99/100
2. JANVEE G - 97/100
3. PAVAN S - 89.75/100
4. TRILOCHAN V - 96/100
5. AKSHAY V - 88.5/100
6. SAI PUNIT Y G - 66.5/100

➤ *IIT, NEET and JEE coaching.*

Sairam Vidyalaya pioneer in imparting quality education is proud to announce that we provide an effective coaching for NEET & IIT JEE, which provides coaching similar to coaching centres with highly experienced faculties.

The salient features of our faculties are that they teach the concepts in depth to lay strong foundation, followed by effective coaching to prepare the students to take up the examination.

👉 *School Band:*

~~* Our band members enjoy and wear their band uniform with pride and joy! The band is led by the band master holding a large baton. It leads the march past during Annual Sports and performs at other important functions of the school.~~

Taking part in marching band, concert band, jazz band, small ensembles, and solo experiences are excellent opportunities that provides students with the life enriching experience of making music.

Furthermore, through the band program, students will gain a sense of belonging, teamwork, time management, dedication, self-discipline, leadership, cooperation, and responsibility.

Band helps students learn:

- Respect for authority as opposed to fear of domination.
- An understanding of quality as well as the rewards of quantity.
- A working wisdom as well as a solid transcript of achievement.
- Behaviour based on ethics as well as the importance of obeying the rules.
- An ongoing development of inner peace as well as a workable plan for personal security.

* **NCC:**

We inaugurated the National Cadet Corps (NCC) at SAIRAM VIDYALAYA, MADIPAKKAM with 25 enthusiastic cadets, currently 47 on board! The inaugural ceremony took place in our school campus on 11th October 2022. We honoured to have esteemed guests, Mr. R C BARTHWAL S M -officer commanding, Chief Innovation Officer (CIO) and Mr.C. Mayilvahanan-the Senior Principal of the school, Mr. A.Anandharaj - Caretaker, graced the occasion.

The following Camps were attended so far by the Cadets.

S.No	Events	Dates	Attended	Reviews
------	--------	-------	----------	---------

1	UNITY RUN	31.10.2022	14 CADETS	Unity Run encourages the cadets to teamwork and collaboration
2	PUNEET SAGAR ABHIYAN	25.11.2022	14 CADETS	The motto of the campaign is to increase awareness about the importance of keeping sea free from plastic waste

** Celebrations and Events:*

** Christmas:* Christmas was celebrated on 23rd December 2022 at our school premises in a grand manner

** Science Exhibition:*

5th Science Exhibition was held on 4th February 2023. Our school premises in a grand manner

Theme: Robotics, App Development. Mathematics Modelling, Sustainable Future Development, Sustainable Agricultural Practices

Students exhibited their talents by explaining their projects to the audience.

Many nearby Schools were invited. They came with the students from Grade VI to XII and appreciated the effort made by our Sairam young scientists.

** Graduation Day:*

We celebrated Graduation Day on 24th February 2023 to applaud the young enthusiastic learners of class UKG for their commendable performance in the session 2022-23. The occasion was graced by Dr.J.Kavya MBBS., MS.,

The ceremony was also attended by the parents of the students of class UKG. The graceful dancers of kindergarten gave a mesmerising performance and everyone were left spellbound.

** Colour Day:*

Colours' Day Celebrations build the cognitive skills of pre-primary kids. The pre-primary days of children are the phase when their cognitive and motor skills take shape. Developmental and interactive abilities of the children also get noticed during this age.

Students of pre-primary are dressed up on a specific day with colour dress along with any vegetable, fruit, object or toy. Students are asked to speak few sentences about the same which improves their level of confidence and also they can overcome the stage fear.

* Environmental/Greenery Day:

- World Environment Day is the largest global platform for environmental public outreach and is celebrated every year in the world
- It is one of the 17 Goals through which we save our environment

* International Day of Yoga:

International Yoga Day was celebrated by the students and teachers at our school with great enthusiasm. Students of grade I and X demonstrated various yoga asanas. Warm up exercises were taken and all the students performed sitting and standing asana, importance of these were explained simultaneously.

The day was concluded with the speech by our Senior Principal.

☞ Independence Day: Independence Day "Let us never forget the profound sacrifices that secured our freedom's triumph. May we forever hold this precious liberty close to our hearts." The most remarkable and the historic day for every Indian, the 77th Independence Day, was celebrated with great zeal and splendour at our School on 15th August, 2023.

* Krishna Jayanthi: To seek the blessings of Lord Krishna, Janmashtami is celebrated in our school premises with mirth and joy. Students were dressed up like Krishna and Radha from classes PKG to II.

Our school is decorated beautifully and the spirit of festivity is enhanced by depicting the life history of Lord Krishna. In regard to Krishna Jayanthi

~~celebration, various competitions are conducted with the parents. Prasadam was distributed to the students.~~

- * **Onam:** Onam, the harvest festival of Kerala, was celebrated at school on Monday 28th August 2023 by the staff and students of Pre-primary. Children brightened the campus with their colourful ethnic wear in the traditional attire of Kerala. Pookalam was made by Teachers of Pre Primary in the face of Kathakali.

Cultural program was given by students of KG to Grade II.

- ☞ **Teachers Day:** Teachers' Day is a moment that highlights the firm dedication, selflessness and hard work of teachers. They work tirelessly to create a nurturing environment for the student teachers and grow.

- * **Bag Free Day:**

"A child leaving bag due to No Bags Day"

"The timetable will remain the same, while the day's activities will be without the use of textbooks."

"On Saturday, children will not be bringing their bags. Teachers will be holding quiz, debate and painting competitions for children. The children would be made to read books in the library or do projects in the laboratory. "We will leave it to teachers to have activities that help build creativity and understanding of the subject related to 7 habits and SDG.

- ☞ **Annual Sports Day:** We celebrated our 13th Annual Sports Day on 26th August 2023. Students are divided into four groups and nominated with BLUE, GREEN, YELLOW and RED colours. Students from Std VI to XII took part in various house matches and competitions in athletics and games to make their house team to win. Prizes were distributed on the same day for the winners with certificates and medals. Finally house winners are announced and the house flags were hoisted according to the winners.

Chief Guests.

Dr.K.Maran – Director – Sri Sairam Institute of Management Studies

- * Fourth place was secured by Blue house with the total points of -1332

* Implementations 2023-2024:

The following were implemented from the current Academic Year 2023-24

* Space explorers:

Space astronomy club is a co-scholastic programme of learning through steam based hands on experiences, experimentation, innovation, observation and analysis. Space astronomy club facilitates participants to develop their capabilities in steam & multiple intelligence to succeed in the new information based highly technological & competitive society.

Co-ordinators: Primary – Ms. Priyadharshini

Middle – Ms. K. Revathy

Classes: Grade III to VIII

No. of students: 56 members

Benefits:

- * Hands on activity based sessions encouraging experimental learning.
- * Every workshop is based on an independent theme having defined learning objectives.

~~* Participation in National and International Events, Competitions & Projects~~

organised by NASA ESA, ISRO etc.

- * 21st Century skill set (Critical Thinking, Creativity & Holistic Development).
- * Field Training and Observations.

* Road Safety Patrol (RSP): The road safety patrol is a service to mankind that ensures an accident-free life. The idea of school students helping the police to regulate traffic was introduced by the fact that it was not possible to depute a police officer for each and every school.

- In our school we have started RSP club with 20 RSP cadets from 3rd July 2023.
- An awareness program based on signals and traffic was conducted in the type of rally, all the 20 students participated.
- The RSP has a Commitment to the Society with the Motto

👉 School Innovation Council (SIC):

Ministry of Education's Innovation Cell (MIC) has launched the School Innovation Council (SIC) program for schools across the country. The Program aims at fostering the culture of Innovation, Ideation, Entrepreneurship, Creativity, and Design Thinking in Schools. SIC will promote out of box thinking in school education as envisioned in National Education Policy 2020

Our School has registered in the Council in order to bring the innovations of our younger generations.

The Program is designed in such a way that students learn to acquire both knowledge of design and practice of skills required to develop an attitude towards design. Students will learn the following modules in the process:

- * Empathize
- * Define
- * Ideate
- * Prototype
- * Test

* Educational Trip:

~~Educational Trip to Bangalore was organized on 27th July 2023 for all 02 students of Grade XII.~~

Students enthusiastically went to the tour and submitted a pre and post report about their visit.

- * Dual Period system was introduced to reduce the bag weight of the students.
- * Low achievers were conducted re-exam for their betterment of the students.
- * We have introduced skill based paper for Grade IX which is Artificial Intelligence, Yoga and Physical Training
- * Class Representative Parent Meeting(CRP) is organised between the parent, student and the teacher only. Students takes the initiative to answer the questions raised by the parents about their wards performance. This gives the confidence for the students to have the interaction with the people in the society.
- * Exam Time Table 2023-24 was framed by the students only.

Talent Utsav:

Sairam Vidyalaya Senior Secondary School Madipakkam organised Inter Play School Competition for the students of age group 2+ to 5 years on 11th August 2023.

- * The prize distribution for the above competition was given on 2nd September 2023 by our Chief Information Officer (CIO) Mr.Naresh Raj.
- * All the participants were awarded with certificate.
- * All participated schools were awarded with a momento.
- * First three winners of each event were awarded with a trophy and a certificate
- * Overall trophy was bagged by “Kiddies Choice Play School”, Keelkattalai with maximum points.

👉 Newsletter – A STEPPING STONE TOWARDS OUR GOAL

“A Journey of a Thousand Miles Begins With a Single Step”

This famous quote teaches us that even the longest and difficult ventures have a starting point that is considered as a small step. Here our school has created a big way for the students to place their traces of achievements. Yes, we are very much pleased to share with you that our school has introduced “NEWSLETTER” in this academic year. Students who are all the future aspirants will have a small beginning in this new venture.

Newsletter is a record of anecdotes and achievements by our school students. Newsletter is a monthly edition. We have released the first newsletter of our school covering all the achievements of students for the months of June and July. Our school has created a great way for students to demonstrate their mind-blowing skills inside and outside the school. Newsletter is an edutainment process that entertains the students which is brought out their education and knowledge. It has been started as stepping stone by our school, and it is going turn as a milestone in student's life.

Health and wellness:

School Health refers to a state of complete physical, mental, social and spiritual wellbeing and not merely absence of disease or infirmity among pupils, teachers & other school personal.

* Aim:

The ultimate aim of school health services is to promote, protect and maintain health of school students and reduce morbidity and mortality in them.

* Awareness programmes Conducted at our school:

Dengue fever, Typhoid fever, Malaria, Malnutrition, Balanced diet, Food Hygiene

Prevention of Diarrhea, Air Pollution, First Aid, Conjunctivitis and Tuberculosis

* Home Visit:

We have visited 2 houses where our students has fallen sick. Our visit has given moral support and confidence to the student as well as the family members.

The following activities were carried over during this academic year:

➤ ~~Deworming Tablets issued to the students of Classes PKG to XII. Instructions given to parents and class teachers about the usage of the medicine and its benefits.~~

* School Counsellor:

Our School counselor Ms. Revathy Narayanaswamy who is a well experienced person in the field of identifying the psychological issues among students and adults helps us by guiding our students in the following areas:

- * Academic Guidance
- * Career and Vocational Guidance
- * Issues with Peers
- * Psychosocial Problems
- * Working with Parents
- * Working with Teachers

Student centered programs conducted in School campus:

- * Individual counselling offered to students which helped to identify their problems and personal issues. Few of them were suggested to seek Psychiatric help.
- * Life skill classes were conducted for students of class III to V
- * Group discussion was conducted for VII to IX on "VALUES" like Punctuality, Discipline, Honesty, Responsibility, Gratitude, Hard work.
- * AWARENESS Program on Alcohol and Drug Abuse was conducted.

Teachers Training Program:

In order to get best out various training programs are conducted for our teachers:

- * **CBSE Training:** As per the CBSE Norms Teachers are undergoing 50 hours training per year in order to develop their skills.
- * **Capacity Professional Development:** Capacity Professional Development Program was conducted from 29th May 2023 to 31st May 2023
- On 29th May 2023 Dr.R.SrinivasaRaghavan – Principal Bala Vidya Mandir School, Adyar on the topic "I am the One"

- ~~On 30th May 2023 by Mr.P.G.Subramanian – Principal Bhavans VidyaSagar, Kilpauk and Secretary CSSC on the topic “Classroom Management”~~
- On 31st May 2023 by Dr.V.C.Govindarajan – Principal Vidya Sagar Global School, Chengalpattu and city coordinator CBSE Chennai on the topic “Happy Teaching”
- * **Other Training Programs:** Apart from these our teachers have undergone training by attending various workshop from outside sources.
- * **Intensive in - house Teacher Training** is conducted every Fourth Saturday of each month.
- * **Subject-Wise Teacher Training** is conducted for the teachers weekly once.
- * Training program for foundational wing teachers by Mr.Murugesan (connoisseur) to incorporate and improvise cursive alphabets and handwriting
- * Apart from this, teachers have undergone training about Happy Schooling, Anger Free Schooling, Action Research, Competency Based Education and others
- * Hindi teachers have undergone training organized by Madhuban PVT Ltd.

* Parent Teachers Meeting:

Parent-Teacher Meetings (PTM) are a routine part of the school's yearly calendar and play a huge role in shaping a child's educational journey and future academic success. Parents know their children's habits, difficulties and skills like no other.

For the academic year 2023-24 two PTM's are conducted so far.

* Vision for the upcoming year or years:

Our school will develop critical thinkers who model an inclusive spirit and graduate prepared for success in a profession or higher education

* Goals for academic excellence and growth:

- * To improve students' academic performance
- * To instill students with intrinsic motivation to learn

- ~~* To assist the school, i.e., administrators, teachers, students and support staff, to reach their academic and behavioral benchmarks and goals~~
- * To instill Positive Action principles into students' cognitive, affective and behavioural learning domains
- * To contribute to the teaching and achieving of core performance standards and outcomes - To improve students' behavior
- * To develop students' character

- * To develop well-rounded students: including physically, intellectually, socially and emotionally
- * To develop thinking skills, and the use of the six units as a framework for thinking
- * To promote good mental health in students

THANK YOU
