PEOPLE + PROCESS + PURPOSE = SUCCESS

At Sairam, we realize that the higher education sector is under significant pressure to adapt to the changing needs of the future. Institutions need to become more operationally efficient and effective, improve student outcomes, increase access to higher education, recruit and retain top faculty and researchers, and more.

Effective transformation in these areas requires an organization-wide strategic approach that seeks to improve and enhance organizational models, operating processes, technology, leadership, and talent models. We have adopted a 3Ps model of aligning People, Process and Purpose with the vision of the organization.

MJF. LN. LEO MUTHU

FOUNDER CHAIRMAN - SAIRAM INSTITUTIONS

Our visionary **Chairman & CEO, Dr. Sai Prakash Leo Muthu**, has been invited to address the **UN General Assembly at the United Nations Headquarters** — a stage where global leaders unite to inspire change. This incredible milestone reflects Sairam's unwavering commitment to shaping leaders who create a difference beyond borders.

This remarkable recognition stands as a testament to the global impact, vision, and values that define us — The Sairam Way!

From Sairam to the UN – A Voice for Global Change!

Our Chairman & CEO, Dr. Sai Prakash Leo Muthu, proudly represented Sairam Institutions at the World Organization of the Scout Movement (WOSM) event in New York City – and had the incredible honor of delivering his voice at the United Nations Assembly.

His participation reflected our unwavering commitment to empowering youth, shaping the next generation of global leaders, and driving innovation for a sustainable future. This milestone marks not just recognition, but also our responsibility to nurture young minds to lead with courage and vision.

The event, powered by SAP and the World Scout Foundation, hosted thought-provoking sessions on “Learning to Earning – Equipping Youth for the Future of Work” and “Youth Leading Change – Co-creating Solutions in a Disrupted World”, featuring global leaders from Accenture, UNICEF, Deloitte, Schneider Electric, IE New York College, MISK Foundation, and more.

Speaking at the UN Assembly, Dr. Sai Prakash Leo Muthu emphasized the power of education, innovation, and collaboration in building a future where youth lead the way in solving global challenges.

This is a truly proud and historic milestone for Sairam Institutions, marking a significant step in our vision to elevate our education from the classroom to the global stage.

Dr. Sai Prakash LeoMuthu **Chairman & CEO**

Our vision is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. This visionary culture allows and emphasizes our wards not only to adopt the present day challenges but also to realize their individual responsibilities to the society and our nation at large.

Learning should be based on doing things and not merely knowing things. Until and unless learning solutions relate to real life and motivate the learner to acquire and apply the knowledge, the whole process will remain superficial. The medical institution worth its name, looks to optimize the welfare and well being of humankind. Our institution has set special objectives and planned activities for achieving excellence in all spheres of medical education.

The service of the institution in creating personally mature, professionally equipped and service- oriented graduation is really worth mentioning. We strongly believe in academic excellence and do not compromise on Teaching, Standard and Discipline. These three things are the springboards on which we operate.

People who feel good about themselves produce good results and people who produce good results feel good at themselves. We also believe in total learning and sharing. Have a visit to Sai Leo Nagar and feel good to get good education

Together We Can !!!

Sai Prakash LeoMuthu

Vision & Mission

VISION

"Academic Excellence through competencies".

We nurture the inherent potential and talent of each child and create lifelong learners, who will be the leaders of tomorrow. Our aspiration is to create global citizens who are innovative and have a strong sense of values

MISSION

In Sairam Vidyalaya, the First & Foremost aim is to give personalized and individualized attention to all the students. We offer an ambience where holistic development of a child is Blossomed. We train the students to develop thinking skills, inculcate values, foster cultural learning, enhance self-awareness and explore innate potential.

QUALITY POLICY

We, at Sairam Vidyalaya (CBSE) School, are Committed to build a better Nation through Quality Education, with Team Spirit. Our Students are enabled to Excel in all values of Life and become Good Citizens. We continually improve the System, Infrastructure and Services to Satisfy the Students, Parents and Society.

SENIOR PRINCIPAL'S DESK

Dear Students, Parents, and teachers,

It gives me immense pleasure to pen this message for our annual school magazine — a platform that beautifully captures the spirit, creativity, and achievements of our school community.

This year has been a period of transformation and renewed purpose. At our school Sairam Vidyalaya, we believe that education must advance to meet the needs of a rapidly changing world. While academic excellence remains at the heart of our mission, we are equally committed to nurturing well-rounded individuals who are emotionally resilient, socially responsible, and future-ready.

To this end, several new initiatives and upgrades have been set in motion:

Campus Modernization: *Our classrooms are equipped with the latest digital tools to make education more dynamic and student-centered.*

Beyond the Syllabus: *A wide range of life-skill workshops, career guidance programs, and leadership training modules are being introduced to help students discover their passions and prepare for real-world challenges.*

Creative and Performing Arts: *New avenues in art, music, drama, and literature are being encouraged because we believe every student deserves the space to express, explore, and evolve.*

Sports and Well-being: *From enhanced sports infrastructure to mindfulness programs, we are focused on the physical and emotional well-being of our learners.*

As we turn these pages filled with accomplishments, reflections, and youthful imagination, let us also look ahead with optimism. The foundation we build today shapes the leaders of tomorrow. Together — students, teachers, and parents — we are building not just a school, but a vibrant ecosystem for lifelong learning and personal growth.

With warm regards and best wishes,

Dr. C. Mayilvahanan

Senior Principal

Sairamvidyalaya Senior Secondary School

VICE PRINCIPAL'S PICKS & THOUGHTS

It gives me immense pleasure to pen down a few words which capture the vibrant spirit and accomplishments of Sai Ram Vidyalaya Senior Secondary School.

Since its humble beginnings in 2010, Sai Ram Vidyalaya has grown into a nurturing ground for academic excellence, character building, and holistic development. I have had the privilege of being part of this remarkable journey since 2011, and over the years, I have witnessed the transformation of our institution into a dynamic and progressive learning community.

This academic year has once again reaffirmed the dedication, resilience, and hard work of our students and staff. The outstanding board results and the accolades our students have earned in various scholastic and co-scholastic domains are a testament to the tireless efforts of our teaching faculty, the unwavering support of parents, and the enthusiasm of our learners.

At Sai Ram Vidyalaya, we believe that education is not just about marks or medals; it is about inspiring a lifelong love for learning, nurturing integrity, and preparing young minds to become responsible and compassionate citizens. Our curriculum and activities are thoughtfully designed to foster creativity, collaboration, and critical thinking.

As we continue to move forward with renewed commitment and vision, I express my heartfelt gratitude to our Management, Senior Principal, staff, students, and parents for being pillars of strength and inspiration. Together, we will continue to uphold the values that define our institution and strive towards greater heights.

Let this magazine be a reflection of all that we have achieved, and a reminder of the limitless possibilities that lie ahead.

With warm regards,

MS. CHITRA NARAYANAN

Vice Principal

Sairam Vidyalaya Senior Secondary School

VICE PRINCIPAL'S PICKS & THOUGHTS

"Education is not the filling of a pail, but the lighting of a fire." – W.B. Yeats

Dear Parents, Students, and Well-wishers,

I feel blessed to be a part of the Sairam institution for the past 16 years. At Sairam Vidyalaya, we do not stop with making our students academically strong—we prepare them to become responsible citizens who will contribute to the growth of our nation.

Through the Glendale 7 Habits of Highly Effective People program, our children learn the values of discipline, leadership, and character. By engaging in Sustainable Development Goals (SDG) activities, they also develop the sensitivity to understand social issues and the courage to solve them.

I am proud to share that our students excel not only in academics but also in co-curricular and extracurricular activities. Our alumni are shining in higher education and beyond, carrying with them leadership qualities and the confidence to face life's challenges with pride and positivity. They are the living proof of the Sairam Standard, making a mark across the globe.

"The best way to predict the future is to create it." – Abraham Lincoln

As I look back on my journey with this vibrant and supportive institution, I feel grateful for the encouragement it gives to every idea and initiative. Together, we will continue to nurture young minds to become leaders of tomorrow.

With warm regards,

Ms. S. Manimegalai

Vice Principal

Sairam Vidyalaya Senior Secondary School

VICE PRINCIPAL'S PICKS & THOUGHTS

Dear Students, Teachers, and Parents

I am filled with pride and gratitude for the incredible community we have built here. At our school, we strive to create an environment that fosters growth, learning, and creativity.

Our mission is to empower students with the knowledge, skills, and values necessary to succeed in an ever-changing world. We believe in nurturing each child's unique potential and encouraging them to become compassionate, curious, and lifelong learners.

I would like to extend my heartfelt appreciation to our dedicated teachers, supportive parents, and enthusiastic students for their tireless efforts and commitment to excellence.

As we move forward, we will continue to innovate and adapt to the evolving needs of our students. I am excited to see the amazing things our students will achieve and the positive impact they will make in the world.

Thank you for being part of our school community.

*Warm regards,
Dr. MEENA RAJAN
Vice Principal
Sairam Vidyalaya Senior Secondary School*

Preface

From the Editors' Board

Dear Readers,

As we bring you the latest edition of Sairam Vidyalaya Newsletter, we are filled with immense pride in everything our students, staff, and community have accomplished. This month's issue is especially close to our hearts, as we highlight some of the most memorable events, from our Annual Sports Day, remarkable celebration of independence day and the inspiring achievements of our students both in and out of the classroom.

This publication serves as a reflection of our vibrant school life — a place where learning extends beyond textbooks, where creativity and teamwork thrive, and where every individual's unique contributions are celebrated.

As we continue to grow and evolve, we remain committed to fostering an environment that encourages excellence, collaboration, and personal development. It's been a joy to put this issue together, and we hope it brings a smile to your face as you read about all the wonderful things happening in our school.

We are grateful for the continued support of our school community — parents, teachers, and students alike. Your involvement and enthusiasm are what make our newsletter so special.

We hope you enjoy this edition and look forward to bringing you even more updates in the future!

Warm regards,

Mrs. GOKILA.N
HOD - English
Editor-in-Chief

GUIDING GROWTH: ACADEMIC COORDINATORS' MESSAGE

At Sairam Vidyalaya, Senior Secondary wing, our constant endeavor is to provide an environment where students excel in academics while also growing into confident and responsible individuals. With a focused academic plan, our students have been consistently performing well in CBSE Board Examinations as well as in competitive exams like JEE, NEET, and CUET, securing admissions in IITs, top medical institutions, and premier colleges across the country.

We also believe in creating opportunities beyond the classroom. Programs such as Making Learning Visible and Student-Led Conferences empower our learners to reflect on their progress, take ownership of their learning journey, and showcase their skills with confidence. These initiatives not only strengthen academic understanding but also nurture communication, leadership, and problem-solving abilities.

It gives me immense pride to see our students balancing scholastic achievements with holistic growth, supported by dedicated faculty and ever-encouraging parents. Together, we are committed to shaping young minds who will shine brightly in every walk of life.

Ms. K. Srividhya
Academic Coordinator
Senior Secondary

The Secondary Wing has consistently aimed to uphold academic excellence while fostering the holistic development of every student. It gives me immense pride to present the report for the Secondary Wing.

This term has been marked by rigorous and continuous evaluation processes, enabling the timely identification of student needs and appropriate interventions. Remedial classes were arranged to support slow learners, while enrichment programs catered to high achievers, ensuring that every student is given an opportunity to grow at their own pace. Subject coordinators worked collaboratively to align lesson plans, assessments, and academic standards, maintaining consistency and quality across grades. Our dedicated faculty continue to play a pivotal role in both academic delivery and evaluation, fostering a culture of excellence in teaching and learning. Looking ahead, our academic

focus remains on strengthening foundational concepts, promoting interdisciplinary learning, and preparing students not just for examinations, but for real-life challenges beyond the school environment. With the unwavering support of our faculty, the involvement of our parents, and the enthusiasm of our learners, we are confident in our journey towards greater academic success.

It gives me immense pride to share the highlights of our students' journey towards holistic growth and academic excellence. This term, our learners have once again demonstrated that education goes beyond classrooms and textbooks.

Ms. MAHALAKSMI
Academic Coordinator
Secondary Wing

GUIDING GROWTH: ACADEMIC COORDINATORS' MESSAGE

Empowering Young Minds through Education

It is with immense pride and heartfelt joy that I present the recent achievements and initiatives of Sairam Vidyalaya Senior Secondary School. True to our vision, we remain committed to nurturing not only academic excellence but also character, creativity, and compassion in every child.

Highlights of Progress

Our students have excelled in academics and extracurricular pursuits, proving themselves to be versatile, confident, and future-ready. Innovative teaching strategies and technology-driven classrooms have transformed learning into a more engaging and dynamic experience. Our faculty, the pillars of our institution, have enhanced their expertise through advanced training workshops, ensuring they continue to inspire with the best global practices.

Student Achievements

Several students secured distinguished ranks in board examinations and competitive tests, standing as role models for their peers. On the sporting front, our young athletes displayed grit and determination, with many proudly representing the school at state-level competitions.

Initiatives Beyond the Classroom

Students championed environmental stewardship through tree plantation drives, waste management campaigns, and sustainability projects, reflecting their commitment to a greener tomorrow.

Our Philosophy & Vision

At Sairam Vidyalaya, we believe education is more than a pursuit of knowledge, it is the shaping of values, the awakening of curiosity, and the building of resilient, compassionate individuals. Each success of our students reaffirms our mission: to empower young minds to dream, discover, and lead with integrity. We will deepen our collaborations with community organizations, widening opportunities for experiential learning and social impact. With gratitude, we thank you for featuring our school in your esteemed magazine. We look forward to sharing many more milestones as we continue this journey of transforming education into a beacon of empowerment.

Best regards,
Ms. Vanishree P
Academic Coordinator
Middle Wing

GUIDING GROWTH: ACADEMIC COORDINATORS' MESSAGE

Our “Making Learning Visible” program continues to empower children to showcase their creativity, critical thinking, and problem-solving skills in meaningful ways. The adoption of the 7 Habits of Highly Effective People Empowers Students to instill in them values of responsibility, collaboration, and leadership, nurturing both character and competence.

In alignment with the Sustainable Development Goals (SDGs), our activities have encouraged students to connect their learning to real-life global challenges, making them conscious contributors to society. Through Conglom sessions, children are actively engaged in discussions that foster confidence, communication skills, and reflective thinking.

We are also proud to recognize our young achievers through the Board of Honour, where students are awarded stars for their accomplishments in academics, communication, and discipline. This initiative has created a culture of motivation and celebration, encouraging every learner to strive for excellence in all aspects of school life.

Together, these efforts reflect our commitment to nurturing well-rounded individuals who are not only academically strong but also socially responsible and future-ready.

Ms. Kanakalakshmi.i
Academic Coordinator
Preparatory Wing

CELEBRATING EXCELLENCE: ACADEMIC ACHIEVEMENTS IN MEDICAL COLLEGES AND IIT

SENIOR SECONDARY LEVEL

We are proud to celebrate the remarkable academic achievements of our batch of students (2024-2025) who have secured admissions into some of the most prestigious institutions in the country—India’s top Medical Colleges and Indian Institutes of Technology (IITs).

This year, our students have demonstrated exceptional dedication, perseverance, and intellectual brilliance by excelling in highly competitive entrance examinations such as NEET and JEE Advanced. Their success is not only a reflection of their hard work, but also a testament to the academic support, mentoring, and guidance provided by our committed faculty and institution.

A significant number of our students have secured top ranks in NEET, earning places in reputed government and private MBBS and BDS colleges across the country.

Our engineering aspirants have equally shone, with several students securing admissions into IITs, NITs, and top engineering institutes. Their performance in JEE Advanced and JEE Mains has opened doors to programs in Computer Science, Mechanical Engineering, Electrical, and more, placing them on the path to becoming future innovators and leaders.

CELEBRATING EXCELLENCE: ACADEMIC ACHIEVEMENTS IN MEDICAL COLLEGES AND IIT

SECONDARY LEVEL

At the secondary level, students have exhibited exceptional academic performance, with many setting their sights firmly on higher education. A notable achievement with one centum in Mathematics and secured top marks in other core subjects such as, Tamil, English, Science and, Social Studies. These accomplishments reflect not only the students' strenuous efforts, consistent discipline, and goal-oriented mindset, but also the critical role played by their parents, who provided constant encouragement.

The tireless dedication of the teaching faculty also deserves special mention — through effective lesson planning, personalized attention, and regular assessments, they ensured that every student received the academic support needed to excel. Remedial classes, peer-learning sessions, and motivational interactions further strengthened the students' confidence and preparation.

The school's holistic approach — combining academic rigor with emotional support and value-based learning — created a foundation where students were empowered to aim high and achieve excellence. These results stand as a proud reflection of teamwork among students, teachers, and parents alike.

PATHWAYS TO PROGRESS

CONGLOM – RISE OF A NEW DAY AND RAISE IN STUDENTS' MIND

In our school, a new, still powerful practice known as '**CONGLOM**' or the **MORNING MEETING** has been implemented this year. Each day begins with a conglomeration after their significant start of the day in roller assembly. This conglom is timetabled right at the start of the school day; this short session offers students a calm and connected beginning. Our school has scheduled conglom from Grade Balavatika 1 to Grade 12

Conglom is a space where students and teachers gather to:

- Share thoughts and opinions,
- Discuss the day's or Week's plans,
- Reflect on values, current events, or personal goals,
- Celebrate achievements, big or small.

This circle became a **valuable opportunity for bonding**, helping students feel seen, heard, and supported. It also strengthened the teacher-student relationship and encouraged a sense of belonging within the classroom community.

What began as a simple meeting evolved into a **safe, positive space** that nurtures emotional well-being, empathy, and self-awareness — all before the first bell rings.

MAKING LEARNING VISIBLE: A NEW APPROACH TO PTMS

This year, our school proudly introduced a fresh and meaningful approach to the traditional Parent-Teacher Meeting (PTM) — one that places the spotlight on **student voice, reflection, and visible learning**.

In this newly launched format, PTMs are no longer just a platform for teachers to report academic progress. Instead, they are designed as **collaborative conversations** between students, teachers, and parents, focusing on **how much the student has understood**, and more importantly, **how they reflect on their learning journey**.

Students are encouraged to present a **brief gist or summary of the lessons** they've learned, and sharing:

- **What key concepts they have grasped**
- **Where they struggled to get the concept understood**
- **How they overcame challenges, and**
- **What strategies helped them learn best.**

This reflective practice not only builds confidence but also develops metacognition — the ability to think about one's own thinking. Teachers guide students in preparing these learning summaries, ensuring that the core objectives of each lesson are internalized, not just memorized.

Our school conducted the **MAKING LEARNING VISIBLE** for all the grades from Balavatika to 12th, in which the students' participation and performance can be very much appreciated, and it has turned out to be a proud moment for the parents observing their wards' voracious preparation and execution of their talents.

This initiative aligns with a broader goal of making learning visible — a concept that **values transparency, reflection, and student empowerment**.

We believe that when students actively participate in conversations about their own learning, true

education begins to unfold — not just in classrooms, but in life.

Key Preparation Points for "Making Learning Visible" PTM

★ Invitation to the Principal and Stakeholders:

Marks the formal beginning of the planning process.

★ Selection and Training of Comperes:

Students are chosen to host and guide the session confidently.

★ Subject-wise Student Preparation:

Students prepare short summaries of lessons, reflecting on understanding and learning methods.

★ Focus on Student Reflection:

Emphasis on what was learned, challenges faced, and how they were overcome.

★ Use of Learning Aids:

Visuals, models, charts, and creative tools are used to support explanations.

★ Teacher Facilitation and Guidance:

Teachers mentor students, provide feedback, and help structure content.

★ Rehearsals and Peer Review:

Practice sessions are held to build confidence and clarity in communication.

★ Parent-Principal-Pedagogue Meeting:

Meeting fosters collaboration between families, school leadership, and teachers to support students' academic and personal development.

MAKING LEARNING VISIBLE: A NEW APPROACH TO PTMS

STUDENT-LED CONFERENCE ON "REAL-TIME MATHEMATICS" BY GRADES 11 & 12

This academic year witnessed the successful implementation of a Student-Led Conference at the senior secondary level, centered around the theme "Real-Life Mathematics." As part of this innovative initiative, students explored core mathematical concepts from their syllabus and presented how these are applied in real-world scenarios — ranging from budgeting, architecture, and data analysis to business calculations and technology. The event aimed to bridge the gap between textbook learning and practical application, fostering analytical thinking and problem-solving skills.

The conference was further enriched by the presence of resource persons from reputed institutions, who not only graced the occasion but also evaluated the presentations and provided valuable feedback. Their expert insights inspired the students and added great value to the overall learning experience. This initiative marked a significant step in promoting student agency, confidence, and subject relevance — turning the classroom into a platform for meaningful engagement and discovery.

INTERNATIONAL YOGA DAY

On June 21st 2025, Ourschool joyfully celebrated International Yoga Day with great enthusiasm and participation from students, teachers, and parents. The objective of celebrating International Yoga Day at our school was to create awareness about the holistic benefits of yoga among students and staff. The initiative aimed to promote physical fitness, mental well-being, and stress management through regular yoga practice. It also intended to instill the values of discipline, mindfulness, and a balanced lifestyle from an early age.

The event commenced with a brief introduction on the significance of Yoga Day, followed by a guided session of various yoga asanas, breathing exercises, and meditation techniques. Students from all grades actively participated, demonstrating discipline, balance, and energy. Certified yoga instructors led the session, ensuring proper techniques and spreading awareness of the mental and physical benefits of yoga. The atmosphere was filled with positivity and calm, truly reflecting the spirit of the day. The celebration concluded with a pledge to incorporate yoga into daily life, promoting a healthy and mindful lifestyle.

LEADER IN ME CELEBRATION DAY 19.07.2025

"Genius is One Percent Inspiration and Ninety-Nine Percent Perspiration."

At Sairam, we strive to nurture our students to become well-rounded individuals—not only academically proficient but also rich in values, character, and leadership. Inspired by the quote above, we have embedded The 7 Habits of Highly Effective People into our school culture which serve as a foundation for success across all walks of life and are integrated into the daily lives of our students through the Leader in Me program.

To instill leadership qualities from a young age, every student is entrusted with roles such as class monitor, subject monitor, line leader, and spoken English monitor. These responsibilities cultivate accountability and confidence. We have also introduced Emotional Bank Accounts (EBA) to promote emotional well-being and interpersonal respect. This initiative has significantly improved students' positivity, encouraging them to celebrate their peers' achievements and extend support to those in need.

As the highlight of this ongoing journey, LEADERSHIP DAY was celebrated with great enthusiasm on 19th July 2025. The event was graced by our esteemed Chief Guest, Dr. Kannan Gireesh, a renowned motivational speaker and CEO & Founder of Live Life Education. Other dignitaries included Naresh Sir (CIO), Mr. Muthu Vairavan Sir (CSO), and Ashok Sir, Principal of Sai Matriculation School. Our school

toppers of Classes X and XII were also honored on this occasion in the presence of all dignitaries along with our Senior Principal.

The entire event was hosted only by students, reflecting their growing confidence and organizational skills. The program began with a welcome address and felicitation of the guests, followed by an inspiring interaction session between Dr. Kannan and the parents. A vibrant array of cultural programs followed, including Bharatanatyam, a 7 Habits-themed dance, speeches, Villu Paatu, a musical performance, and a Hindi Leadership Day song.

Over 500 students participated in the celebration. A total of 110 concepts related to the 7 Habits—including their principles, practices, and real-life applications—were showcased through exhibitions set up in individual classrooms highlighting these principles in the form of epics such as the Ramayana and the Mahabharatha. Students also creatively integrated these habits with academic subjects, demonstrating a holistic understanding of the values.

Students from Classes I to IX actively participated in the classroom exhibitions. Our guests, including the CIO, CSO, and Dr. Kannan, visited each room, attentively listening to students' presentations and appreciating their efforts and creativity and at its hike our students demonstrated the AVATAR theme.

Coordinator : Dr. Meena Rajan

Incharge Teacher : Ms. D. Deepa

ANNUAL SPORTS MEET - 19.08.2025

The vibrant atmosphere of the Annual Sports Day, held on 19th August 2025, was a true celebration of athletic spirit, teamwork, and school pride. The day began with a lively march-past by all the school houses, accompanied by the melodious beats of the school band. The Chief Guest, Ms.D.P. Ezhilmathi, Indian Volley Ball Player, ICF Indian Railways officially inaugurated the event and inspired the students with words emphasizing the importance of fitness, discipline, and fair play.

A wide array of events which engaged the students as well as parents was followed — A March Past was conducted, with each house showcasing their discipline and coordination and lighting the Olympic Torch declaring the national and international achievements of our school students were the proud moments. In addition to the sporting events, there were cheerleading performances and dance breaks, which added to the excitement and feast to spectators' eyes and energy to the students. Each event showcased the determination and effort of the participants, with the audience cheering enthusiastically from the stands. The event concluded with a medal distribution ceremony, where the winners were honoured with medals, certificates, and house points. The Overall Championship Trophy was secured by YELLOW HOUSE. The Principal, in the closing address, congratulated all participants for their enthusiasm and sportsmanship.

Sports Day 2025 was not just about winning — it was about participation, perseverance, and the powerful sense of unity it brought to our school community. It was truly a day to remember!

HEALTH CHECK-UP PROGRAMME IN SCHOOL

Aligned with SDG Goal 3 – Good Health and Well-being

As part of our school's initiative to promote Sustainable Development Goal 3 (Good Health and Well-being), a **Health Check-up Programme** dated on 2nd April was organized for all parents, teachers and students.

A team of qualified doctors and healthcare professionals conducted general health screenings, including checks for **vision, dental hygiene, height, weight, BMI, and overall fitness**. The program aimed to ensure early detection of any health concerns and promote awareness about the importance of regular health check-ups, hygiene, and nutrition.

Everyone was also given personalized health reports, and a health awareness session was held to encourage **healthy habits, balanced diets, and physical activity** as part of daily life.

This initiative helped instill the importance of well-being among students and supported the goal of building a healthier, more informed generation.

BIOSPHERE RESERVE CHAMPIONSHIP

As part of our ongoing commitment to environmental conservation and the United Nations' Sustainable Development Goals (SDGs), particularly Goal 13 (Climate Action), Goal 14 (Life Below Water), and Goal 15 (Life on Land), our school proudly launched Phase 1 of the Biosphere Reserve Championship with a **Clean Up Drive** at Pallikaranai Marsh, Chennai on 2nd August 2025.

Our school community came together for a clean-up drive at the local park with the goal of making it a cleaner, greener, and more welcoming space for everyone. Residents, students, and community leaders all pitched in—collecting litter, sorting waste, and lending a hand wherever needed. By the end of the day, the park looked fresher and more inviting, and everyone left with a stronger sense of pride and responsibility toward caring for our shared spaces.

We chose the Pallikaranai Marshland Eco Park for the clean-up because it's not just an important wetland but also a green escape for the community. The park is home to many bird species and supports a fragile ecosystem, yet in recent times it has been struggling with waste and pollution. After talking with local residents and environmental groups, it became clear that this was a place worth protecting and restoring. Its closeness to the neighborhood and its value to both nature and people made it the perfect spot for our clean-up drive.

BIOSPHERE RESERVE CHAMPIONSHIP

SEED DONATION DRIVE

A step ahead, our Pre-Primary students, demonstrated their enthusiasm and commitment to the Sustainable Development Goals (SDGs), especially SDG 13: Climate Action and SDG 15: Life on Land. The students enthusiastically participated in a "Seed Donation Drive". With the guidance of their teachers, the young learners collected and donated seeds of fruits, vegetables, and flowering plants to promote greenery and environmental awareness. This simple yet meaningful activity helped impart them the values of sustainability, care for nature, and social responsibility from an early age, while also encouraging community involvement in protecting our planet. The students felt happy and showed a great zeal during the activity.

BHARATH SCOUTS AND GUIDES

TRAINING CAMP AND CIVIC ENGAGEMENT BY OUR SCHOOL (HEALTH CAMP AND DENTAL CAMP)

BHARATH SCOUTS AND GUIDES – EVENT HIGHLIGHTS (APRIL TO JULY 2025)

The Bharath Scouts and Guides have actively participated in a series of events and training programs from April to July 2025, focusing on **health, skill development, leadership training, and inter-district competitions**. Each activity was a step forward in instilling discipline, service mindset, and teamwork among the members.

Coordinator: Dr.Meena Rajan

Incharge Teachers: Mr.Manoharan, Ms.Famitha, Ms. Pavithra

HEALTH CAMP

To promote community well-being, a **free health camp** was organized on **April 2, 2025**. The camp offered basic health checkups including blood pressure, sugar level, BMI assessment, and general consultations. The initiative was well-received by the local community and helped raise awareness about preventive healthcare.

FIRST ANNIVERSARY CELEBRATION

The Bharath Scouts and Guides celebrated their first anniversary on April 22, 2025, with great enthusiasm. The event included a buttermilk distribution drive, cleanliness rally, cultural programs, and a reflection session highlighting the journey and achievements of the unit over the past year. Volunteers and mentors were also felicitated during the program.

BUNNY COURSE TRAINING FOR ELDERS

A five-day Bunny Course Training was conducted for older scouts and guides from April 21 to April 25, 2025. The training focused on nurturing leadership skills and preparing participants to handle young Bunny members. Sessions included storytelling, game-based learning, and values-based education techniques.

COMPASS AND MAPPING CAMP

A **Compass and Mapping Camp** was organized at **Sairam Engineering College, Tambaram** from **May 30 to June 1, 2025**. The camp provided hands-on training in navigation skills, topographical map reading, and compass usage. This helped participants develop essential scouting skills for outdoor activities and hikes.

TRITIYA SOPAN TRAINING CAMP

The **Tritiya Sopan Training Camp** was held at **Sairam Engineering College, Tambaram** on **June 13 and 14, 2025**. Scouts and Guides participated in sessions on advanced first aid, pioneering, knotting, fire safety, and community service, which are essential for qualifying in the Tiritiya Sopan level of scouting.

NORTH ZONE CAMPOREE

The Scouts and Guides proudly participated in the **North Zone Camporee** held at **Jawadhu Hills** from **July 17 to 19, 2025**. The camp featured various inter-district competitions, adventure activities, and leadership sessions. Our **Sairam District team** excelled in the events and brought laurels by securing **1st place in the Band Party** and **3rd place in the Dance competition**. It was a moment of pride and motivation for all the participants.

79TH INDEPENDENCE DAY PARADE PARTICIPATION

On the occasion of the **79th Independence Day**, Scouts and Guides from our school proudly participated in the **state-level parade** held at beach road, Chennai. The event was graced by the **Honourable Education Minister of Tamil Nadu Mr.Anbil Mahesh Poyyamozhi** , who received the salute and honoured the march-past contingents. Our Scouts and Guides showcased discipline, patriotism, and team spirit as they marched alongside other youth groups, representing the values of unity and national pride. Their participation was a moment of great honour and inspiration, marking a memorable contribution to the celebration of India's independence.

RAJYA PURASKAR TEST CAMP

The **Rajya Puraskar Test Camp** is an important event organized for Scouts and Guides who are aspiring to receive the prestigious **Rajya Puraskar (State Award)**. It serves as a platform to assess the skills, discipline, and service spirit of participants based on the Bharat Scouts and Guides programme. During the camp, candidates undergo evaluations in areas such as first aid, pioneering, mapping, knotting, environmental activities, community service, and personality development. The camp encourages teamwork, leadership, and preparedness, nurturing the values of responsible citizenship and self-reliance among young students.

BIS - BUREAU OF INDIAN STANDARDS ACTIVITIES

Our school is actively involved in the initiatives of the **Bureau of Indian Standards (BIS)**, promoting awareness about quality standards, consumer rights, and safety among students. As part of this, the school conducts **monthly quiz competitions and poster-making activities** to engage students creatively and intellectually. These events help inculcate a strong understanding of standardization, quality consciousness, and responsible citizenship.

STUDENT EXPOSURE VISIT TO BUREAU OF INDIAN STANDARDS (BIS)

We are pleased to share that **20 students from Sairam Vidyalaya Senior Secondary School, Madipakkam** had the opportunity to visit the **Bureau of Indian Standards (BIS)** on **July 24, 2025**, as part of an **educational exposure visit**. The visit offered valuable insights into the role of BIS in setting quality standards, promoting consumer safety, and encouraging sustainable practices. It was a meaningful learning experience that enriched the students' understanding of standardization and quality assurance in everyday life.

Date: July 24, 2025 | Time: 10:00 AM to 12:00 Noon | Venue: Bureau of Indian Standards (BIS), Chennai

Participants: 20 from grades IX and XI | Teacher In Charge: Parvathy.K

POSTER-MAKING COMPETITION

As part of its ongoing efforts to promote awareness about standardization and sustainability, the **Bureau of Indian Standards (BIS)** organized a **school-level poster-making competition** on **12.08.2025**, titled **FOSTERING A SUSTAINABLE WORLD**. The club members of the standards club were ignited with the knowledge of building a sustainable world and the students actively participated in the **BIS POSTER MAKING COMPETITION**. This competition was evaluated and the best standard was selected for the cash prize.

The winners are:

First Prize: K.V.Akshaya Vivekha - IX B (Rs. 1000), Second Prize: Shamini Somaskandan - XI B (Rs. 750)

Third Prize: Keerthana G - XII A2C (Rs. 500), Consolation Prize: Visvesh R - IX B (Rs. 250)

CO-CURRICULAR ACTIVITIES (CCA)

At our school, we firmly believe that education goes beyond textbooks. Co-Curricular Activities (CCAs) are an integral part of our curriculum, designed to develop intellectual, emotional, and social skills in our students. Through debates, quizzes, dramatics, science exhibitions, student clubs, and leadership opportunities, we aim to bring out the best in every child. Our dedicated teachers work closely with students to mentor and prepare them for various competitions and events. We regularly organize inter-house and inter-school activities that encourage healthy competition and boost confidence. By providing structured platforms, we ensure that every student discovers and hones their abilities in a supportive and inspiring environment.

English Club: To improve one's mastery over the language, play skits and dramas from famous literary works, and improve Grammar, releasing E-newsletter every month by the student's creative contribution and achievements.

Objective: To focus special attention in the Language skills (LSRW) and to develop basics in grammar and vocabulary

Incharge: Ms. P. Krithika, Ms. R. Radhika,
Ms. T. Gayathri, Ms. V. Aishwarya

Math Club: Develops mathematical skills and introduces a creative way of cracking tricky mathematical problems. Motivate the students to solve math puzzles through math corner every week.

Objective: To explore students' potential mathematical solutions and to create a supportive learning environment.

Incharge: N. G. Sowgandhika Janakam,
Ms. M. Janani, Ms. S. Shalini

Science Club: (Young Scientists Club) Inculcates scientific approach and delivers opportunities to develop an interest in projects to train students in techniques of innovation and creativity. Inspires students to explore science, develop scientific thinking and learn about science applications.

Objective : To inspire Students to explore science, develop scientific thinking and learn about science applications.

Incharge: Ms. S. Nalini

Tamil Club: Serves as a platform for the students for enriching their talents in the three components of the Tamil language "Iyal, Isai, and Nadagam, encouraging our students to participate in various competitions in Tamil.

Objective: To make students learn the mother tongue with all its importance in tamil literature.

Incharge: Ms. Padmashini, Ms. T. Sumathi

Hindi Club: The purpose of the Hindi-Club is to enhance the creativity of our students. The Club allows students to create their own speeches, plays, compose poetry and also write essays to express their thoughts and feelings. Students are trained to write Parichya, Madhyama in Dakshan Hindi Prachara Sabha.

Objective : To develop interest in learning Hindi and to make them appear for exam.

Incharge: Ms. Sundari bai, Ms. Sangeetha

Telugu Club: To increase the confidence of learners in their daily use of Telugu language. To enhance the communication skills of the students.

Objective : To enable students to learn new language and to identify the letters and improve reading

Incharge: Ms. S. Radhika

Malayalam Club: To encourage and motivate students to display their different skills in Malayalam. The club is formed to promote better comprehension of Malayalam language and literature.

Objective : To learn new language and to improve reading skills

Incharge: Ms. S. Sindhu

Library Club: The Library Club aims to develop essential qualities in students and encourage them to read for pleasure and develop a lifelong love of books and literature.

Objective: To inculcate reading ability, confidence, logical thinking and self-analysis

Incharge: Ms. M. Shanthi

EXTRA-CURRICULAR ACTIVITIES (ECA)

We also recognize the importance of Extra-Curricular Activities (ECAs) in shaping well-rounded individuals. Whether it's sports, music, dance, art, yoga, or community service, our school offers a wide range of opportunities for students to explore their passions. We have invested in quality facilities and experienced coaches to guide students in their chosen fields. Through talent shows, sports meets, cultural events, and club activities, we provide every child with a stage to express themselves and grow. Our goal is to nurture not only academic excellence but also creativity, teamwork, discipline, and resilience—qualities that will serve our students well in life beyond school.

Archery - It helps to build muscle endurance and flexibility, and develop hand-eye coordination and strength. Archery teaches discipline, respect and self control - something that carries over into pupils' attitude, work habits and other school activities.

Objective: teaches discipline, respect and self control that carries over into pupils' attitude, work habits and it also gives pupils a strong sense of personal achievement

Trainer : Mr. Seetharaman

Incharge: – Ms.B.Priya

Yoga - It helps students to see the beauty and light within themselves, thereby boosting their self-confidence, allowing them to feel more comfortable with their bodies, and help them develop mental as well as physical wellbeing.

Objective : Yoga, enables mindfulness and relaxation will develop essential skills for a lifetime of health and wellness in mind, body and spirit.

Incharge: Ms. K.Sharmila & Ms. G. Padma Priya

Dance - "Dance can help restore joy and stability in troubled lives and ease the tensions in Schools that are disrupted by violence and bullying."Dance education has important benefits for students' social relationships, particularly among genders and age groups. Dance is a mix of art and exercise which connects the mind and body, and makes one sharper and stronger.Objective: To develop skills in students including confidence,physical health and good relationship between students.

Incharge: Ms. Georgina Jenifer and Ms. A. Suganya

Skating - Skating for students builds strength, balance, and coordination and also provides a great source of exercise and improves cardiovascular health.Skating can help improve a child's balance and coordination. Skating can also help build muscle strength and flexibility.

Objective: To enable students to benefit the sport's potential for social integration as a recreational activity.

Trainer : Mr. V. Balaji & Mr. R. Janarthanan

Incharge: - Ms.A.Sundari Bai,

Guide Teacher : Ms.Georgina and Ms.T.Gayathri

Art - The objective of an Art Club in schools is to foster creativity, self-expression, and a deeper appreciation for the arts among students.

Objective: Students will develop and enhance their awareness and understanding of the visual world

Incharge: Ms. G. M. Jalaja Devi

Silambam: The objective is to develop physical fitness, self defence skills and discipline, while also promoting respect and cultural heritage.

Trainer: Mr.Suyambulingam

Incharge : Mr. Vivekananthan.G

LEARNING BEYOND THE CLASSROOM – OUTREACH AND EDUCATIONAL EXPOSURE

OBJECTIVE:

To provide students with real-world learning experiences and raise awareness about critical global issues through outreach visits and educational programmes. At our SAIRAM VIDYALAYA, we believe that education is most impactful when it extends beyond textbooks and the classroom. As part of our outreach and experiential learning programmes, students actively participated in enriching field visits and awareness initiatives that broadened their understanding of the world around them.

EXOUSIA 2025

Students from the Commerce Department of our school had the privilege of representing the school at EXOUSIA 2025 on 8th September 2025, an interschool commerce fest hosted by the prestigious Madras Christian College (MCC). The event brought together budding business minds from across the state to compete, collaborate, and showcase their talents in a dynamic and intellectually stimulating environment.

EXOUSIA 2025 featured a range of competitions tailored to sharpen business acumen, analytical thinking, creativity, and presentation skills.

Teacher In Charge: Ms.G.V.Revathi

Names of the events with objectives and participants list:

1. GREEN PITCH - SHARKTANK:

The students present their own boldest sustainable ideas in a dynamic setting that rewards originality, eco-focus, and business feasibility.

Participant's Name: Seemanthani G and Nethany BS

2. VERDICTS FOR THE EARTH - DEBATE

The students challenge their perspective in a dynamic debate on "Green Profit vs. Fast Profit: A Challenge to the Ethics of Capitalism"

Participant's name: Saisadana S and Vishal M

3. ECO IO - BUSINESS QUIZ:

The Students test their business instincts and sustainability awareness in a high-energy quiz that celebrates sharp minds and quick thinking

Participant's name: Vishal M, Prasanna R, and Shobitha SA

4. ECO DESIGN LAB - PRODUCT PACKAGING:

The Students unleash their creativity by designing eco-friendly, functional, and aesthetic product packaging using materials they bring.

Participant's name: Kavya S, Elanthendral K, and Uga Sri Bala GR

Overall this competition aimed at testing the business knowledge and dynamic environment in the business world and how familiar students are with these changes. These outreach experiences not only complemented our academic curriculum but also instilled in our students a deeper appreciation for real-world knowledge and responsible citizenship. They returned from these programmes more informed, inspired, and eager to contribute meaningfully to society. As we continue to pursue learning with purpose, such exposure helps shape students who are aware, inquisitive, and ready to make a difference.

NUCLEAR AWARENESS PROGRAMME

As part of the Nuclear Awareness Programme, students of Class XI visited the IGCAR Nodal Center, Pallavaram, in two batches on 26th August 2025 and 28th August 2025. A total of 75 students participated — 37 students from Classes XI A, C, and D, and 38 students from Class XI B, accompanied by Ms. K. Srividhya (Academic Coordinator) and Ms. S. Anitha (PGT Chemistry).

The programme began with a visual presentation of IGCAR, Kalpakkam, showcasing various reactors and their working principles. This was followed by an enlightening session by Ms. Jalaja Madana Mohan, who explained the importance of nuclear awareness.

Students then explored the exhibition hall that displayed detailed miniature models, such as the Pressurized Heavy Water Reactor (PHWR – 700 MW), Fast Breeder Test Reactor (FBTR) fuel assemblies, Prototype Fast Breeder Reactor (PFBR), Light Water Reactor, Radiopharmaceutical applications, Bhabhatron, Gamma Chamber 5000, and Decay Heat Removal System (SGDHRs). The faculty explained each model clearly, helping students gain a deeper understanding of nuclear energy, electricity generation, and the medical applications of radiation, especially in imaging and cancer treatment.

The exhibition also highlighted the life and contributions of eminent scientists, particularly Dr. Homi J. Bhabha, the father of India's nuclear programme. Students actively took part in quizzes and puzzles based on the exhibits. Winners were awarded caps and periodic tables as prizes.

The sessions on both days concluded with refreshments, leaving the participants with fond memories of an enriching learning experience. Overall, the visits on 26th and 28th August 2025 provided valuable insights into nuclear energy, radiation safety, and the pioneering role of Indian scientists in this field.

EDUCATIONAL VISIT TO CHENNAI PORT TRUST

On 11th September 2025, the students of Class XI from Sairam Vidyalaya Senior Secondary School, Madipakkam, were taken on an educational field trip to the Chennai Port Trust, guided by Ms. S. Manimegalai, and Ms. K. Srividhya. The visit was organized to give students an opportunity to witness the working of one of India's most important ports and to connect their classroom learning with real-world applications.

The students, accompanied by teachers, traveled by two school buses and reached the port in the morning. On arrival, they were warmly received by the officials of Chennai Port Trust. The officials welcomed the students with safety caps and refreshments, ensuring that the visit was both safe and comfortable.

After a brief introduction about the port's history and importance, the students were given a guided tour of the premises. They witnessed the loading and unloading of automobiles and containers with the help of advanced cranes and cargo-handling systems. A highlight of the day was observing the arrival of a ship carrying cars for export, which gave the students a first-hand experience of how India's automobile industry connects with global markets.

The port officials also explained the role of different trading divisions that function within the port:

- ❖ Automobile Export Division – managing export of vehicles to various countries.
- ❖ Container Terminal Division – handling containerized goods with modern logistics.
- ❖ Bulk Cargo Division – dealing with commodities such as coal, iron ore, and fertilizers.
- ❖ General Cargo Division – taking care of break-bulk and miscellaneous cargo.

Students gained valuable insights into the international trade system, shipping logistics, documentation procedures, and the vital role ports play in boosting India's economy. The session also highlighted various career opportunities in shipping, commerce, engineering, and logistics.

The trip was not only educational but also enjoyable. The hospitality of the port officials, coupled with their detailed explanations, made the experience truly enriching. By the end of the day, students returned with greater awareness, practical knowledge, and fond memories of their visit.

The educational visit to Chennai Port Trust was indeed a memorable learning experience that broadened students' horizons and inspired them to appreciate the significance of global trade and maritime industries.

DRUG AWARENESS RALLY

In celebration of the 76th NCC Day on November 14, 2024, the dedicated NCC cadets of Sairam Vidyalaya, supported by our Senior Principal, organized a Drug Awareness Rally themed "Say No to Drugs." Held near the school vicinity at 7:30 a.m., this initiative aimed to address the pressing issue of drug addiction among youth. Approximately 34 cadets, along with one ANO and one PI staff member, took part in the rally. The event served as a powerful platform for raising awareness about the dangers of substance abuse, especially among young people. With banners, slogans, and determined voices calling for a drug-free society, the cadets conveyed a strong message about the risks associated with addiction and promoted healthier, drug-free lifestyles. This rally not only demonstrated the NCC's commitment to a healthier society but also instilled values of discipline and social responsibility among its cadets. By engaging in this important cause, the cadets exemplified the power of collective action in addressing social issues and served as positive role models for their peers. The rally was met with great support from the community, highlighting the need for greater awareness and prevention of drug addiction. I extend my heartfelt gratitude to our OC, Colonel Viswanathan R, for providing this invaluable opportunity to organize such a meaningful event.

NATIONAL CADET CORPS
Mr. T/O Anandharaj. A
Associate NCC Officer

ALL INDIA THAL SAINIK CAMP (AITSC) – DIRECTORATE LEVEL-II

We are proud to celebrate the remarkable achievement of **Cadet.Loyal Caddaric King**, a dedicated young cadet from Class IX B, Sairam Vidyalaya NCC Unit. At the prestigious All India Thal Sainik Camp (AITSC) – Directorate Level-II held in Madurai, Cadet Loyal Caddaric King showcased exceptional marksmanship skills, securing a Silver Medal with an impressive 1.5 cm grouping accuracy in the shooting competition. Though his journey concluded at the Directorate Level-II stage, this outstanding feat stands as a testament to his perseverance, precision, and passion for excellence. His achievement brings immense pride to our school and our NCC unit, inspiring fellow cadets to aim higher and work harder. This milestone was made possible through relentless practice, unwavering determination, and the guidance of our Associate NCC Officer, Mr. Anandharaj A. We congratulate Cadet Loyal Caddaric King for his commendable success and look forward to seeing him reach even greater heights in the future!

COMBINED ANNUAL TRAINING CAMP

From July 5th to July 14th, 2024 at Sairam Engineering College, Tambaram, the cadets are trained in basic skills of survival and emergencies. They are also taught certain skills pertaining specifically to their Wing and also Cadets get to learn map reading, field signals and all those battlecraft.

BOOT CAMP 4.0

NCC Boot Camp is a short-term, intensive training program designed to instill discipline, teamwork, and leadership qualities among cadets.

RADIANT ROBOTICS DEPARTMENT

Robotics for students is a compendium of different disciplines that provides children with knowledge related to Science, Technology, Engineering, and Mathematics. Transmitting this range of expertise to them in a transversal and fun way facilitates the development of logical thinking while stimulating their creativity and becoming familiar with the operation of programmable objects with which they are already in daily contact.

Trainer: Mr. Vinoth Kumar

Incharge: Ms. Ezhil Sabari

ACHIEVEMENTS

Puthulir '24 - TN Innovation and Ideation Challenge

Puthulir, the Tamil Nadu Innovation and Ideation Challenge, is a prestigious contest conducted at Anna University by the Centre of Entrepreneurship and Development Cell, Chennai.

We are thrilled to announce that our students, Adithya K., Sanjith Sharma R., and Hari Haran R.S. have achieved the "Winner" position in the CBSE board category at the Puthulir State Level Contest held on **14th November at Anna University, Chennai. They have won a cash prize of Rs.15,000 and have received certificates from the TN Educational Minister, Thiru.Anbil Mahesh Poyyamozi.**

The contest saw participation from many students across various districts of Tamil Nadu. After excelling in the district-level selection on 8th November, Our team was shortlisted to compete at the state level, where they delivered an outstanding performance and secured the Winner position in the CBSE Board Category.

SAI TECH S2T EDITION 5.0 (SCHOOL TOWARDS TECHNOLOGY)

On 9th Jan,2025,Science Competition For School students was held at Sairam Engineering college,Tambaram.This was to encourage Young Minds to participate and win fabulous prizes.All the energetic and enthusiastic Students had participated from 135 Schools across the state. We are proud to announce that our school, Sairam Vidyalaya , Madipakkam has secured 3rd place in the Overall Championship with a cash award of Rs.15000 & Trophy at SAITECH 5.0 – S2T, achieving the highest points among competitors! The prestigious event witnessed the participation of around 5,000 students, making our achievement even more remarkable. This victory is a testament to our students' dedication, innovation, and teamwork. Congratulations to our champions!

TECH WHIZZY NATIONAL LEVEL ROBOTICS COMPETITION

It was to share with us that our school has participated in the Tech Whizzy National Level Robotics Competition held at Sri Shakthi Institute of Engineering and Technology, Coimbatore, on 10th August 2025.

The event had six categories, and our students chose Home and Industrial Automation. Out of more than 500 teams from across India, only 80 teams were shortlisted for the final round. Our school team — Hashwin Madhav G.S, Harshith. V, and Krishnakumar V. of Grade 12C — was selected for the finals with their project “Aqua Intel” – a Smart Irrigation System.

With great enthusiasm and dedication they presented their project in the finals, competing closely with top teams nationwide. Although they missed a win by a narrow margin, the experience greatly enriched their skills, knowledge, and confidence and returned with participation certificates and a renewed determination to improve and excel in future competitions. Overall, it was a valuable learning opportunity that strengthened their technical abilities and team spirit.

MEGA TINKERING DAY

Date: 12th August 2025

Venue: Sairam Vidyalaya Senior Secondary School, Madipakkam

Organized by: Atal Innovation Mission (AIM), NITI Aayog

We are proud to share that our students actively participated in Mega Tinkering Day 2025, a national-level event organized by the Atal Innovation Mission (AIM), NITI Aayog. This inspiring initiative brought together over 1.1 crore students from more than 10,000 Atal Tinkering Labs across 722 districts of India—making it one of the largest innovation gatherings in the country! A total of 40 students from our school, divided into 10 creative teams, joined the live session via Zoom. Guided by AIM mentors, they designed and built eco-friendly vacuum cleaners using discarded plastic bottles and simple electronic components, aligning with the theme of sustainable innovation. This hands-on activity helped students explore STEM learning, design thinking, and creative problem-solving using everyday materials. Each team proudly presented a functional model, reflecting teamwork, innovation, and a commitment to sustainability.

The event echoed AIM's powerful message:

"When imagination meets action, innovation happens." We commend our young innovators for their enthusiasm and dedication, and we look forward to seeing them continue their journey as future-ready change makers!

ROBOROARZ INDIA JUNIOR CHAMPIONSHIP 2025

Our school participated in the RoboRoarZ India Junior Championship 2025 organized by Sunshine Graduate Finishing School on 22nd and 23rd August 2025 at EOS Life School, Sholinganallur, Chennai.

A total of 14 students represented our school:

1 Secondary Team – 4 students (One Team from Classes IX).

2 Primary Teams – 10 students (Two Teams (each 5 students) from Classes VI–VIII).

The event commenced with a vibrant **opening ceremony**, followed by **cultural programs** and **guest speeches** from representatives of **Microsoft**, **LionsBot**, and **Wefaa Robotics**.

ROBOROARZ INDIA JUNIOR CHAMPIONSHIP 2025

Our students actively participated in the following sessions:

- Gameplay / Guidelines Session
- Smorphi Tutorial
- Smorphi Imaginary (Introductory Round)
- Software Installation
- Hardware Workshop & Code Testing

Competitions were conducted in different categories:

Upper Primary Teams (RoboRoarz): Smorphi Imaginary & Maze Challenge.

Secondary Team (RoboRoarz): Smorphi Imaginary, Pilot, Autonomous, and Design Tank. These sessions provided the participants with a clear understanding of the competition's structure, rules, and hands-on experience with both software and hardware tools. Our students participated with dedication and completed their tasks well. Though they did not secure any awards, they displayed great teamwork, coding skills, and creativity.

PARTICIPATION IN SIMATS - SCIENCE EXHIBITION 2025

The SIMATS Science Exhibition for School Students – 2025 was held on 3rd September 2025 at Saveetha Institute of Medical and Technical Sciences, Thandalam Campus. The event brought together young innovators from various schools to showcase their talents in science, technology, mathematics, art, and creative design.

A contingent of 38 students from Sairam Vidyalaya Senior Secondary School proudly represented the institution in multiple categories.

PARTICIPATION IN SIMATS - SCIENCE EXHIBITION 2025

Achievements of Sairam Students

Sewage Blockage Indicator – Arul Karthikeyan (IX C) – 1st Prize + Best Science Project in Robotics Theme

AI Melanoma Detection – Yadharsh R (IX A) – 1st Prize (Deploying AI)

Critical Alert Response Engine (CARE) – Yadharsh R (IX A) – 2nd Prize (Robotics)

General Quiz – Dhanvanth & Reeman Rapthap – 1st Prize

Art from Waste – Harin Pranav & Sanjeev – 2nd Prize

Pencil Sketching (Junior) – R. B. Hasini – 2nd Prize

Design Hackathon – 1st Prize

Water Colouring – Sai Samartha – 1st Prize

Maths Olympiad (Top Level) – Keerthana Vivekha – 1st Prize

Rubik's Cube – Sai Thusanth – 2nd Prize

Rubik's Cube – Sai Darsth – 3rd Prize

With outstanding participation and remarkable achievements, Sairam students have showcased their creativity, innovation, and excellence across Robotics, AI, Academics, and Arts — bringing glory to the school at SIMATS 2025.

CELEBRATIONS @ PRIMARY WING

Students from the Pre-Primary and Primary sections of our school participated very happily in a variety of engaging programmes designed to spark curiosity and encourage exploration. Their enthusiastic involvement was evident as they eagerly took part in hands-on activities, asked thoughtful questions, and interacted with both peers and instructors. These enriching experiences not only nurtured their natural inquisitiveness but also laid a strong foundation for joyful and meaningful learning.

WORLD AQUATIC DAY – 03.04.2025

Pre-primary students celebrated World Aquatic Day with colourful art and sharing information about oceans, rivers, and marine life. They learned about the importance of protecting aquatic ecosystems and keeping water bodies clean. This day is connected with SDG 14: Life Below Water, helping children understand the need to conserve marine biodiversity from a young age.

WORLD RAT DAY - 04.04.2025

On World Rat Day, students explored the role of rats in ecosystems, research, and urban life through interactive storytelling and drawing activities. This celebration highlighted SDG 15: Life on Land, teaching children about respecting all forms of life, even the often-overlooked species, and understanding their ecological importance.

NATIONAL SAFE MOTHERHOOD DAY - 11.04.2025

Primary students engaged in discussions and activities promoting love and care for mothers. They created greeting cards and learned about the importance of maternal health and safety. This event supported SDG 3: Good Health and Well-being, raising awareness about the value of supporting mothers and families for a healthier society.

WORLD ART DAY - 15.04.2025

The school turned into a mini art gallery as children expressed themselves through painting, clay modelling, and craftwork. Through creative freedom, they celebrated SDG 4: Quality Education and SDG 10: Reduced Inequalities, embracing art as a universal language of expression and inclusion.

BANANA DAY - 16.04.2025

Banana Day was a fun-filled event where students learned about healthy eating and the journey of food from farm to table. They made banana-based snacks and understood the importance of nutrition. This celebration aligned with SDG 2: Zero Hunger and SDG 12: Responsible Consumption and Production.

WORLD HEALTH DAY - 07.04.2025

Through fitness games, hygiene demonstrations, and role-playing doctors, children explored how to stay healthy and happy. The day emphasized the importance of physical and mental well-being, aligning with SDG 3: Good Health and Well-being by promoting early habits for a healthy lifestyle.

WORLD BICYCLE DAY - 03.06.2025

Students learned about the environmental and health benefits of cycling through stories and model-making. The event encouraged eco-friendly habits and physical activity, promoting SDG 11: Sustainable Cities and Communities and SDG 13: Climate Action through the simple act of riding a bicycle.

SEED DONATING DRIVE

As part of a community-building initiative, students participated in a seed donation drive, collecting and sharing seeds to promote home gardening and greenery. This activity supported SDG 2: Zero Hunger, SDG 11: Sustainable Cities and Communities, and SDG 15: Life on Land, inspiring young minds to contribute to food security and environmental care.

ONAM CELEBRATION – A FESTIVAL OF UNITY AND JOY - 05.09.2025

The Pre-primary and Primary wings of our school celebrated Onam with vibrant traditional attire, joyful songs, and beautiful floral rangolis (Pookkalam). Children enjoyed dances, and cultural activities that highlighted the spirit of togetherness and gratitude. The celebration reflected values of cultural heritage, unity, and respect, fostering a sense of belonging and joy among young learners.

CULTURAL DAY CELEBRATION BY PRIMARY WING STUDENTS - 29.08.2025

The Primary Wing of our school celebrated Cultural Day with great enthusiasm and colorful performances that truly captured the spirit of our diverse traditions. The event featured a vibrant line-up of activities including traditional dances, folk songs, and cultural presentations, all beautifully performed by our young students.

24 competitions from BV 1 to std 5 containing 3 events per class were conducted. Around 300 students from Foundation wing and 250 students from preparatory wing actively participated in the events. Overall, 72 students have won the first, second and third places in 24 events.

A special highlight of the event was the involvement of parents as judges, adding warmth and community spirit to the celebration. Their presence and participation not only encouraged the children but also strengthened the bond between the school and families.

The lively performances, cheerful costumes, and confident expressions of the students made the day both entertaining and meaningful. The event provided a wonderful platform for students to showcase their talents while fostering teamwork, cultural pride, and self-confidence. Kudos to the students, teachers, and parents for making this celebration a grand success!

A TRIBUTE TO OUR VISIONARY FOUNDER

We fondly remember and pay heartfelt tribute to our beloved Founder Chairman, on 10.07.2025, whose visionary leadership and unwavering commitment laid the foundation for the values and excellence we uphold today. His dedication to education, discipline, and holistic development continues to inspire and guide every step of our journey. As we celebrate the achievements and milestones of our institution, we remain ever grateful for his legacy, which lives on in the hearts of our students, teachers, and the entire school community. As part of the Founder's Day celebration, our students presented a meaningful skit that highlighted the values and vision of our beloved Founder Chairman. Through powerful dialogues and expressive performances, the skit paid tribute to his contributions and the lasting legacy he left behind.

CELEBRATIONS @ MIDDLE, SECONDARY AND SENIOR SECONDARY

GRADE VIII STUDENTS CONDUCT 'KNOWLEDGE HUB' IN MATHEMATICS VIA WEBEX 14.08.2025 & 11.09.2025

Grade VIII students of our school organized a virtual Knowledge Hub session focused on Mathematics, using the Webex platform. The initiative aimed to promote peer learning, creativity, and deeper understanding of mathematical concepts through interactive presentations and real-life applications.

The session, conducted entirely by the students, was divided into multiple segments, each focusing on different areas of the Grade VIII curriculum—such as Algebra, and Mensuration. Students prepared and presented topics using digital tools, engaging animations, and problem-solving demonstrations, making the learning experience dynamic and enjoyable for everyone involved. One of the key highlights was the Math Quiz Challenge, which encouraged participation from students across all sections. Hosted live on Webex, the quiz tested logical reasoning, and conceptual understanding in a competitive manner.

Teachers and parents who attended the session appreciated the students' confidence, clarity, and creative approach. The event not only strengthened mathematical skills but also enhanced communication, teamwork, and digital presentation abilities. The success of this virtual Knowledge Hub stands as a testament to the power of student-led learning. Congratulations to all the participants and the mentoring teachers for making this event a memorable one!

STUDENTS PRESENT ON 'THE LEADER IN ME' – EMPOWERING YOUNG MINDS

As part of our ongoing efforts to nurture leadership and life skills, our students recently delivered an inspiring speech on The Leader in Me program to the delegations. The presentation highlighted how the 7 Habits are helping students become more responsible, confident, and goal-oriented individuals.

During the recent visit by esteemed delegations, our students confidently spoke about the Leader in Me concepts, sharing their personal experiences and growth within the framework. With clarity and enthusiasm, they explained how the 7 Habits have helped them build leadership skills, take responsibility, and work collaboratively both in and out of the classroom. Their real-life examples and reflections highlighted the positive impact of the program on their academic and personal development, effectively promoting the value of Leader in Me to the visitors. The delegations were deeply impressed by the students' communication skills, confidence, and genuine understanding of leadership principles.

HONORING TRADITION THROUGH ART NAVARATRI CELEBRATION 2025-26

As Part Of Our Navaratri Celebrations, Our School Proudly Displayed A Beautiful Golu Arrangement, Showcasing A Vibrant Collection Of Dolls And Figurines That Reflect Our Rich Cultural Heritage. Students And Staff Came Together To Set Up The Traditional Steps. This Festive Initiative Not Only Brought Joy And Creativity Into Our School Environment But Also Helped Instill A Deeper Appreciation For Tradition And Teamwork Among Students.

Golu Tradition At Our School

Every year, our school organizes the Navaratri Golu, beautifully arranged by Mrs. Santhi, Librarian, with the dedicated support of the Golu Committee members

Daily Pooja & Bhajans

For all nine days, the school resonates with devotion through Pooja, Prasadam, and Bhajans.

Prasadam: Each day, 2–3 teachers take responsibility for preparing and distributing it.

Bhajans: Led by our Senior Principal Sir, staff, and students, filling the atmosphere with divine energy.

Story Writing Competition

A highlight of our celebrations is the Navaratri Story Writing Competition is conducted annually to inspire creativity among students. Over the past 4 years, more than 400 junior authors have been nurtured through this platform.

HONORING TRADITION THROUGH ART

NAVARATRI CELEBRATION 2025-26

VIJAYADASAMI CELEBRATIONS:

On this auspicious day, we invite our newly admitted students to take part in the Aksharabhyasam (initiation to learning) ceremony, symbolizing a blessed beginning to their educational journey.

A child writing the first letter during Aksharabhyasam. On this special occasion our school dignitaries had come and graced the occasion by making the toddlers to begin their first letter of their education.

Message of the Festival

Navaratri celebrations at our school not only uphold our cultural traditions but also foster a sense of devotion, unity, and creativity among our students and staff. May Goddess Durga bless us all with knowledge, wisdom, and prosperity!

NICE EDUCATION FOR COMMUNICATION (2025-2026)

Name of the Faculties : Ms. S.Sudha and Ms.S Neha

VISION:

The vision for Communicative English for students is to empower them with the confidence and skills to communicate effectively in diverse settings. By focusing on practical language use, critical thinking, cultural awareness, and technological integration, students will be equipped to express themselves fluently, think critically, and engage meaningfully in both personal and professional environments. This vision fosters lifelong learning, ensuring students remain adaptable in a globally connected world.

MISSION:

Our mission is to empower students with practical communication skills in English, enabling them to confidently express themselves in both personal and professional settings. Through interactive lessons, real-world scenarios, and immersive learning experiences, we aim to enhance students' listening, speaking, reading, and writing abilities. By fostering an environment of engagement and cultural awareness, we strive to build fluency, increase vocabulary, and improve pronunciation, helping students achieve success in global communication.

NICE EDUCATION FOR COMMUNICATION (2025-2026)

INTERACTION AND MONITORING THE STUDENTS DURING THE LEISURE HOURS:

Encouraging the students to speak in English and to enhance their communicative skills.. It enhances fluency, confidence, and vocabulary through real-time feedback and active engagement. Students become more comfortable expressing ideas, correcting errors, and interacting in English, fostering a more effective and supportive learning environment.

ENERGIERS:

To enable them to be interested in our classroom activities making students more willing to communicate in English. Quick activities refresh students' minds, preparing them to concentrate on language tasks. Encourage Participation: Energizers create a nonjudgmental space where students feel comfortable practicing speaking skills. Promote Peer Learning: Many energizers involve group work, encouraging collaborative learning and interaction in English.

NICE ENGLISH CORNER:

Every week NICE English corner was updated with vocabularies, phrases in advance English to help the students in the improvement of language in the school campus.

NICE INDIVIDUAL STAR SCORE BOARD: (BV2 to 1X)

To increase the competitive spirit among the students during the classroom.

NICE ENGLISH SPEAKER AND BATTALION BADGE: (BV2 to X)

The NICE English speaker badges were circulated daily and every week during assembly and classes respectively. Enhanced motivation- act as a tangible reward, encouraging students to actively use English. Increased Practice Opportunities: Students make a conscious effort to speak English, leading to consistent practice. Improved Fluency and Confidence: Regular use of English helps students overcome hesitation and develop better fluency. Peer Support and Collaboration: Students help each other improve to earn badges, fostering a supportive learning environment. Positive Competitive Spirit: A sense of healthy competition motivates students to strive for excellence in English communication.

PEPTALK

SKILL DEVELOPED: Improved Public Speaking Confidence: Students report reduced stage fright and stronger presentation skills. Self-Confidence Pep talks reinforce belief in one's abilities, helping students trust themselves and take bold steps forward. Positive Mindset They shift thinking from "I can't" to "I will," cultivating optimism and mental strength.

PRESS CONFERENCE

SKILL DEVELOPED: The press conference highlighted the transformative impact of the Communicative English program on student performance and confidence. Faculty presented data showing marked improvements in fluency, pronunciation, public speaking, and professional communication. Students shared personal success stories, including competition wins and job placements. A live demonstration showcased their speaking skills, followed by a Q&A session with the media.

NICE EDUCATION FOR COMMUNICATION (2025-2026)

PHRASAL VERBS

SKILL DEVELOPED: Learning phrasal verbs in communicative English improves students' fluency, listening, vocabulary, writing, reading, and confidence. These skills help learners understand native speech, express ideas naturally, and engage effectively in real-life conversations.

WATCH AND SPEAK

SKILL DEVELOPED:

1. Fluent Speaking – Students narrate and discuss scenes confidently.
2. Contextual Understanding – They grasp tone, setting, and character dynamics.
3. Analytical Thinking – Learners interpret plot, themes, and emotions.
4. Expressive Delivery – Voice modulation and body language improve.
5. Collaborative Skills – Group interaction enhances teamwork and dialogue.
6. Cultural Insight – Exposure to English drama deepens cultural and literary awareness.

STAR OF THE WEEK

BUILDING CONFIDENT COMMUNICATORS:

Our Star of the Week program continues to shine as a platform to nurture students' communication skills. Each week, a student is given the spotlight to share about themselves, express their thoughts, and participate in class activities with added confidence. This initiative not only boosts self-esteem but also encourages active listening, clear speaking, and respectful interaction — key elements of effective communication.

DEPARTMENTAL EXCELLENCE:

FROM THE DEPARTMENT OF ENGLISH

Essay writing Competition

In the month of August 6th an essay writing competition was conducted by Tata Consultancy Groups under the name Tata Building India competition in two levels from grade VI to XII. Totally 95 students participated, and three students from each level won Medals and certificates in the school-level competition.

FROM THE DEPARTMENT OF HINDI

Our school takes great pride in sharing that our students are given special training to appear for DAKSHIN BHARAT HINDI PRACHAR SABHA exams by our school Hindi faculties, and have made them get through the exams (Parichaya, Prathmic, and Madhyama).

FROM THE DEPARTMENT OF TAMIL

The art, literature, and speech competitions organized by the Sivaneya Peravai were held on 13.07.2025 at 10:00 a.m., and the results were announced. 46 students participated in the painting competition, and 47 students took part in the fancy dress competition.

FROM THE DEPARTMENT OF LIBRARY

YOUNG AND BUDDING AUTHORS AT SAIRAM VIDYALAYA

Our Sairam school has conducted the young story writers competition titled "NATIONAL YOUNG AUTHORS' FAIR, INDIA" organised by BRI-BOOKS. The students' creativity, imagination, and ability to weave captivating narratives are truly inspiring. Through their words, they have shown an incredible ability to explore different worlds, characters, and emotions, often reflecting their unique perspectives and experiences.

It's heartening to see such young minds engaging in the art of storytelling, showcasing not only their writing talent but also their critical thinking and creativity. Their work demonstrates the power of language and how it can bring ideas to life, evoke emotions, and spark conversations.

Incharge : Ms. M. Shanthi

Achievements and Activities (30.08.2025 – 15.09.2025)

1. Bri -Book Publications

From 30th August 2025 to 15th September 2025, ten student books were published through Bribook Publications.

Maatheesh (Class 6) and Kamali (Class 10) won the Gold Star Design Award with State Level Winner Certificates.

Note: In the past 4 years, 62 students' books have been published through Bribook Publications.

Totally (2021–2026): 72 books have been published by our students via Bribook Publications.

2. Drawing Achievements

Hema Shree (Class 6) received a Certificate of Merit for drawing performance from Arunthamil Kalaik Kazhagam Mandram, Manavar Ullam.

Her photo was published in Dhinamalar newspaper and Nanganallur Times for best drawing performance.

Ariun Ramasamy (Class 5) was listed among winners in the Code Competition, published in Kids Punnagai Magazine (April 2025).

3. Special Achievement

Sarvadhayini. R (Class 1) received a cash award of Rs. 250 (cheque) along with crayons and one Children's Magazine.

Her photo and drawing were also published in the August 2025 edition of Children's Magazine.

The library continues to encourage creativity, reading habits, and knowledge-sharing among students through regular activities and achievements.

S.K. Aadhithya of Class II has had his painting published in the September 2025 issue of The Children's Magazine.

He received a cheque of ₹100, a copy of the magazine, and a packet of crayons as a token of appreciation.

FROM THE DEPARTMENT OF LIBRARY

STUDENTS EXCEL IN SOF OLYMPIADS (2024-25)

We are proud to announce that our students have actively participated in various SOF Olympiads, including the Science, Mathematics, and English Olympiads, and have returned with remarkable achievements and merit certificates. Their outstanding performance is a reflection of their hard work, academic excellence, and keen interest in competitive learning beyond the classroom. Many students secured top ranks at the school, zonal, and international levels, bringing great pride to the institution. Totally 330 students participated and 49 students secured Gold Medals. These accomplishments are a testament to their dedication and the continuous support and guidance provided by our teachers. We congratulate all the participants and achievers for their commitment to excellence and wish them continued success in future Olympiads.

Incharge : Ms. Jayanthi

79TH INDEPENDENCE DAY AT SAIRAM COLLEGE.

On this glorious 79th Independence Day, Sairam Institutions bow in reverence to the indomitable spirit of our motherland, a spirit forged in sacrifice, strengthened by unity, and propelled by progress. On this significant day, **Sairam Institutions created history by entering the Guinness World Records** for donating the **longest national flag** as a tribute to the nation, showcasing an extraordinary expression of patriotism. This remarkable achievement not only reflects the institution's unwavering love for the country but also instills a deep sense of pride among the students. As proud bearers of the longest flag, the students actively participated in this momentous event, feeling honored to contribute to a record-setting initiative that celebrates the spirit of unity and national pride. This day is not only a celebration of our nation's hard-earned freedom but also of our freedom to dream fearlessly, innovate boldly, and build a brighter tomorrow. At Sairam, we are not just keeping pace with the nation's progress... we are driving it forward, for the glory of India.

Together We Can !!! Together As One !!! Jai Hind!

SPORTS AND ACHIEVEMENTS

INTERSCHOOL COMPETITIONS

In the recently held Sairam Group of Institutions Interschool Sports Competition, students of Sairam Vidyalaya showcased their talent and excellence by winning numerous prizes across various events. Their outstanding performance reflected their dedication, creativity, and competitive spirit, bringing pride and recognition to the school.

KARATE - INTERNATIONAL LEVEL WINNER

Our student S.SHRIYAH of GRADE XI achieved a remarkable victory at the international level in the Karate championship, held at Sri Lanka, securing the first prize along with medals and a sports cycle as a reward. This proud achievement highlights the student's dedication, discipline, and excellence in martial arts, bringing great pride to our school.

NATIONAL LEVEL SILAMBAM COMPETITION

Students from both the Primary and Middle Wings proudly represented our school in a national-level competition, showcasing their talents across various events. Their outstanding performances earned them several prizes and a prestigious shield, reflecting their hard work, confidence, and competitive spirit. This remarkable achievement is a testament to their dedication and the constant support and guidance of their teachers.

COMMUNICATION DEVELOPMENT PRACTICES AT OUR SCHOOL

To enhance communication skills among students, our school has implemented a series of innovative and structured activities. Below is a detailed report of the initiatives undertaken:

1. ROLLER ASSEMBLY BY STUDENTS:

Students conduct assemblies on a rotational basis, encouraging public speaking and teamwork.

2. BOOK REVIEWS:

Students who borrow books from the library will give a book review in the assembly which helps them develop analytical thinking and presentation skills.

3. THIRUKKURAL RECITATION WITH MEANING:

Delivering Thirukkural couplets with their meanings promotes cultural awareness and linguistic skills.

4. SIGNIFICANCE SHARING:

Students share the significance of the day, week, or month during assemblies, fostering research and articulation abilities.

5. NEWSPAPER READING ACTIVITIES:

Regular vocabulary enhancement sessions are conducted through newspaper reading and discussions.

COMMUNICATION DEVELOPMENT PRACTICES AT OUR SCHOOL

6. LESSON ENACTMENTS:

Students enact scenes or themes from lessons, helping them improve expression, comprehension, and vocabulary.

7. ENGLISH CLUB ACTIVITIES:

The English Club conducts applied grammar sessions, making learning interactive and practical.

8. NICE EDUCATION PROGRAM:

A special initiative by the management ensures communication skills are accessible to all through professional guidance.

9. WEEKLY ACTIVITIES:

Diverse activities are organized every week to sustain interest and engagement among students.

10. READATHON AND QUIZ PROGRAMS:

Readathons, quizzes, and activity-based classes foster enthusiasm and a competitive spirit.

11. RECOGNITION OF ACHIEVEMENTS:

Winners of competitions are rewarded with trophies, medals, and certificates during assemblies, boosting confidence and motivation.

12. "A DAY A WORD" INITIATIVE:

A board displaying a new word daily helps students expand their vocabulary effectively.

13. PARTICIPATION IN EXTERNAL COMPETITIONS:

Students are encouraged to participate in inter-school competitions, gaining exposure and practical communication experience.

14. PICTURE STORY NARRATION:

Activities involving narrating stories based on picture sequences improve imagination and coherence in storytelling.

15. GOOGLE CLASSROOM COMMUNICATION PLATFORM:

The school leverages Google Classroom to facilitate collaborative learning, enabling students to practice communication digitally.

16. STAR OF THE WEEK/MONTH:

Certificate and prizes will be awarded to the students who converse in English with everyone in and out of the Classroom and their photos have been displayed in the notice board that will encourage and inspire other students.

17. TRAINING PROGRAM FOR TEACHERS:

Special communication development programs for the teachers are conducted by the NICE EDUCATION staff to sharpen the saw of our campus language.

18. RISE TO THE OCCASION:

It is from the department of the library. Our students have clinched the challenging event, the competition of writing books conducted by the BRIBOOKS event National Young Authors' Fair India. This is exclusively conducted for the YOUNG WRITERS FOR YOUNG READERS.

19. COLORFUL FEATHERS ON THE CAP:

It is a happy moment to share the victory of our young writers into young authors whose books got recognized and published. In the years 2022-23 and 2023-24, 25 books were published and in the current academic year 2024- 25 10 books have been published till date. This academic year also students are performing with stunning art of creativity and imagination.

COMMUNICATION DEVELOPMENT PRACTICES AT OUR SCHOOL

20. STORY TELLING COMPETITION:

To exhibit students' creativity, confidence, and art of delivering, our school is organizing a Storytelling Competition where the four aspects of communication are well developed.

These efforts collectively ensure a comprehensive development of students' communication skills, making them confident and effective communicators. Regular monitoring and feedback mechanisms will further strengthen these initiatives.

21. ESSAY WRITING COMPETITION:

Students participated in the essay writing competition, conducted by the TCS groups under the event TATA BUILDING INDIA." 95 students participated and 6 students won the medals and certificates for their best performance, another milestone in the path of communication enhancement.

AWARD WINNERS -TEACHERS

We are proud to announce that our dedicated teachers have been honored with the prestigious Award for their outstanding excellence in academics. Their exceptional efforts in guiding students to achieve great excellence in board exams and other achievements in school, have brought great recognition to our institution. This award is a testament to their unwavering commitment, expertise, and passion for nurturing talent and academic brilliance. We extend our heartfelt congratulations and deep appreciation to our teachers for their remarkable contributions to our students' success.

- **Ms. J. JOSEPHIN PADMAVATHY - Teacher of EVS** has received the GLOBAL SUSTAINABILITY AWARD - GOLD for SDG GOAL NO, 8 at New Delhi on 13.12.2024.
- **Dr. MEENARAJAN – Vice Principal** has received The Best Teacher Award from MADRAS GOLDEN CITY ARIMA SANGAM at HOTEL RAMADA PLAZA on 07.09.25 for the year 2025-2026.
- **Ms.DHARANI. K, Teacher of Maths** has received "ACHARYA MANI" - The Best Teacher Award from CSSC South Zone Cluster AT BHAVANS RAJAJI VIDYASHRAM, KILPAUK GARDENS on 13.09.2025.
- **Ms. MAHALAKSHMI, Teacher of Tamil**, has received The Best Teacher Award 2025-2026 from CSSC Zone 4 South Cluster at D.A.V PUBLIC SCHOOL, VELACHERY on 16.09.2025

- **Ms. PRIYA M, Teacher of Computer Science**, has received "ACHARYA 2.0" SUDHIR KUMAR SURANA AWARD AT JAIN PUBLIC SCHOOL, THIRUMUDIVAKKAM on 25.09.2024
- **Ms. EZHIL SABARI, Teacher of Science and Ms. JAIN CHRISTY, Teacher of Tamil** have received VELS TEACHERS EXCELLENCE AWARD from VELS UNIVERSITY PALLAVARAM on 19.09.2025

AWARD WINNERS -TEACHERS

BOARD PROTOCOL

Our school recently conducted a series of teacher training programs aimed at enhancing teaching skills and promoting innovative classroom practices. Sessions included thorough instruction on board protocols, ensuring that our educators are aligned with the latest school guidelines and standards for smooth operations. Additionally, teachers received hands-on training on using AI tools in the classroom, empowering them to incorporate technology effectively for a more engaging and personalized learning experience.

INAUGURATION- MONTESSORI TRAINING PROGRAM

Date of Event: 3rd October 2025

Venue: Sairam Vidyalaya Senior Secondary School

Organized by: Dignitaries of Sairam Group of Institutions

Coordinator: Ms.J.Georgina Jenifer

In a significant step toward enhancing early childhood education, our school inaugurated a One-Year Montessori Training Program on 3rd October 2025. The program aims to equip educators with the principles, practices, and methodologies of the Montessori system, fostering a child-centered and holistic approach to teaching and learning.

Dignitaries Present:

The inauguration was graced by esteemed educationist and author Ms. Kalaivani Suresh, who formally inaugurated the training program. Her insightful address highlighted the essence of Montessori education, emphasizing the importance of nurturing independence, curiosity, and creativity in children during their formative years. The ceremonial lighting of the lamp was conducted by Mr. Naresh, Chief Information Officer (CIO) of Sairam Group of Institutions, symbolizing the beginning of a journey toward enlightenment and transformation in educational practice. The session also featured a detailed presentation on the benefits of the Montessori training program, delivered by our CSO sir and connoisseur sir in early childhood education. They outlined how the training will empower educators to create a learning environment that respects each child's pace, encourages hands-on exploration, and cultivates a love for learning.

Program Highlights:

- Duration: 1 Year
- Focus: Montessori philosophy, curriculum areas, classroom management, and child psychology
- Target Participants: Teachers and aspiring Montessori educators
- Outcome: Certified Montessori training completion to enhance teaching effectiveness and career development

This initiative reflects our school's commitment to educational excellence and innovation. We believe this program will not only enhance the skills of our educators but also bring long-term benefits to our students by providing them with a nurturing, stimulating, and appropriate learning environment.

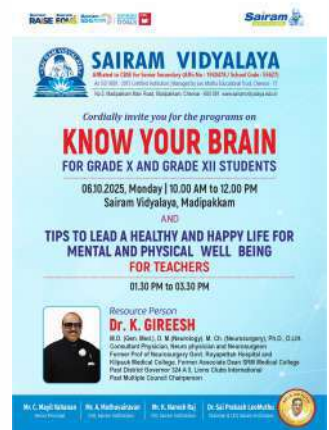

iMAC TEACHER TRAINING PROGRAMME AT SAIRAM ENGINEERING COLLEGE

In a bid to enhance the quality of education and foster the professional growth of our educators, a two day comprehensive iMac Teacher Training Programme was conducted on 03.10.25 and 04.10.25 at Sairam Engineering College. This training programme was exclusively arranged by Mr.Naresh Sir,the Chief Information Officer, Sairam Group of Institutions. This awareness-driven initiative focused on upgrading teachers' skills to better serve both the institution and its students. The program included hands-on training sessions, detailed modules, and assessments to ensure a thorough understanding of the topics covered. Participants actively engaged in practical exercises designed to improve teaching methodologies and integrate innovative approaches in the classroom. Upon successful completion of the training and tests, certificates were awarded to the attendees, recognizing their commitment to continuous professional development. This program marks a significant step towards empowering our teachers with modern tools and techniques to elevate the overall learning experience.

MOTIVATIONAL PROGRAMME FOR STUDENTS AND TEACHERS

On 6th October 2025, a Motivational Programme was conducted for both students and teachers, by the resource person Dr. K. Gireesh centered around the theme "Know Your Brain" and mastering effective work management techniques. The inspiring session emphasized the importance of maintaining mental sharpness and staying motivated amidst the demands of academic and professional life. Participants were introduced to practical strategies for managing their time efficiently, prioritizing tasks, and reducing stress. The interactive workshop encouraged everyone to adopt a proactive mindset, enabling them to balance their responsibilities with confidence and enthusiasm. This initiative not only energized the school community but also equipped them with essential skills to excel both inside and outside the classroom.
