

SAIRAM VIDYALAYA SENIOR SECONDARY SCHOOL MADIPAKKAM, CHENNAI - 91

14th ANNUAL REPORT - 2024 TO 2025

Welcome Speech by Principal:

Happy Afternoon to one and all gathered here.

With immense pleasure on behalf of our school, I welcome our esteemed chief guest **Kavignar Pa. VIJAY and Kpy BALA** our most respectful CEO Dr. Sai Prakash Leo Muthu, and other dignitaries. I extend the welcome to our dear parents, we do cherish your partnership and collaboration in all endeavors. We treasure your love and concern toward our institution, which is our second home. Last but not least, I extend my warm welcome to my dear students who are going to showcase their talents and steal our hearts today. Welcome everyone!

“Education is the key that unlocks the golden door to everyone’s successful life. It is the most powerful weapon to change the world.”

Our Founder Chairman, MJF. Ln. Leo Muthu has proved and lived by this quote. He was a philanthropist who was committed to the cause of improving the lives of people in poverty and donated lands and buildings to the Government of TamilNadu, Social organizations, orphan homes, Lions and Rotary Clubs. He donated many acres of land in Thiruthuraipoondi, his birthplace, in support of the state government’s scheme for opening Government Engineering college and Government high school in every district of the state.

He has hugely contributed to the development of modern education for all the layers of society. He found educational trusts to serve for the cause of quality secondary, and higher education in the learner community. The group of colleges under the trusts offers the best education across technical, management studies, research, shipping science, and alternative medicine streams. More than 25,000 students have successfully completed their education each and every year through the Sairam group of schools and colleges.

👉 Our School :

“Education purpose is to replace an empty mind with an open one.”

Keeping the above quote in mind, Sairam Vidyalaya started in a 2800 sq. ft. area with 144 students in the year 2010. Our “Sairam Vidyalaya Senior Secondary School, now we are happy to share with you that our school campus boasts a vast area of 60,000 square feet with a build-up area of 42,145 sq. ft. with 1500 students. This expansive space includes a spacious playground that caters to a wide range of sports activities, including archery, softball, throwball, and more. To further enhance the sporting experience, we have recently acquired 8 additional grounds of land dedicated to our school playground.

Ensuring the safety and security of our students is of paramount importance to us. To this end, we have installed a comprehensive surveillance system comprising 160 cameras, covering all classrooms and the entire school campus.

Incorporating technology into education is another area where we excel. We are proud to have 50 smart classrooms with high-speed internet, which enhances the teaching and learning experience for both students and teachers alike. These smart boards facilitate interactive and engaging lessons, making education more dynamic.

To support various academic pursuits, we have 100 well-spacious air-conditioned classrooms, and a spacious student friendly library housing nearly 10,000 books encompassing fiction, novels, and reference materials for all subjects.

Additionally, we have dedicated laboratories for physics, chemistry, biology, robotics, and mathematics, providing hands-on learning experiences that foster curiosity and innovation.

The health and wellbeing of our students are also of utmost importance. We provide clean and safe drinking water through our own **RO Plant**, ensuring that our students have access to high quality water throughout the day. Moreover, to address any power supply issues, we have a continuous electricity supply system, including a generator set to **250 KV and an individual transformer RMG with a capacity of 500 KVA**.

In our school, we are dedicated to providing our children with a nurturing and enriching educational environment that supports their holistic development. We take pride in our state of the art facilities, and we are committed to maintaining high standards of education and safety.

Every year around 3 crore is given as LMS Scholarship for best performing students.

We are an ISO certified Institution from 2015 and affiliated by CBSE.

👉 **Vision:**

“Academic Excellence through competencies”.

We nurture the inherent potential and talent of each child and create lifelong learners, who will be the leaders of tomorrow. Our aspiration is to create global citizens who are innovative and have a strong sense of values.

👉 **Mission:**

In Sairam Vidyalaya, the first and foremost aim is to give personalized and individualized attention to all the students. We offer an ambience where the holistic development of a child is blossoming. We train the students to develop thinking skills, inculcate values, foster cultural learning, enhance self-awareness, and explore innate potential.

👉 **Facilities:**

👉 Air-conditioned smart board technology is utilized to aid and support teaching, and to enhance learning.

✿ 7 Habits and SDG:

“Genius Is One Percent Inspiration And Ninety Nine Percent Perspiration.”

In order to make our Sairam students genius in all aspects, we, not only focus on the academics but also focuses on various co-curricular activities such as 7 habits and SDG implementation. The 7 habits are key to success for the people in all walks of life. In order to bring Leadership Qualities among students each student is given responsibility such as class monitors, subject monitors, line monitors, spoken English monitors etc. and emotional bank accounts are created to encourage mental stability and appropriate counselling is given by school counsellor to students, parents as well as teachers. Regular activities are conducted to enhance the same. The seven habits are incorporated with the curriculum books from Grade UKG to IX.

In each subject minimum one of the 7 habits is incorporated and students are able to correlate the chapter.

Special workshop on 7 habits was conducted to our teachers by **DR.KANNAN GIRISH** on **2nd and 3rd May 2024**. Separate file was given to each and every student from UKG to Grade IX in order to maintain the Student Mission, Class Mission and activities based on the 7 Habits direct lessons.

To inculcate the basic of 7 habits and nurture the younger ones from the age group of 4, our school has given a very good platform by inculcating 7 habits into the curriculum.
