Founder Chairman - Sairam Institutions

Sairam INSTITUTIONS

VISION

PEOPLE + PROCESS + PURPOSE = SUCCESS

At Sairam, we realize that the higher education sector is under significant pressure to adapt to the changing needs of the future. Institutions need to become more operationally efficient and effective, improve student outcomes, increase access to higher education, recruit and retain top faculty and researchers, and more.

Effective transformation in these areas requires an organization-wide strategic approach that seeks to improve and enhance organizational models, operating processes, technology, leadership, and talent models. We have adopted a 3Ps model of aligning People, Process and Purpose with the vision of the organization.

78th Baden-Powell Fellowship Event

HISTORIC GLOBAL RECOGNITION

FOR THE SAIRAM FAMILY @ SWEDEN

The Sairam Family achieved a proud international milestone at the **78th Baden-Powell Fellowship Gala Dinner in Stockholm, Sweden.**

The event was held under **the patronage of King Carl XVI Gustaf of Sweden**. Sairam was welcomed into The Chairman's Circle of the World Scout Foundation.

The recognition honoured Sairam's contribution to World Scouting and youth development.

- **Mrs. Revathi Sai Prakash** was honoured as a Baden-Powell Fellow.
- **Young Sai Samanyu LeoMuthu** received recognition as a Young Baden-Powell Fellow.
- **Dr. Sai Prakash LeoMuthu** represented the global service vision of Sairam Institutions.

The achievement reflects Sairam's commitment to humanity, leadership, and education.
Sairam thanked The Bharat Scouts and Guides for their continued support.
This recognition marks a proud moment for the entire Sairam Family.

77th Baden-Powell Fellowship Event
Kuala Lumpur

BADEN-POWELL FELLOWSHIP HONOUR

Dr. Sai Prakash LeoMuthu,
Chairman & CEO, Sairam Institutions has been conferred with the prestigious **Baden-Powell Fellowship (BPF)** from Mr. Beat Wenger in the presence of **His Majesty King Carl XVI Gustaf of Sweden**, the Honorary President of the World Scout Foundation in Kuala Lumpur, Malaysia.

CHAIRMAN'S MESSAGE

It gives me immense pride and happiness to share the remarkable journey of Sairam Institutions in nurturing young minds to become responsible, confident and compassionate global citizens.

The vision and values of Sairam have always extended beyond the boundaries of the classroom. My recent engagements with the World Organization of the Scout Movement (WOSM) and the World Scout Foundation in Geneva, Switzerland, New York City, and Kuala Lumpur, Malaysia, have provided meaningful opportunities to carry the spirit of Sairam to the global stage.

A particularly cherished moment in this journey was being honoured with the prestigious Baden-Powell Fellowship by the World Scout Foundation in Kuala Lumpur on 24 October 2025, in the distinguished presence of "His Majesty King Carl XVI Gustaf of Sweden, Honorary President of the Foundation." I humbly accept this recognition as a reaffirmation of our collective commitment to youth empowerment, leadership, service and global citizenship.

At Sairam, we believe that true education goes beyond academic achievement. It is about developing Character, Discovering Purpose, Serving Society and having the Courage to make a Positive Difference. Our initiatives continuously provide students with opportunities to transform their learning into meaningful action.

The SDG Global Village at the Tamil Nadu State Jamboree 2025 in Manapparai, Trichy District, is a wonderful example of this philosophy. Our Sairam Scouts creatively connected the principles of Scouting with the United Nations Sustainable Development Goals (SDGs), demonstrating how young people can contribute to building a sustainable and inclusive world.

I firmly believe that "Every child has the potential to become a leader." Our responsibility as educators is to provide the right environment, opportunities, values and encouragement for that potential to flourish.

As Sairam continues its journey from the classroom to the global arena, let us remain committed to nurturing young minds with courage, compassion, creativity, discipline and purpose. May our students grow into responsible leaders who not only dream of a better world but also have the knowledge, skills, and determination to create it.

Let us continue to inspire, empower, and lead—together building a brighter, more sustainable and inclusive future.

Sai Prakash Leo Muthu

Dr. Sai Prakash Leo Muthu
Chairman & CEO, Sairam Institutions

AT THE PINNACLE OF SUCCESS

A HISTORIC ACHIEVEMENT

A DATE TO REMEMBER

A Proud Moment For Sairam Institutions!

September 21, 2026 — A historic day for Sairam Institutions. On the International Day of Peace, our esteemed Chairman & CEO Dr. Sai Prakash Leo Muthu sir was conferred the prestigious Global Change Maker Award 2026 by the Sustainable Development Council, in association with Oxford.

This distinguished recognition celebrates his visionary leadership in education, institution building, and unwavering dedication to youth development. The award honours his commitment to empowering future generations through innovation, knowledge, and transformative educational initiatives.

A Moment of Global Recognition

The award was presented at the Second International Peace and Well-Being Congress 2026 at ITC Grand Chola, Chennai, bringing together global leaders and changemakers committed to sustainable development and peace-building.

Leadership That Inspires

Under his guidance, Sairam Institutions have become a beacon of educational excellence. His philosophy of nurturing academic brilliance, character, and global citizenship has shaped thousands of students into responsible leaders.

Pride, Prestige, and Progress

This accolade belongs to the entire Sairam family. It reinforces our institution's commitment to excellence and our role in shaping a better tomorrow. Our Chairman's award reflects the countless lives he has transformed and the positive change he continues to inspire.

"Education is not just about building careers; it's about building character and creating changemakers for a sustainable future."

Congratulations, Sir! The entire Sairam family stands proud today.

VISION & MISSION

VISION

"Academic Excellence through competencies".

We nurture the inherent potential and talent of each child and create lifelong learners, who will be the leaders of tomorrow. Our aspiration is to create global citizens who are innovative and have a strong sense of values

MISSION

In Sairam Vidyalaya, the First & Foremost aim is to give personalized and individualized attention to all the students. We offer an ambience where holistic development of a child is Blossomed. We train the students to develop thinking skills, inculcate values, foster cultural learning, enhance self-awareness and explore innate potential.

QUALITY POLICY

We, at Sairam Vidyalaya (CBSE) School, are Committed to build a better Nation through Quality Education, with Team Spirit. Our Students are enabled to Excel in all values of Life and become Good Citizens. We continually improve the System, Infrastructure and Services to Satisfy the Students, Parents and Society.

SENIOR PRINCIPAL'S DESK

Dear Students, Parents, Teachers, and Well-Wishers,

It gives me immense pleasure to share the vision and achievements of our school through this annual magazine. At Sairam Vidyalaya, we believe that education is not merely about Academic Excellence; it is about nurturing Confident, Responsible, Creative, Disciplined and Compassionate Individuals who are prepared to face the challenges of the future.

Holistic Development through Co-Curricular and Extra-Curricular Activities

We provide our students with abundant opportunities to discover their talents and develop their personalities beyond the classroom. Our students actively participate in NCC, Scouts, Sports, Skating, Karate, Silambam, Band, Music, Keyboard, Vocal Music, Yoga and several other activities. These programmes cultivate Discipline, Teamwork, Leadership, Physical Fitness, Creativity, Confidence and a Strong Sense Of Responsibility.

Creating Opportunities for Future Excellence

We are continuously expanding opportunities that prepare our students for higher education and emerging careers. Our Robotics and Foundation Courses, IIT-JEE and NEET coaching, Young Scientists Club and coaching for International Olympiads encourage curiosity, scientific thinking, innovation, and problem-solving skills. Our objective is to identify every student's potential and provide the right platform for them to excel.

Developing Responsible Global Citizens

Education must also prepare young people to contribute meaningfully to society. Through programmes such as the Sustainable Development Goals (SDGs), 7 Habits – Live Life Programme, Communicative English Programme, and Design for Change (DFC), we help students develop Life skills, Effective Communication, Empathy, Leadership, Creativity and a Commitment To Making A Positive Difference in the world.

Our Vision

Our journey is guided by one simple belief: **"Every Child has the Potential to Shine."** Our responsibility is to Provide the Environment, Opportunities, Guidance and Encouragement that enable each child to discover that potential.

As we look ahead, let us continue to work together—students, parents, teachers and management—to create a learning community where excellence is pursued, values are practised, innovation is encouraged and every child is empowered to make a difference.

I extend my heartfelt appreciation to our Chairman, Management, dedicated teachers, supportive parents and enthusiastic students for their continued commitment and contribution to the growth of our institution.

Let us learn. Let us innovate. Let us lead and finally Let us join together to make a difference.

With warm regards and best wishes,

Dr. C. Mayilvahanan

Senior Principal

Sairam vidyalaya Senior Secondary School

A Prestigious National Honour for Sairam Vidyalaya

Proudly Among "India's Top 10 Great Schools to Teach and Learn"

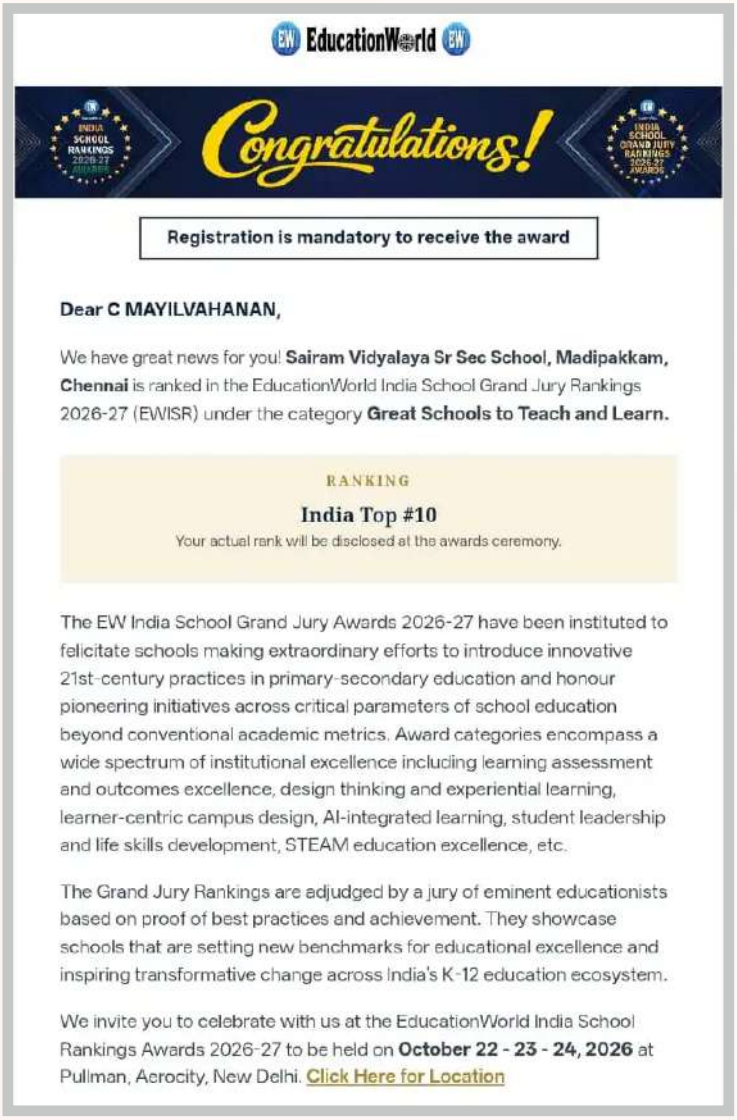

Sairam Vidyalaya Senior Secondary School, Madipakkam, Chennai, has earned a prestigious place in the EducationWorld India School **Grand Jury Rankings 2026–27 (EWISR)** under the category **"Great Schools to Teach and Learn."**

The school has been ranked among the India Top 10, recognising its commitment to innovative 21st-century educational practices, learner-centred teaching, experiential learning, student leadership, life skills development, STEAM education and academic excellence.

The EducationWorld Grand Jury Rankings honour schools that demonstrate outstanding best practices and set new benchmarks in education. This national recognition reflects Sairam Vidyalaya's continuous efforts to create an inspiring, progressive and enriching environment for both students and educators.

The final rank under Top 10 will be announced during the Education World India School Rankings Awards 2026–27, scheduled to be held from 22–24 October 2026 at Pullman, Aerocity, New Delhi.

A proud milestone in Sairam Vidyalaya's journey towards Educational Excellence!

EducationWorld

Congratulations!

Registration is mandatory to receive the award

Dear C MAYILVAHANAN,

We have great news for you! **Sairam Vidyalaya Sr Sec School, Madipakkam, Chennai** is ranked in the EducationWorld India School Grand Jury Rankings 2026-27 (EWISR) under the category **Great Schools to Teach and Learn.**

RANKING

India Top #10

Your actual rank will be disclosed at the awards ceremony.

The EW India School Grand Jury Awards 2026-27 have been instituted to felicitate schools making extraordinary efforts to introduce innovative 21st-century practices in primary-secondary education and honour pioneering initiatives across critical parameters of school education beyond conventional academic metrics. Award categories encompass a wide spectrum of institutional excellence including learning assessment and outcomes excellence, design thinking and experiential learning, learner-centric campus design, AI-integrated learning, student leadership and life skills development, STEAM education excellence, etc.

The Grand Jury Rankings are adjudged by a jury of eminent educationists based on proof of best practices and achievement. They showcase schools that are setting new benchmarks for educational excellence and inspiring transformative change across India's K-12 education ecosystem.

We invite you to celebrate with us at the EducationWorld India School Rankings Awards 2026-27 to be held on **October 22 - 23 - 24, 2026** at Pullman, Aerocity, New Delhi. Click Here for Location

ADVENT OF THE YEAR

Inaugural of APPLE CREATORS LAB

Our School proudly inaugurated its Apple Creators Lab, a modern learning space created to promote creativity, innovation and digital learning among students.

The lab was inaugurated on 26th October 2026 by Shri. Saiprakash Leo Muthu, Chairman & CEO of Sairam Institutions.The occasion began with a warm and cheerful welcome by the young children of our school.

After the inauguration, our Chairman & CEO visited the lab and observed students actively using Apple iPads and digital applications for learning, presentations, creative activities and collaborative tasks.

The Apple Creators Lab enables students to develop skills in digital storytelling, designing, coding, multimedia creation, research, communication and problem-solving. Shri. Saiprakash Leo Muthu appreciated the students' enthusiasm and encouraged them to use technology creatively and responsibly.

The lab marks an important step towards future-ready, technology-integrated education, empowering students to imagine, create, explore and learn.

Preface from the Editors' Board

Dear Students,Parents and Mentors,

It is with great pleasure that we present to you the latest edition of the Sairam Vidyalaya School Magazine—a celebration of our students, their accomplishments, and the many experiences that make our school community truly vibrant.

Each edition of our magazine is a ***reflection of the spirit of Sairam Vidyalaya: a spirit rooted in Learning, Discipline, Creativity, Perseverance and a Strong Sense of Community.*** *This issue brings together a collection of significant events, memorable moments, and noteworthy achievements that have shaped another enriching year in the life of our school.*

Beyond academic excellence, our students have continued to distinguish themselves through their participation in sports, cultural activities, co-curricular pursuits and various initiatives that encourage leadership, collaboration and social responsibility. Their achievements remind us that education is not confined to the classroom; it is a ***continuous journey of discovering talents, developing character, embracing challenges and striving for excellence.***

We extend our sincere appreciation to our dedicated teachers and staff, whose guidance and commitment continue to inspire our students. We are equally grateful to our parents for their unwavering encouragement and support. Most importantly, we commend our students, whose enthusiasm, determination, and accomplishments give meaning to every endeavour undertaken by our school.

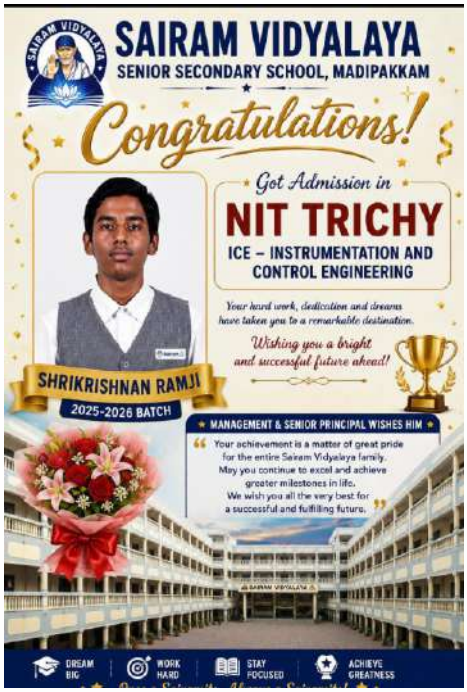

As you turn the pages of this edition, we invite you to revisit the events and experiences that have made this year memorable. May these pages serve not merely as a record of the past, but as a reflection of the values, aspirations, and collective spirit that continue to guide us forward.

We hope you enjoy reading this edition as much as we have enjoyed bringing it together.

Warm Regards

Associates of Editor Board

Acclamation of Achievement (2025-2026)

We are delighted to celebrate the remarkable academic achievement of our students who have secured admission to the **National Institute of Technology (NIT)**, and new courses like **Mechatronics programme with a specialization in Robotics.**

This accomplishment marks a significant milestone in their academic journey and reflects their dedication, perseverance, and enthusiasm for emerging technologies. The field of **Mechatronics, with its integration of Mechanical Engineering, Electronics, Automation and Robotics** represents one of the most dynamic areas of modern engineering and innovation.

Their entry into a prestigious institution such as NIT is a testament to their academic excellence and determination to pursue challenging and future-oriented fields of study. With robotics and intelligent automation transforming industries across the globe, our students are now poised to explore new possibilities and develop innovative solutions for the future.

We take immense pride in their achievement and extend our appreciation to the dedicated faculty whose guidance, mentoring, and encouragement have played an important role in nurturing their aspirations.

As they embark on this exciting new chapter, we wish our students continued success as they **innovate, create, and shape the technologies of tomorrow.**

ACADEMIC EXCELLENCE

Cracking NEET & JEE Exams

Building Futures

SENIOR SECONDARY WING

At Sairam Vidyalaya, Senior Secondary Wing, our endeavour is to create an enriching learning environment where students excel academically while growing into confident, responsible, and future-ready individuals.

With a strong academic foundation, we provide structured JEE and NEET-oriented classes from Classes IX to XII. Beginning early enables students to develop conceptual clarity, analytical thinking, problem-solving skills, and confidence without the pressure of last-minute preparation. Our consistent efforts have yielded encouraging results, with around 10 students securing admissions to IITs and NITs and 5–10 students progressing to medical and paramedical courses every year. These achievements reflect the dedication of our students, teachers, and supportive parents.

Our focus, however, extends beyond examination results. Competitive-exam preparation nurtures perseverance, discipline, accuracy, resilience, and independent thinking—qualities essential for lifelong success.

As education evolves, our Apple Classrooms are ready to usher in a new era of technology-enabled learning. These spaces will make learning more interactive, collaborative, engaging, and experiential, empowering teachers and students to explore concepts through innovative digital tools.

We take pride in preparing our students not merely for JEE, NEET, CUET, and board examinations, but for a rapidly changing world. With strong academics, technology, innovation, dedicated teachers, and parental support, we continue to shape learners who are knowledgeable, confident, adaptable, and future-ready—ready to learn, lead, and shine.

15th Spectacular ANNUAL DAY

A Kaleidoscope of Talent, Triumph and Togetherness

"Where talent takes the stage, dreams find their voice and memories are made to last!"

Sairam Vidyalaya Senior Secondary School, Madipakkam, celebrated its 15th Annual Day with great enthusiasm, pride and festive spirit. The much-awaited celebration brought together the Management, Principal, staff, students, parents and well-wishers in a vibrant celebration of the school's achievements and the talents of its young learners.

The Annual Day was not merely an event—it was a grand celebration of learning, creativity, achievement and school spirit. The campus came alive with an atmosphere of excitement as students showcased their confidence, creativity and multifaceted talents.

"Vision at the helm, excellence on stage!"

The celebration was honoured by the presence of Dr. Sai Prakash Leo Muthu, Chairman & CEO, Sairam Institutions, whose inspiring vision and leadership continue to shape young minds and nurture excellence. Mr. K. Naresh Raj, Chief Information Officer, Sairam Institutions, presided over the function, adding grace and distinction to the memorable occasion. The presence of Mr. RJ Vijay, Radio Jockey, Actor and Anchor, as the Chief Guest further elevated the celebration as he graciously distributed the prizes and applauded the achievements of our young stars.

Principal, Staff and Students

THANK

Igniting Young Minds

The 8th Inter-School Sairam Science Exhibition

Fostering Curiosity and Innovation : On Friday, 23 January 2026, the school campus of Sairam Vidyalaya Sr Sec School, Madipakkam, Chennai, came alive from 9:30 AM to 1:00 PM as it hosted the prestigious 8th Inter-School Sairam Science Exhibition. Designed to encourage scientific curiosity, creativity, and practical problem-solving, the event provided a vibrant platform for budding innovators to bridge classroom theory with real-world applications through working models, live demonstrations, and inventive projects.

Dignitaries and Inauguration : The exhibition was graced by an esteemed panel of Chief Guests who commended the students' ingenuity and passion:

- Ms. Anurita Nidhi Hemrom, Scientist-C / Deputy Director, Bureau of Indian Standards
- Mr. K. Naresh Raj, Chief Information Officer, Sairam Institutions
- Dr. A. Rajendra Prasad, Dean (Student Affairs), Sairam Institutions

Their presence and insightful interactions inspired the participants to align their creative ideas with national standards and sustainable technological growth.

A total of 504 students from 9 schools presented 168 distinct science exhibits, maintaining a uniform collaborative ratio of three students per project

16th Year of Sporting Spirit

Annual Sports Day

The sprawling grounds of Sairam Vidyalaya resonated with thunderous cheers, rhythmic marching, and unmatched sporting fervor as the school celebrated its 16th Annual Sports Meet 2026 across two action-packed days on July 17 and 18, 2026

Day 1: Little Champions in Action (Bv1 to Grade V)

The opening day belonged to the energetic primary wing. The event was graced by Mr. D. Suresh Babu, acclaimed Tennis Coach and National Level Player active on the AITA & ITF Senior Tour.

16th Year of Sporting Spirit

16th Year of Sporting Spirit

Annual Sports Day

Day 2: Power, Precision, and Glory (Grades VI to XII)

The excitement scaled new heights on day two as the senior students took to the arena. The school welcomed distinguished Chief Guest Mr. Vinodh Gnanasekaran, International Table Tennis Player and Chief Ticket Inspector/Incharge, Chennai Egmore Southern Railway.

16th Year of Sporting Spirit

6th Sai Inter School Sports Meet 2026

The 6th Sai Inter School Sports Meet 2026 was held on 31st July 2026 at the Sairam Engineering College campus with great enthusiasm and sportsmanship. The event brought together young athletes from various schools, providing them with a wonderful platform to showcase their talent, confidence, and team spirit. A total of 86 students from our school participated in different sports events and displayed remarkable energy, discipline, and determination. The participants competed with great enthusiasm and proved their abilities through their impressive performances. Their dedication and consistent practice were reflected in the way they took part in each competition. The students achieved success in various events and brought pride to the school by winning competitions. Certificates were awarded to the winners in recognition of their excellent performance and active participation.

Montessori Training Programme

Empowering Teachers, Enriching Futures

Our school takes immense pride in celebrating the successful completion of its First Batch of the Montessori Teacher Training Programme, an initiative aimed at nurturing competent, confident, and compassionate educators.

Designed around child-centric and activity-based learning, the programme provided aspiring teachers with hands-on exposure to essential Montessori methodologies and practices. The training covered key areas such as Practical Life Activities, Sensorial Training, Language Development, Mathematics, Cultural Studies, Phonetics, Classroom Management, and Child Psychology, equipping trainees with the knowledge and skills required to create engaging and meaningful learning experiences for young learners.

The first batch witnessed the enthusiastic participation of 15 dedicated trainees. A significant achievement of the programme is that 9 of the 15 trainees have been successfully appointed as teachers in Sairam Vidyalaya and other reputed schools. This remarkable outcome reflects the quality, relevance, and effectiveness of the training imparted.

Inspired by the success of the first batch and the encouraging response received, the Second Batch has commenced with 12 enthusiastic trainees, marking another step forward in our endeavour to strengthen the foundation of quality early childhood education.

DESIGN FOR CHANGE
Leadership Perspectives

Conglomeration

Awakening Minds,
Shaping a New Tomorrow

Conglomeration is a vibrant platform that brings students and teachers together to exchange ideas, explore diverse perspectives, and engage in meaningful dialogue on thought-provoking topics. Students are encouraged to view subjects from different dimensions, express their opinions confidently, and learn from one another.

Depending on the theme, Conglomeration may take the form of interactive discussions, debates, or PowerPoint presentations, strengthening students' critical thinking, communication, presentation, and collaborative skills.

Ms.Dharani.K,
PGT-Maths

DESIGN FOR CHANGE
Leadership Perspectives

Making Learning Visible

Student Voice of confidence

Learning becomes truly meaningful when students get the opportunity to express, explain, reflect, and share what they have learnt. As part of this initiative, students took the lead in presenting lessons before their parents and teachers, transforming the classroom into a platform for confident communication and active learning.This activity is conducted for all grades on the regular weekly schedule.

DESIGN FOR CHANGE
Leadership Perspectives

Student-Led Conference

From Learning to Leadership

The Student-Led Conference is a distinctive academic initiative that transforms students from passive learners into confident presenters, analytical thinkers, and facilitators of knowledge. The programme provides students with an opportunity to take ownership of their learning by preparing and presenting a selected topic in depth.

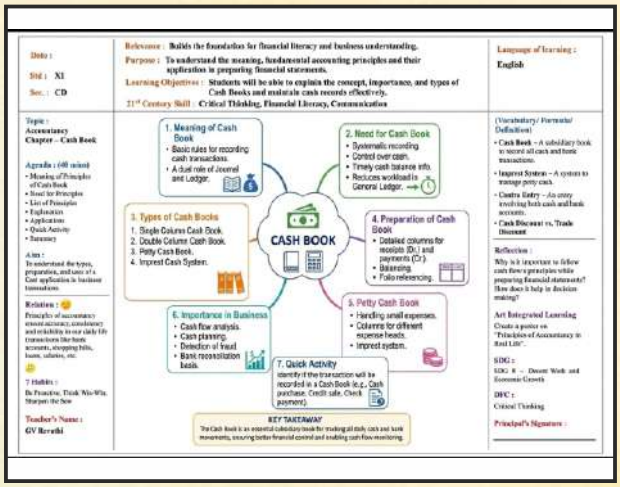

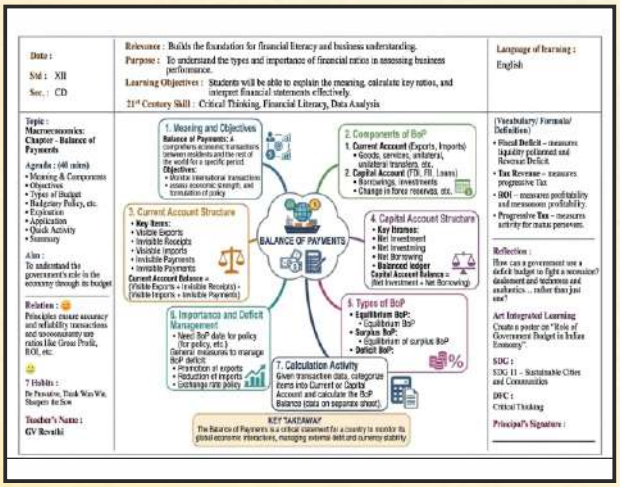

Ms.S.Mahalakshmi,
Academic Coordinator,
Secondary Wing

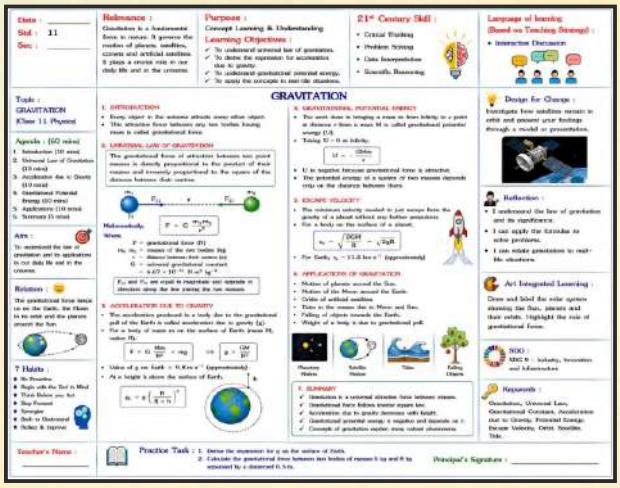

Board Protocol

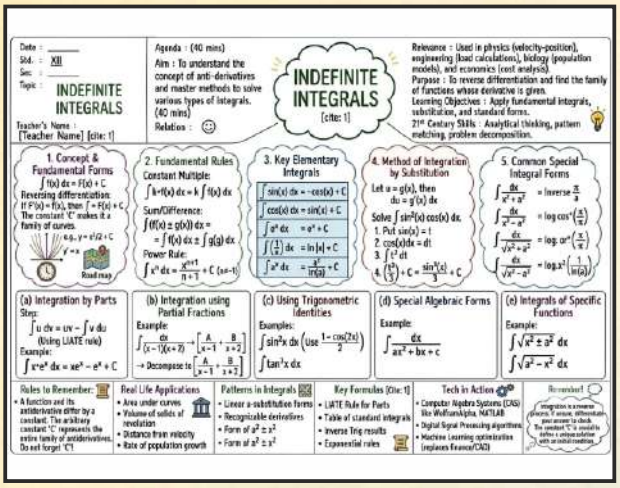

As part of our Design for Change (DFC) initiatives, the school has introduced Board Protocol, a structured and visually enriched approach to classroom teaching. The Board Protocol serves as a visual lesson plan on the classroom board, presenting the essential components of a lesson in a clear, organised, and student-friendly manner.

The protocol brings together the key concepts, learning objectives, important vocabulary, activities, values, learning outcomes, reflection points, and other significant aspects of the lesson in one visual space. This enables students to understand the direction of the lesson and retain the essential content more effectively. Board Protocol therefore goes beyond conventional board work. It transforms the classroom board into a **dynamic learning canvas**, making every lesson purposeful, visible, organised, and learner-centred.

Leadership Perspectives

Wing-wise Roller Assembly

The Wing-wise Roller Assembly is an innovative initiative designed to provide every student with an opportunity to participate actively in the school assembly. Conducted on a rotational basis, the assembly ensures inclusive participation across all wings, with students taking responsibility according to their allotted slots.The assembly is thoughtfully structured to make the morning gathering informative, purposeful, and engaging. Each session integrates academic enrichment with values, awareness, and personal development.

Ms.Kanakalakshmi.I.
Academic Coordinator, Primary Wing

DESIGN FOR CHANGE
Leadership Perspectives

Congenial Activity

A Space to Share, Listen and Connect

The Congenial Activity is a motivational and interactive session conducted every afternoon from 12:50 p.m. to 1:10 p.m. by the Senior Principal and Academic Coordinators. Conducted online through the smart boards in the classrooms, it enables students across the respective wings to participate actively.

The sessions focus on motivating students, appreciating their achievements, highlighting important days and weeks, and creating awareness about meaningful topics and values. Students are encouraged to share their thoughts, opinions, ideas, and experiences, while also developing the valuable habit of listening attentively.

Ms.J.Uma Shankari,
Academic Coordinator, Preprimary wing

DESIGN FOR CHANGE
Leadership Perspectives

Month End Celebration

Behind every confident child is perhaps a child who once doubted themselves.
Behind every raised hand is a voice that once trembled.
Behind every success is a journey of mistakes, struggles, encouragement, and second chances.

And through that journey, there is always a teacher—

A teacher who believes when the child cannot believe in themselves, who encourages when they feel like giving up,who patiently says, "You can do it," until the child finally believes it too.

The greatest transformations rarely happen overnight. They happen quietly—in a kind word, an extra explanation, a reassuring smile, a gentle correction, and in a teacher who chooses to believe one more time.

Ms. P. Vanishree,
Academic Coordinator, Middle wing

DESIGN FOR CHANGE

File Follow Up

A Culture of Learning from Mistakes

Assessment is not merely a means of measuring student performance; it is an opportunity to learn, reflect, and improve. At our school, we have adopted a systematic File Follow-Up Work practice for every assessment, ensuring that each examination becomes a meaningful learning experience.

For every assessment, students carefully preserve their answer scripts, question papers, and admit cards in a dedicated file. Once the evaluated answer scripts are returned, students review their performance question by question. For every incorrect response, they identify the mistake and neatly write the correct answer in pencil alongside the original response. This simple yet purposeful practice helps students understand not only what went wrong, but also why it went wrong.

File Follow-Up Work transforms mistakes into meaningful learning opportunities. It enables students to identify areas of difficulty, correct misconceptions, revisit concepts, and strengthen their understanding. Rather than focusing solely on marks and moving on to the next assessment, students are encouraged to reflect on their errors and take ownership of their learning.

Over time, this practice nurtures the habits of self-evaluation, accuracy, accountability, and continuous improvement. The assessment file becomes more than a record of examinations—it evolves into a personalized learning portfolio that reflects each student's progress, effort, and growth.

We believe that every mistake is a stepping stone to improvement, and every corrected mistake is a step towards excellence. Through File Follow-Up Work, we strive to nurture reflective and responsible learners who learn not only from their successes, but also from their mistakes—and use them to become better each day.

Ms.K. Srividhya
Academic Coordinator,
Senior Secondary Wing

DESIGN FOR CHANGE
Leadership Perspectives

Students' Admit Card

Target – Commitment – Achievement

Our school follows an Admit Card-based system that encourages students to set targets and take responsibility for their learning. Before each examination, students fix an AIM by setting a TARGET mark. During the examination, they record the marks they have attempted, reflecting their COMMITMENT and awareness of their performance.

After evaluation, students compare their actual marks with their target to measure their ACHIEVEMENT. A special Follow-up Column is also maintained as part of the system. Students revisit their corrected answer papers, identify their mistakes and make the necessary corrections using a pencil. This enables them to understand their errors rather than simply accepting the marks awarded. The process helps students avoid repeating the same mistakes in future examinations.

This practice helps students learn from their mistakes, monitor their progress and continuously improve. It transforms every examination into an opportunity for goal-setting, self-reflection and growth.

Board of Honour

Nurturing Excellence in Every Era of Growth

Education is a continuous journey of self-discovery, character building, and intellectual growth. From the wide-eyed curiosity of a child entering Bal Vatika 1 to the confident independence of a graduating Grade 12 student, every stage of schooling shapes a learner's mind and values. To celebrate this holistic growth, our school proudly institutes the Board of Honour ; a beacon designed to inspire the students to strive for their best. The Board of Honour is built upon three timeless pillars that define the spirit of a true scholar: **Academics, Communication, and Discipline.**

The Three Pillars Academic Excellence: Honoring the joy of learning, intellectual curiosity, and scholastic brilliance.This pillar celebrates dedication to knowledge and mastery.

Linguistic Elegance (Communication): As an English-medium institution, we empower our students to connect with the wider world. This pillar honors those who embrace the English language as a seamless medium of daily expression ; fostering eloquence, confidence, and effective communication across all grades.

Exemplary Discipline: True greatness is rooted in character. This pillar recognizes the quiet strength of self-regulation, respect, integrity, and punctuality. It celebrates students who uphold school ethos, demonstrating that good conduct is the true foundation of leadership.

The Board of Honour is not merely a recognition; it is a shared aspiration for our entire student body. By honoring these three pillars from Bal Vatika through Senior Secondary, we remind our young learners that brilliance is not just about what you achieve, but how you speak, conduct yourself, and grow every single day.

Ms. Chitra. N
Vice Principal

DESIGN FOR CHANGE

Chennai Campus App

A Smart and Integrated Digital Platform for School Management

The Chennai Campus App is a comprehensive digital platform designed to connect students, teachers, parents, and school management on a single, user-friendly platform. It helps the school efficiently manage academic activities, student information, attendance, examinations, homework, events, and other important records.

The app promotes transparency, effective communication, better monitoring, and a technology-enabled learning environment.

Benefits of the Chennai Campus App

- Brings important school activities onto a single digital platform.
- Improves communication between school, students, parents, and management.
- Reduces dependence on paper-based records.
- Enables quick and easy access to information.
- Supports better monitoring of student attendance and academic progress.
- Helps parents remain actively connected with their child's school activities.
- Makes school administration more efficient, transparent, and organised.
- Creates a stronger digital learning and management ecosystem.
- Generating the Report Card

It provides “One Platform – One Connected Campus”, where students, teachers, parents, and management can stay informed and connected.

Coordinator Chennai Campus

DESIGN FOR CHANGE
Leadership Perspectives

Google Class Room

GCR (Google Classroom) is a digital communication platform that helps schools connect teachers, students, and parents. It provides a simple and organized way to share homework, circulars, announcements, examination updates, event information, and other important notices. By organizing messages into topics and categories, GCR ensures that information is easy to access and reaches everyone on time, making school communication more efficient and effective.

- Teachers send daily homework to students through GCR.
- Important circulars and announcements are shared instantly with parents and students.
- Messages are organized category-wise for easy access.
- Topics in GCR help organize homework,assignments, circulars, events, examinations, and notices.
- Parents can easily find information under the relevant topic.
- Students receive all classroom updates in one place.
- Teachers can communicate with the entire class quickly and efficiently.
- GCR reduces the use of paper notices and printed circulars.
- Important messages remain available for future reference.
- GCR improves communication among teachers, students, and parents.
- GCR can be used to share school event details, competition updates, and meeting notices.
- GCR ensures that information reaches everyone on time.
- It helps maintain clear, organized, and effective school communication.

DESIGN FOR CHANGE
Leadership Perspectives

Our SDG Journey
Building a Sustainable Future

Our school takes proactive and meaningful initiatives towards promoting and implementing the Sustainable Development Goals (SDGs) among students. Through a range of awareness programmes, activities, campaigns, and experiential learning opportunities, students are encouraged to understand their role in creating a sustainable, inclusive, and responsible society.

Special programmes and activities are organized to commemorate the birthdays and contributions of eminent national leaders and personalities whose lives and values inspire social responsibility, environmental consciousness, equality, peace, and community welfare. These observances provide students with opportunities to connect the ideals of great leaders with the principles of sustainable development.

As part of our regular school assembly, students are encouraged to take the SDG Pledge, reaffirming their commitment to responsible citizenship and sustainable living. The pledge motivates them to adopt positive practices in their daily lives and to contribute towards the well-being of people, the planet, and society.

Through these consistent efforts, the school strives to nurture young minds who are aware, responsible, and committed to building a better and sustainable future.

Ms. Josephin Padmavathy.J,
PRT-II

7 Habits Programme
Nurturing Young Leaders

The 7 Habits Programme was successfully conducted during January with enthusiastic participation from students. The programme encouraged students not only to learn leadership principles but also to pause, reflect on their experiences, and consciously evaluate their thoughts, choices, and actions.

Through activities such as the **See–Do–Get Model, Maturity Continuum, Leadership File, Emotional Bank Account (EBA), Circle of Control and Circle of No Control,** along with puzzles and interactive tasks, students reflected on how their behaviour influences their learning, relationships, and personal growth.

The Leadership File provided students with a meaningful space to **record their learning, recognise their strengths, identify areas for improvement, and document their leadership experiences**. Students reflected on what they could control, how they could strengthen relationships, and how their daily choices could lead to positive outcomes.

The programme thus transformed the 7 Habits from concepts into personal reflections and everyday practices, nurturing greater self-awareness, responsibility, confidence, and leadership among students.

Ms.Deepa. D
TGT -II

Scouts & Guides Training

Building Leaders Through Service

The Scouts and Guides programme at our school provides students with meaningful opportunities to learn, serve, and lead. Through camps, community service, skill-based activities, and team-building experiences, students develop discipline, responsibility, and leadership qualities. Every activity inspires them to work together, face challenges with courage, and extend a helping hand to others. The programme beautifully nurtures the spirit of **"BE PREPARED"**, empowering our young learners to grow into responsible, compassionate, and service-minded citizens. The interesting activities as follow

BASIC COURSE FOR SCOUTS MASTER & GUIDES CAPTAIN

The seven-day Basic Course for Scout Masters and Guide Captains was held at Don Bosco Youth Village, Keeranur, from 18 to 25 May 2026.

Building Leaders Through Service

RAJYA PURASKAR RALLY

Venue: Sri Sairam Engineering College

Date: 07.11.2025

Our Scouts & Guides Participated in the Rajyapushkar Rally held at Sri Sairam Engineering College. The rally provided an opportunity to participate in a larger Scouts and Guides gathering and engage in group-based activities. It also contributed to developing teamwork, coordination, discipline, and confidence.

19TH NATIONAL JAMBOREE

Venue: Defence Expo Ground, Sector 15, Vrindavan Yojna, Lucknow, Uttar Pradesh

Date: 23.11.2025 – 29.11.2025

Participated in the 19th National Jamboree and Grand Finale of the Diamond Jubilee held in Lucknow, Uttar Pradesh. This national-level event provided an opportunity to participate alongside Scouts and Guides from different regions and experience a large-scale scouting programme.

Activities successfully completed:

- Integration Activities
- Jamboree Award Activities

Participation in the National Jamboree was a significant milestone, providing valuable national-level exposure and experience.

Scouts & Guides Training

Building Leaders Through Service

SAITECH S2T 6.0

Venue: Sri Sairam Engineering College

Date: 09.01.2026

Participated in Saitech S2T 6.0 conducted at Sri Sairam Engineering College. The event provided an opportunity to participate in group activities and demonstrate teamwork and coordination.

Achievement

2nd Place – Community Singing

The achievement reflects effective group participation, coordination, and collective effort.

SCOUT AND GUIDE EXPO – SCIENCE EXHIBITION

Date: 23.01.2026

Participated in the Scout and Guide Expo – Science Exhibition held on 23 January 2026. The event provided an opportunity to participate in a science-oriented activity within the Scouts and Guides programme and showcase interest in science and innovation.

GOA ADVENTURE CAMP

Date: 13.06.2026 - 18.06.2026

Participated in the Goa Adventure Camp conducted in Goa. The camp provided an opportunity to experience an outdoor and adventure-oriented Scouts and Guides programme.Participation in the camp encouraged teamwork, confidence, adaptability, discipline, and active involvement in outdoor activities.

Scouts & Guides Training

Building Leaders Through Service

YLACC – YOUTH LED ACTION ON CLIMATE CHANGE

Venue: Bharat Scout and Guide National Headquarters, Delhi

Date: 05.05.2026 – 14.05.2026

Participated in YLACC (Youth Led Action on Climate Change) at the Bharat Scout and Guide National Headquarters, Delhi. The programme provided exposure to youth-led action related to climate change and environmental responsibility. Participation in YLACC added valuable national-level exposure and strengthened involvement in environmental initiatives.

RAJYA PURASKAR PRE TEST CAMP

Venue: Sairam Vidyalaya, Madipakkam

Date: 10.07.2026 – 11.07.2026

Participated in Tritiya Soopan Test Camp held at our school.

RAJYA PURASKAR TEST CAMP

Venue: Sri Sairam Engineering College

Date: 20.08.2026 – 22.08.2026

Participated in Rajya puraskar Test Camp held at Sri Sairam Engineering College. The Camp provided another opportunity to participate in the Rajya puraskar-level testing programme and demonstrate continued preparation and commitment.

Cubs and Bulbuls

Learning, Serving and Growing

The Cubs and Bulbuls programme at Sairam Vidyalaya is committed to nurturing discipline, teamwork, confidence, leadership and a spirit of service among young learners. Through engaging activities and experiences, children develop essential life skills and learn the importance of responsibility and cooperation.

The Cubs and Bulbuls sessions are conducted every Wednesday on our school campus.

Most significantly,our school participated in **Chaturtha Charan and Heerak Pankh Testing Camp on 11 February 2026** with great enthusiasm and discipline hosted by **Sairam Vidyalaya, Tambaram.** The camp provided an opportunity for Scouts, Guides, Cubs, and Bulbuls to demonstrate their scouting skills, leadership, teamwork, and knowledge.

Leaders in Uniform

Cubs and Bulbuls

Learning, Serving and Growing

Cubs and Bulbuls

Learning, Serving and Growing

Various games encouraged teamwork, alertness, and physical fitness. The testing sessions assessed advanced skills, responsibility, dedication, and leadership. Conducted under the guidance of the Scout Masters, Guide Captains, Cub Masters, and Flock Leaders, the camp was a memorable and enriching experience that strengthened the students' confidence and commitment to the scouting movement.

Motto: "Do Your Best"

Cub / Bulbul Law:

A Cub/Bulbul gives in to the wishes of the Pack and does not give in to his/her own wishes.

Promise :

"I promise that I will do my best — to do my duty to God and my country, to keep the Cub/Bulbul Law, and to do a good turn every day."

NCC MORNING PARADE

Discipline in Motion, Leadership in Action

The **National Cadet Corps (NCC)** at **Sairam Vidyalaya** stands as a vibrant symbol of **discipline, dedication, patriotism and service.** The NCC unit was inaugurated on **11th October 2022** with an initial strength of **25 cadets.** Since its inception, the unit has grown steadily and now proudly boasts a strength of **100 cadets.**

Every **Thursday morning, from 6:30 a.m. to 8:30 a.m.,** our campus comes alive with the energetic footsteps, commands and enthusiasm of our cadets. With approximately **40 parades conducted every academic year for both First-Year and Second-Year cadets**, the NCC programme provides sustained and structured training throughout their cadetship.

The school management further supports the well-being of our cadets by providing **a healthy breakfast after every parade,** ensuring that our young cadets remain refreshed and energised for the day ahead.

The dedicated **PI staff of the NCC unit** regularly attend the parades and provide systematic and professional training.Through its consistent training and activities, the NCC unit at Sairam Vidyalaya continues to inspire students to **lead with courage, serve with commitment and march towards a brighter future.**

"Every Parade Builds Discipline. Every Step Builds Character. Every Cadet Marches Towards Excellence."

CAMP EXPERIENCE

Ten Days of Discipline,
Camaraderie and Excellence

The 1 (TN) BTY NCC conducted a 10-day Combined Annual Training Camp (CATC) from **6th to 25th June 2026 at Sri Sairam Engineering College, West Tambaram**, with **285 cadets from 5 colleges and 12 schools.**

The camp included **drill, weapon training, rifle firing, PT, sports, and guest lectures**, while developing discipline, teamwork, leadership, confidence, and resilience. Despite challenging weather, the cadets showed great d**etermination, enthusiasm, and team spirit**, making the camp a memorable and enriching experience.

The camp proved to be a truly **transformative experience**, enabling cadets to step beyond their comfort zones, discover their potential and strengthen the bonds of friendship and teamwork. It was not merely a training camp but an opportunity to **learn, lead, serve and grow.**

"Train with Discipline. Lead with Confidence. Serve with Pride."

NCC ACHIEVEMENTS

From Training Grounds
to the Victory Stand

Our cadets showcased their **talent, determination and competitive spirit** at the camp, bringing laurels through their outstanding performances in various events.

HAR GHAR TIRANGA

One Nation • One Spirit • One Tricolour

Venue: Sairam Vidyalaya School

Date: 13 August 2026

As part of the **Har Ghar Tiranga 2026** initiative, the **NCC Cadets of Sairam Vidyalaya Senior Secondary School, Madipakkam – 91**, organised a vibrant patriotic programme on **13th August 2026** at the school premises.

The programme witnessed the enthusiastic participation of **43 Second-Year NCC Cadets**, under the guidance of **S/O Anandharaj, Associate NCC Officer (ANO)**. Dressed smartly in their NCC uniforms, the cadets presented a magnificent display of **discipline, unity and patriotic spirit** through well-coordinated formations, flag-bearing activities and patriotic group presentations.

The programme was organised with the noble objective of fostering **respect for the National Flag, love for the nation, national unity and responsible citizenship** among students. The graceful presence and vibrant display of the **Tricolour** transformed the school campus into a spectacle of national pride and enthusiasm.

The event concluded on a high note, with the cadets reaffirming their commitment to the timeless values of **discipline, unity, patriotism and service to the nation.**

"The Tricolour Unites Us, Inspires Us and Reminds Us of Our Duty to the Nation."

JAI HIND!

Road Safety Patrol (RSP) Discipline on the Road, Safety in Every Step

Safety begins with awareness, and discipline turns awareness into action.

The **Road Safety Patrol (RSP)** at our school stands as a dedicated team committed to promoting **road safety, discipline and responsible citizenship.** Under the guidance of **Mr. V. Shankar, PET**, a team of **18 enthusiastic students from Class XI** actively contributes to creating a safer environment for everyone.

The RSP training sessions are conducted every **Monday from 7:30 a.m. to 8:30 a.m.** Each session begins with a disciplined and energetic **March Past**, setting the tone for punctuality, coordination, alertness and teamwork.

The RSP volunteers play a significant role in **ensuring the safety of students and parents** during arrival and dispersal hours. They assist in **regulating traffic near the school premises**, helping to maintain a smooth and orderly flow of vehicles and ensuring the safe movement of pedestrians.

Through their commitment and vigilance, the young RSP volunteers transform simple acts of discipline into meaningful acts of service. They remind us that **road safety is not merely a rule to follow—it is a responsibility to share.**

"Be Alert. Be Responsible. Make Every Journey Safe.

Mr. Sankar. V PET
TGT II

Co-Curricular Activities

LIBRARY CLUB OVERVIEW

The Library Club at Sairam Vidyalaya is designed to cultivate a love for reading and develop essential literary skills among students from Grades 5 to 8. Meeting twice weekly on Mondays and Fridays from 3:30 PM to 4:30 PM, the club provides a structured yet creative environment where young readers can explore literature, enhance their analytical abilities, and grow as empathetic and voracious readers.

The Library Club aims to encourage creativity, critical thinking, empathy, and regular reading among students. Through book discussions, creative writing, read-aloud sessions, reading challenges, peer recommendations, and reflective journaling, students will improve their vocabulary, comprehension, concentration, and communication skills. By the end of the academic year, members will become confident, thoughtful, and enthusiastic readers with a lifelong love for literature.

Robotics
Innovators of Tomorrow

KITE Robotics and Sairam Group of Institutions: Fostering Innovation Through STEM Education

The collaboration between **KITE Robotics and the Sairam Group of Institutions** marks a significant step towards strengthening experiential learning and fostering a culture of innovation among school students. Through this partnership, students are provided with valuable avenues to explore STEM education, coding, robotics, automation, and emerging technologies through practical, hands-on learning experiences.

The initiative is supported by the leadership of the Sairam Group of Institutions, along with the Sri Sairam Techno Incubator Foundation and the founder of KITE Robotics, Mr. Gunaseelean. Their collective efforts reflect a shared commitment to nurturing the next generation of innovators and technology enthusiasts.

ROBOTICS CHAMPION BRINGS GLORY TO SAIRAM VIDYALAYA

INSPIRE MANAK AWARD

ROBOTICS CHAMPION BRINGS GLORY TO SAIRAM VIDYALAYA- Wins National Recognition and ₹10,000 Prize

Sairam Vidyalaya Senior Secondary School, Madipakkam, is proud to announce that Vishal.V, a Grade 8D student, has achieved remarkable success at the **Inspire Manak 2025 competition, a prestigious National Level Innovation Competition organized by the Government of India.**

Vishal's innovative project, the **Smart AC Saver System**, impressed judges with its practical approach to energy conservation. The system is designed to reduce energy consumption and promote energy efficiency—a crucial solution for today's environmental challenges.

About the Achievement:

The Inspire Manak (Million Minds Augmenting National Aspirations and Knowledge) program encourages young minds to showcase their creativity and problem-solving abilities. Competing against thousands of students nationwide, Vishal's project stood out for its innovation and real-world application.

For his outstanding achievement, Vishal was awarded a cash prize of ₹10,000 and national recognition as a champion innovator. We wish Master Vishal Vignesh continued success in all his future endeavors and hope his achievement inspires fellow students to pursue their innovative ideas with passion and dedication.

ATL Innovation Challenge – INNOVA TN '25

A Milestone Achievement

Sairam Vidyalaya's Robotics Department proudly celebrates a remarkable achievement at the ATL Innovation Challenge – InnovaTN '25, a state-level competition organized by the Atal Tinkering Lab. Among 500+ participating teams across Tamil Nadu, four projects from Sairam Vidyalaya advanced to the finale held on **8th November 2025 at Sairam Engineering College, Tambaram**. The school's AgriLens C.A.R.E project secured First Place in the Smart Mobility Category, bringing **state-level recognition and pride to the institution. This success underscores Sairam Vidyalaya's unwavering commitment to fostering innovation, robotics excellence, and experiential learning.**

PROJECT EXPO

SAIMECH'25 TECHFEST

TechFest event conducted on October 31, 2025 at SIGMA Hall, Department of Mechanical Engineering, Sri Sairam Engineering College, West Tambaram, Chennai

Recognition/Prize: Successful presentation and defense of 4 innovative SDG-aligned projects before an expert panel by 8 participating Class IX students.

Co-Curricular Activities

YOUNG ENVIRONMENTAL SCIENTIST (YES) 2025

DISTRICT LEVEL EVALUATION

Sairam Vidyalaya students participated in the Young Environmental Scientist 2025 event conducted at VIT Chennai (Organised by Industrial Waste Management Association - IWMA) on October 30, 2025

ROBOFUSION 2025

EXCELLENCE IN INTERSTATE ROBOTICS

Sairam Vidyalaya participated in the **Interstate Robotics Competition – Robofusion 2025, held on 6th December 2025 at SRM Public School, Guduvanchery.** Competing against 60+ schools from across the state, our students showcased exceptional technical skills and innovative thinking across two challenging categories: Torque Trails – Tug of War Robot and RoboRush – Multi Terrain Robot Challenge.

Co-Curricular Activities

SAI TECH – S2T EDITION 6.0

Sairam Vidyalaya Senior Secondary School (CBSE), Madipakkam, participated enthusiastically in SAI TECH – S2T (School Towards Technology) Edition 6.0, a multidisciplinary event promoting innovation, creativity, scientific thinking, leadership, and social responsibility in alignment with the UN Sustainable Development Goals (SDGs) on 9th January 2026.

A team of 67 students from Classes VIII to X participated in diverse categories including Junior and Senior Scientist, Photography, Essay Writing, SDG Treasure Hunt, Logo Design, Podcast, Drone Challenge, and Scouts & Guides.

Co-Curricular Activities

ROBOTICA 2026

SHINING AT THE NATIONAL STAGE

Sairam Vidyalaya's Robotics Department made a stellar impression at **Robotica 2026**, a national-level robotics competition organized by **Otomatiks at VIT University, Chennai, on 30th and 31st January 2026.** A contingent of 24 students from Junior and Senior categories participated in three challenging events: Working Model Exhibition, Robo Race, and Robo Sumo.

Co-Curricular Activities

INNOVA TN 26

Young Minds, Big Ideas

Our students showcased their creativity and innovative spirit at **INNOVA TN 26**, organised by the **Atal Innovation Mission (AIM), NITI Aayog, on 21 August 2026**. A team of **10 students** participated across the domains of **Healthcare, Artificial Intelligence and Safety & Security.**

INNOVISION SCIENCE EXPO 2026

A Triumph of Young Innovators

Our young innovators made a remarkable mark at the **Innovision Science Expo 2026**, held at **AMET University, ECR, on 5 September 2026**, under the theme **AI & Robotics**. A team of **11 students across four teams** showcased their scientific thinking, creativity and technology-driven solutions.

Co-Curricular Activities

ROBOGENESIS 2026

Innovating For A Sustainable Future

Our young innovators made their mark at **ROBOGENESIS 2026,** held on **29 August 2026** at **Greenfield Chennai International School,** in collaboration with the **Kalam Institute for Technical Education (KITE)**. A team of **24 students** participated across four categories—**Zero Pollution, Waste Management, Future Founder, and Sustainable Water Bodies.**

TECHNOXIAN WORLD ROBOTICS CHAMPIONSHIP 2026

A Podium Finish

Our budding roboticists achieved a remarkable milestone at the **Technoxian World Robotics Championship 2026 – World Cup 10.0,** organised by **AICRA,** and held on **11–12 July 2026** at **SRM Institute of Science and Technology, Chennai.**

Co-Curricular Activities

INNOVATION IN MOTION

WRO 2026 Success

Sairam Vidyalaya – Madipakkam proudly participated in the **World Robot Olympiad (WRO) 2026** – **Future Innovators** category, held on **21st July 2026** at Velammal International School.

Ms.T.Ezhil Sabari
TGT-I Science Dept.

Monisha M
KITE Robotics -
Senior Research Associate

SCIENCE OLYMPIAD FOUNDATION (SOF)

The academic year 2025–2026 witnessed enthusiastic participation and remarkable achievements by our students in the **Science Olympiad Foundation (SOF) examinations with the guidance of Ms. Jayanthi A, Department Head of Mathematics.** These competitive examinations provided our young learners with opportunities to strengthen conceptual understanding, develop critical-thinking and problem-solving skills, and compete at national and international levels.

A total of **188 student registrations** were recorded across seven Olympiad categories—**Science, English, Mathematics, General Knowledge, Computer Science, Social Studies and Hindi**. The highest participation was recorded in the **International Mathematics Olympiad (IMO) with 72 students**, followed by the **National Science Olympiad (NSO) with 45 students** and the **International English Olympiad (IEO) with 36 students.**

The school also celebrated an impressive number of **Gold Medal of Excellence** recipients. In the NSO, students from Classes V, VI, VII, VIII and X emerged as School Toppers. In the IEO, School Toppers from Classes IV, VI, VII and VIII added to the school's academic achievements. The IMO witnessed particularly noteworthy success, with **numerous School Toppers from Classes II to XI** receiving Gold Medals of Excellence.

Co-Curricular Activities

- **188** SOF registrations
- **International Rank 2**
- **Zonal Rank 16**
- **Zonal Rank 22**
- **Multiple Gold Medals of Excellence** across NSO, IEO, IMO and IGKO
- **7 Olympiad disciplines** represented

Ms.Jayanthi.A PGT- Maths (HOD)

Co-Curricular Activities

LOGIQIDS 2025–2026

Nurturing Young Minds

The **LOGIQIDS Offline Examination 2025–2026** was conducted on **21 November 2025** for students from **Senior KG to Class IX.** The examination witnessed an impressive participation of **983 students**, with **48 students securing medals.**

Our young achievers demonstrated exceptional logical and analytical skills, with notable Zonal Rank 1 secured by **Dakshith, Magiliniyan and Ramathumathi** of Senior KG, and **Ananya Dwivedi and Ridha Shireen of Class II. Siddharth Elayarajan of Class I** secured **Zonal Rank 3**.

The achievement reflects our students' enthusiasm for **reasoning, problem-solving and intellectual challenges**, reinforcing the school's commitment to nurturing young minds beyond the classroom.

Ms. Deepa. G
PRT-I Comp.Science

Young Scientist Club

The **Young Scientist Club** is a platform that encourages students to develop a passion for science and innovation. It provides an opportunity for young minds to explore scientific ideas beyond the classroom through **experiments, projects, quizzes, demonstrations, and discussions.**

The Young Scientist Club is designed to engage students in practical, hands-on scientific experiments that demonstrate fundamental principles of physics, chemistry, fluid dynamics, and environmental science. The curriculum spans 25 structured weekly activities running from June 2026 through February 2027.

Ms. Nalini.S
PGT- Physics.

Co-Curricular Activities

COMMUNICATIVE ENGLISH

BUILDING CONFIDENCE THROUGH COMMUNICATION

As part of the school's Communication Development Programme, the Nice Education team works to strengthen the English communication skills of students from KG to Grade 8 through an engaging, activity-based approach. The programme focuses on developing confidence, fluency, vocabulary, pronunciation, listening, sentence formation and effective expression.

Students participate in activities such as storytelling, rhymes, language games, JAM sessions, role plays, situation speaking, conversations, debates, presentations and public speaking. Interactive grammar and vocabulary activities connect classroom learning with real-life communication, while pair and group activities encourage students to express themselves without fear of mistakes.

Ms.Uma Bairavi

Skating Club

Skating Towards Excellence

The Skating Club at our school provides students with an excellent opportunity to develop skating skills while nurturing **fitness, perseverance, and sportsmanship**. With systematic training and a strong emphasis on safety, the club encourages students to enjoy the sport and strive for continuous improvement with a vision to create a safe, inclusive, and inspiring skating community where every student can develop a passion for skating.

Master Incharge: Mr.Karthik and Mr.Saran

Teacher coordinators

Grades I and II- Ms. Gayathri T, PRT-I guiding **56 students** from **2:30 p.m. to 3:30 p.m**.

Grade III - Ms. Suguna Sundari, PRT-II with **30 students** attending the sessions from **2:30 p.m. to 3:30 p.m**.

Grades IV and V - Ms. A. Sundari Bai, PRT-II, responsible for guiding **25 students** from **3:30 p.m. to 4:30 p.m**.,

Grades VI to VIII - Ms.S. Georgina Jenifer, KGT with **14 students** receiving training during the same time slot.

Extra Curricular Activities

Music Club

The Music Club is a vibrant and joyful platform where students from Grade 1 to Grade 8 come together to explore, discover, and develop their musical talents. With 30 enthusiastic young musicians, the club meets every Tuesday and Thursday from 3:15 p.m. to 4:00 p.m.

Master in charge: Mr.Kumaraswamy. S

Faculty: M. Deivamani, PRT-I and Abirami. T. TGT-II

Silambam

Silambam, the ancient and vibrant martial art of Tamil Nadu, is offered as an Extra-Curricular Activity (ECA) at our school under the expert guidance of Master Suyambhulingam. In the charge of Mr.Vivekananthan,PET classes are conducted every Wednesday from 7:30 a.m. to 8:30 a.m. on the school campus, with 25 enthusiastic students from Grades 1 to 8 taking part.

Master in charge : Mr.Suyambhulingam

Teacher coordinator: Mr.Vivekananthan, PET

Karate Club

Strength, Discipline and Confidence

The Karate Club at Sairam Vidyalaya nurtures **physical fitness, discipline, concentration, self-confidence and self-defense skills** among students. Beyond being a martial art, Karate teaches valuable life skills such as respect, courage, patience and perseverance.

The club conducts training every Monday for students of Classes 1 to 8, from 3:30 p.m. to 4:30 p.m.

Incharge Master - Mr. Narayana Swamy Devarajan

Teacher Coordinators - N.G. Sowgandhika Janakam, PRT-II and V. Pavithra Devi, PRT-II

Extra Curricular Activities

Dance Club

Primary Dance Club – Rhythm, Energy and Expression

The school comes alive with energetic music, lively movements and enthusiastic young learners as the **Primary Dance Club (Grades 1 to 5)** takes centre stage. With **52 enthusiastic students** participating, this vibrant **Western Freestyle Dance** initiative introduces children to the fundamentals of dance while encouraging creativity, confidence and joyful self-expression. The club is conducted every **Friday afternoon from 3:30 p.m. to 4:30 p.m.**

The club follows a carefully designed, age-appropriate curriculum that combines skill development with playful exploration:

Master in charge : Mr.Vikramaathithyan

Teacher coordinators - Ms. Josephin Padmavathi .J, PRT-II and Ms. Suganya.A, PRT-I

Keyboard
Melodies at Our Fingertips

The school offers **advanced keyboard classes for students from Classes III to VIII** as part of its extra-curricular activities. The sessions are conducted every **Tuesday and Thursday**, providing students with an opportunity to explore and develop their musical talents.

Keyboard Instructor- Mr. Milton

Teacher coordinators- Ms. D. Rishma Priya, PRT-I & Ms. Naveena, TGT-II

Extra Curricular Activities

Archery

The Archery Club at Sairam Vidyalaya continues to nurture discipline, concentration, confidence, and sporting excellence among its members. Conducted every Monday and Tuesday from 7:00 a.m. to 8:30 a.m.

Master - Mr. Seetharam

Teacher Coordinator - Ms. B. Priya, PRT-II

CHESS

The school has recently introduced a **Chess Club**, providing students with a new platform to develop concentration, strategic thinking and patience in problem-solving skills. The club has received an enthusiastic response, with **50 students** enrolling from **Grade 2 to Grade 8** with great curiosity and excitement. The Chess Club sessions are held every **Tuesday and Thursday from 8:00 a.m. to 9:00 a.m.**

Teachers in charge - Mr. P. Manoharan TGT - II and Ms. S. Ganga KGT

STUDENT'S VOICE

Proud of my School

Our school provides quality education and encourages students to achieve their full potential, while placing a strong emphasis on values and character such as kindness, honesty, discipline, and responsibility. It offers equal opportunities for every student to discover and develop their talents and cares for the health and well-being of students by organising free health camps.

Promotes holistic learning and helps students develop teamwork, discipline, and sportsmanship through Physical Education.

Shakthi Shree
VII B

My School – A Place Where Dreams Take Flight

What I admire most about my school is "Making Learning Visible."It turns every lesson into an experience.

Our ideas, creativity and understanding are brought to life.We learn by doing, creating and sharing.It gives every student a chance to discover their strengths.It makes learning joyful, meaningful and memorable.At Sairam Vidyalaya, we don't just learn—we make learning visible!

Prakshitha
VIII C

Congenial Activity

I really love the activities conducted by the school because they are fascinating. I especially enjoy the congenial activities, as they are both educational and enjoyable. I also love how kind the teachers are and how they make us laugh every day.

Rajathilagam
VI A

7 Habits transition student

I was lacking confidence, clear goals, and communication with others. I initiated my proactive mindset and followed habit 2 "Begin with end in mind".

From the 9th standard I set my goal . improving my focus and developing my confidence and studies.

Now I am in the top 5 Rank Holders.

Thank you

Srilakshmi.R
X B

Every Wednesday morning, our school conducts a special programme called "Conglom."

A topic is selected, and each student prepares a point related to it.We present our points confidently before our class teacher and classmates.This activity improves our knowledge, communication and speaking skills.

It also teaches us to listen to others and respect different ideas.

Conglom makes every Wednesday a day of learning, sharing and confidence!

Vivedha.D
VIII C

Communicative English classes

These classes have given me a different and enjoyable way of learning English. The sessions are highly interactive, and activities such as role plays, debates, speaking challenges, vocabulary games and situation-based conversations encourage us to participate actively. These activities have helped me come forward and speak without the fear of being judged or making mistakes. I feel that my stage confidence and communication have improved because I get regular opportunities to express my opinions and ideas. The activities also make us think quickly, listen carefully and respond appropriately. I have learnt many new words and expressions and have become more comfortable using English in everyday situations. The classes are useful because they teach us skills that go beyond textbooks—confidence, teamwork, creativity, critical thinking and public speaking. Overall, the sessions have made me more willing to communicate in English and have helped me become a more confident speaker.

Leyana

STUDENT'S VOICE

Importance To Sports

I like the way our school gives importance to sports, such as throwball, volleyball and handball. Our school arranges transport for inter-school competitions as well as intra-school competitions. They also teach us March Past, which helps us to build responsibility, unity and nationality.

Our school also introduces many health campaigns, like eye check-ups and full-body check-ups, which help us to find the initial root cause of our body problems.

Overall, I like our school infrastructure and the lot of new innovative ideas, which all lead to the lesson of responsibility among students.

A. Dafiyah
XII-A1B

Equal Importance To Both Academics And Sports

I like the way our school has implemented innovative initiatives such as MLV, SLC, etc. These initiatives help students build self-confidence and develop effective communication skills.

Our school offers a wide range of extracurricular clubs, such as the Library Club, Keyboard Club, Dance Club, Music Club, Art Club, Karate, Archery, Badminton, Kho-Kho and many more. All these activities help us enhance our creativity, develop critical-thinking skills and discover our talents.

I appreciate that our school gives equal importance to both academics and sports. The school has also introduced various ranking systems and the Board of Honours to encourage healthy competition and motivate students to strive for excellence.

Overall, these initiatives provide us with opportunities to develop our knowledge, skills, confidence and personality in a holistic manner.

K. V. Kheerthana, XII-A1B

Innovative Initiatives

I like my school because of its innovative initiatives, such as Conglom, the Board of Honour and the Mass Drill exercise conducted every week.

Through Conglom, students get an opportunity to share their opinions and ideas. Our Board of Honour recognises classes with stars based on their performance in academics, communication and discipline. Every class that collects five stars on the Board of Honour will be taken on a field trip.

The Mass Drill exercise helps us calm our minds and begin the day with an active and positive spirit.

Sameema Sulthana M
XII-A1B

Bridging The Gap

I like this school because of its fascinating and knowledgeable teachers. The school helps bridge the gap between simple memorisation and practical learning.

It prepares me to face a technologically advanced future. The smartboards and hands-on activities help improve virtual and experiential learning. The school helps sharpen my skills and enables me to become a better person.

Sudharshini
XII-A1B

My Views on Making Learning Visible

"When my teacher first gave me the opportunity to present the lesson before my parents and teachers, I hesitated. Speaking in front of so many people seemed difficult. But my teacher's encouragement made me decide to give it a try. I prepared well and practised until I felt confident. When I finally stood before everyone, my fear slowly disappeared. The experience taught me that confidence grows when we are willing to take the first step."

Pritvish Vinod
XII-A1B

A Chance I Decided to Use

"I knew that opportunities like this do not come every day, so I decided to make the best use of the chance given to me. Initially, I was a little nervous, but I became excited as I started preparing. I researched the topic, organised my ideas and practised my presentation. Standing before my parents and teachers and sharing what I had learned gave me immense satisfaction. I felt proud that I had turned an opportunity into an achievement."

K. Amogh Aadithya
XII-A1B

STUDENT'S VOICE

My Mentor

Until the beginning of 8th grade, whenever I had the opportunity to participate in an assembly, I would usually choose the role of "Thought for the Day" because it involved minimal dialogue. I was afraid of making mistakes and constantly worried about failure. However, my teacher recognized my potential and encouraged me to take on more challenging roles. Eventually, she entrusted me with the responsibility of being the main compere for several assemblies.

This journey transformed me from a boy who was afraid of failure into someone who no longer doubts himself. I learned to face challenges with confidence and embrace opportunities instead of shying away from them. None of this would have been possible without my teacher's unwavering support, encouragement, and belief in me.

Prithvi Gopi Krishnan
XI-A2B

My school conducts MLV

provides us with opportunities to participate. It helps us overcome stage fear and camera fear, while also improving our confidence and communication skills.

Lisandh. A
VI C

Scouts and Guides

Scouts and Guides activities help students become responsible citizens of India. Our school encourages us to participate in such activities and also helps us develop discipline alongside our studies.

V.H Soundarya
VII C

MLV

I like MLV because it helps students build strong values, discipline, and leadership skills that support their overall personal growth.

It also provides opportunities for learning, teamwork, and community service , helping students become responsible and confident individuals.

Pragadheesh

STUDENT'S VOICE

My favourite spot - Library

Our library is my favourite place in school, with a wonderful collection of over 9,000 books! Under the guidance of Mrs. Santhi Ma'am, the Library Club brings reading to life through thrilling scavenger hunts, spooky story circles, and exciting puzzles that challenge and sharpen our minds. With its perfect blend of creativity, fun, and learning, the Library Club is truly one of the most exciting clubs in our school.

Rakkshita. R
VII-A

Treasure trove of wonderful books

Sairam Vidyalaya's library is a treasure trove of wonderful books! Under the warm guidance of our librarian ma'am students can easily discover stories, subjects, and new worlds that spark their curiosity. The Library Club makes reading even more exciting with fun activities like scavenger hunts, DIY bookmarks, and spooky story circles. With its well-organised subject corners and peaceful atmosphere, our library truly feels like a magical place that every student should visit!

Aditi S
VII-A

As a pride winner of BriBooks

Our school library is a peaceful, well-organized space that inspires creativity and focused learning. Under the caring guidance of our library teacher, Santhi Ma'am, every student feels welcome and encouraged to explore, learn, and create.The library resources provided through BriBooks have played an important role in my journey as a young author. The quiet environment and guidance supported me while writing From Ignorance to Elegance, a book about self-discovery and maturity. Receiving the Gold, Silver, and Platinum Medallions has been a rewarding recognition of my dedication and growth. I am truly grateful for these avenues that have strengthened my confidence and creativity.

Maathesh. A. S
VII-A

Reading increases knowledge

Our library is a quiet and wonderful place in our school. It has many books on different subjects. There are fictionals, novels, science books, history books, and also books about nature. The books are arranged neatly on shelves. Our librarian helps us find the books we need. We can sit and read books peacefully in the library. We can also borrow books, take them home and return them before the deadline. I enjoy reading storybooks and learning new things. Our library helps us develop the habit of reading and increases our knowledge. I love spending time in our library.

S. Haarunya Jothi
VI-A

My BriBook Experience

Sairam Vidyalaya's school library is a vibrant sanctuary of knowledge that serves as the creative heartbeat of our campus. By housing an expansive collection of literature, it constantly inspires students to explore new intellectual horizons. A true highlight this year was participating in the prestigious Bri Books Story Writing Competition through the library. With the exceptional guidance and resources provided here, I successfully wrote and published my very own book. This enriching experience beautifully shows how our library transforms passionate readers into confident, creative creators.

Hrushikesh
XII-A1B

Library Club

Sairam Vidyalaya's library is a vibrant hub of imagination and learning that inspires the creative spirit of our student community. More than just a collection of books, it is a welcoming space where curiosity grows and new ideas come to life.

The highlight of my year has been being part of the newly introduced Library Club, which brings passionate readers together. Through engaging weekly discussions and collaborative literary projects, the club has strengthened my creative thinking and communication skills. It beautifully transforms reading from a solitary hobby into a shared and enriching experience.

Jai Akash
XII-A1B

STUDENT'S VOICE

Resource Hub

Our school library provides a peaceful, well-organized space where students can study and read with focus. The library remains disciplined and welcoming, making it a comfortable place for learning.

The library's excellent resources have greatly supported my studies and exam preparation. Books such as the Oswal NCERT Exemplar Class 12 Mathematics, Class 12 PYQs, and Cengage JEE Main Mathematics – Parts 1 & 2 have been especially helpful in strengthening my understanding and practice. I am truly grateful for access to such valuable study materials and for the supportive environment our library provides.

Rimangdawet Rapthap
XII A1B

Conglom Sessions

One of my favourite features of our school is the Conglom Session, held after the morning assembly. These sessions provide an excellent platform for developing our critical thinking, analytical abilities, and public speaking skills.

By discussing thought-provoking weekly topics, we explore important real-world issues, broaden our perspectives, and learn to appreciate different viewpoints. The sessions encourage active participation and give every student an opportunity to express their ideas with confidence. Starting the week with such meaningful discussions creates an inspiring and motivating atmosphere for learning.

Ayushy Kumari
XI-C

Exam Pattern

One of my favourite features of our school is the way it prepares us for the proper board examination pattern. By introducing board-style regulations from an early stage, the school trains us to follow examination protocols with discipline and responsibility. Behavioural evaluation during exams encourages students to maintain focus and decorum, while active supervision through CCTV and smart boards ensures effective monitoring. The inclusion of prayers before and after examinations helps create a calm and positive atmosphere, reducing exam-related anxiety. Dedicated preparatory days also give us valuable opportunities to clarify our doubts with teachers and approach examinations with greater confidence.

S. Harshitha
XI - C

School Sports Day

Our School Sports Day was a vibrant celebration of talent, teamwork, and sportsmanship. The presence of an inspiring Chief Guest added immense value to the event and motivated our young athletes to give their very best. The students' dedicated practice and hard work were evident throughout the day, reflecting the school's strong commitment to sporting excellence. From the precise March Past to the exciting and closely contested track events, the atmosphere was filled with energy, discipline, and enthusiasm. Excellent coordination, vibrant performances, and meticulous organisation made the Sports Day a memorable celebration. More than just a competition, the event beautifully showcased the unity, resilience, and team spirit of the Sairam community

Sreenithi. S
XI - C

ANNUAL DAY

The annual day beautifully brought out the hidden artistic, musical and dancing talent of the students.

From the vibrant stage set ups to the smooth scheduling, event management by the school was absolutely top notch. It was wonderful to see the school encourage and give an equal opportunity to every single student to shine.

The performances were not just entertaining but also carried powerful, thought provoking messages that inspire the audience. The high energy, colourful costumes and joyous atmosphere made it a proud and memorable day for parents and students.

V.S Harshavardhini
XI - C

Benefits of Parent Teacher Meetings

There are plethora of way in which parents - teachers meeting can aid the academic performers of a student as well as improve teachers teaching skill through the parents feed back.It provides the much needed awareness of students activity to the parents teachers can also learn about the students personal behaviours to better or morph the teaching method accordingly .There is a physical conversation between mentors and parents . There is a total analysis of both academics and mentality of the students.The student is able to absorb his total evaluation of his education . As all sentient beings have the ability to change , students will be able to improve all aspects of their lives through PTM.Teachers will also help them prepare indirectly by giving the methods to help study better. Overall , PTM is a crucial and pivotal meeting for a student's educational evaluation during that term.

Aravind Lochanan Shanmugam
XI - C

STUDENT'S VOICE

Infrastructure

INFRASTRUCTURE: Excellent facilities, including air conditioning classrooms and smart boards.

TECHNOLOGY: Apple labs and computers for all classes provide strong digital learning support

ACADEMIC FACILITIES: Well equipped physics, chemistry, biology and computer science labs.

SPORTS & WELLNESS: A large playground, bicycle parking and dedicated yoga hall supports students' physical well being.

OVERALL: A modern and well equipped school environment with facilities that support academics, technology, sports and overall development.

Haritaa. P
XI - D

Making Learning Visible

Making learning visible helps students understand what they have learned and recognise how different concepts are connected. It builds confidence by allowing students to track their progress and showcase their learning. It also helps teachers better understand each student's abilities and provide appropriate guidance and feedback. By encouraging students to express their thoughts and explain their understanding, it strengthens communication skills and promotes active participation. Most importantly, it develops critical thinking by encouraging students to reflect, reason, and clearly articulate their ideas.

Maadhini. P
XI - D

Remedial Classes

Remedial classes provide students with additional support to understand difficult subjects and improve their academic performance. They help students overcome learning challenges, strengthen their confidence, and build a strong foundation in essential concepts. Instead of feeling embarrassed by their mistakes, students learn to understand why they occur and how to avoid them in the future. These classes also encourage students to seek help when needed, which is an important part of learning and personal growth. With a strong foundation in the basics, students can approach advanced topics with greater ease and confidence.

Keertana M
XI - D

Student Led Conference

The Student-Led Conference is a wonderful learning experience where we, as students, work together to understand and present a particular topic in detail. We discuss the content, analyse the concepts, and explore the topic beyond the basic textbook information. Working as a team helps us learn from one another and understand the subject more deeply. Presenting our ideas also improves our confidence, communication, teamwork, and critical-thinking skills. It gives us the opportunity to take responsibility for our own learning and share what we have understood with others.

N. Tanishka
XI - D

My Experience in the School Assembly

Our school assembly is one of the activities I truly enjoy because it gives me a chance to come together with my friends, learn new things, and share my talents with everyone. Whenever I stand in front of a large audience to speak or perform, I may feel nervous at first, but every opportunity helps me to overcome my stage fear. The assembly also helps me improve my communication skills as I learn to speak clearly, express my thoughts, and share my ideas with others. When I get the chance to organise or conduct the assembly, I learn to take responsibility, guide others, and work as a team. Being part of the assembly teaches me to be punctual, manage my time, follow instructions, and complete my responsibilities sincerely. Working with my classmates to plan and conduct the assembly has taught me the importance of teamwork, cooperation, and supporting one another. Most of all, the assembly has helped me grow as a person, given me confidence, and created many happy and memorable moments that I will always cherish.

Arumugadurkesh
XI - D

Admit Cards

Writing my target marks on my admit card gives me a clear goal to work towards before every exam. When I write down the marks I want to achieve, I feel more focused and motivated to put in my best effort. It reminds me that my goal is not just a number, but a promise I make to myself to work hard and believe in my abilities. After the exam, filling in my commitment marks gives me a chance to look back and see how much I actually attempted. Comparing my target with my commitment helps me understand how well I prepared, how confident I felt during the exam, and where I could have done better. Sometimes, I may feel proud when I meet my target, while at other times, I may realise that I need to work harder. Looking at my targets and commitments over different exams helps me identify my strengths and gaps and set more realistic goals for the future. Most importantly, this practice teaches me to take responsibility for my own learning and reminds me that every exam is an opportunity to improve, learn from my mistakes, and come closer to becoming the best version of myself.

R. Shree Vyshnavi
XI - A1B

STUDENT'S VOICE

File Follow Up

The follow-up work after my exams helps me understand my performance and recognise how much I have improved. When I review my answers and reflect on my performance, I can identify the mistakes I made and understand how I can avoid repeating them. It also gives me a chance to think about how well I prepared, how I managed my time, and whether my exam-taking strategy worked for me. Sometimes, I feel happy when I see my progress, while at other times, I realise that I need to put in more effort in certain areas. This reflection helps me understand my strengths and weaknesses and encourages me to work on the areas that need more attention. It also helps me set better and more realistic targets for my next examination. Most importantly, the follow-up work reminds me that every exam is not just about marks, but also about learning from my mistakes, improving myself, and moving one step closer to my goals.

SAHANA .T.S
XI - A1B

Apple Lab

The newly added Apple Lab will provide us with exciting opportunities to make our learning more interactive, practical, and engaging. It will help us explore new technologies such as Virtual Reality and give us hands-on experience with iPads and other digital tools. Through these activities, we will be able to understand difficult concepts in a more interesting and enjoyable way. The quizzes and interactive sessions will make learning easier and help us remember what we learn for a longer time. The Apple Lab will also encourage us to explore, experiment, ask questions, and learn through experience. It will help us develop important skills such as creativity, problem-solving, collaboration, and digital awareness. I believe this new technology support will make our learning more enjoyable and prepare us to confidently use technology in our future studies and everyday lives.

PRASITAA. M

Bharath Scouts And Guides

My experience in BSG, implemented by our school, has been very interesting, meaningful, and memorable. It has taught me many valuable lessons that I can carry with me in my everyday life. Through BSG activities, I have learned to be disciplined, responsible, confident, and independent. I have also gained useful knowledge about first aid, camping, teamwork, and helping others in times of need. Taking part in community service activities has made me understand my responsibility towards society and the importance of caring for others. I have enjoyed working with my friends, taking up responsibilities, and learning new skills through practical experiences. BSG has helped me discover my strengths, face challenges with confidence, and become more responsible. Overall, it has been a wonderful journey that has given me not only knowledge and skills but also beautiful memories and important life lessons that will stay with me for a long time.

Parent's Voice

Dear Sir / Mam,

As a parent, I feel extremely proud and grateful to see my son being honoured in front of his school. I sincerely thank the school management and teachers for recognising and encouraging students not only in academics but also in sports and other talents. Such appreciation gives children confidence and motivates them to work harder. I am very happy that our school provides a wonderful platform for students to showcase their abilities. I feel proud to be a part of this school family. Thank you for encouraging and supporting our children.

Parent of Lingavel Mukil - BV3 B

Dear Sir / Mam,

Thank you for reaching out. We are really impressed with how the school assemblies and class activities are being conducted. Giving opportunities to every child, right from the younger classes, is a wonderful initiative. We were extremely happy to see Vivarthan hosting the class prayer session and all the kids performed really well! The practice, guidance, and confidence given by you are the main reasons behind this success. It was truly well-organized and goes a long way in boosting the children's self-confidence and public speaking skills.

Also, I would like to highlight the Friday CONGLOM speech activity. It is one of Vivarthan's absolute favorites, and he prepares for it with so much enthusiasm and interest! I Sincerely thank all the teachers for their continuous support, dedication, and effort in driving constant improvements in Vivarthan's overall academic and personal growth.

Thank you,

Parent of Vivarthan- BV3-A

Dear Sir / Mam,

The MLV program was amazing. Kids participation and the enthusiasm was quite visible throughout. The team work and commitment and the credit entirely belongs to the school and the staff members.

Parent of Natesha I B

Parent's Voice

Dear Sir / Mam,

I really appreciate the initiative of Making Learning Visible conducted in school. It is a wonderful and innovative program. It builds confidence and communication. When students teach a lesson, it removes stage fear and improves their confidence, public speaking and presentation skills.

To teach a lesson, the child has to completely understand it first. This method helps them to learn concepts rather than just memorizing. Students can choose their own topic and present it in their own way which makes the learning more interesting. Inviting parents as visitors/judges is a wonderful idea. As a parent, I could clearly see what my child has learnt and the efforts taken by the teachers. Overall MLV is an excellent concept. My sincere thanks to all teachers for putting in so much effort to make learning visible and meaningful. Please continue such programs in future as well.

Thank you.

Parent of Yashil. M - VI-B

Dear Sir / Mam,

The 7 Habits programme is helping my child develop responsibility, discipline, positive thinking and teamwork. He is learning to listen to others, take responsibility for his choices, complete important tasks and work together with others.

I feel these habits are helping him not only in his studies but also in his behaviour and everyday life. I really appreciate the school for teaching these valuable life skills from an early age.

Parent of Lithik - I B

Dear Sir / Mam,

The diverse range of activities has given my child a great platform to explore creative interests beyond regular academics.

MLV (Making Learning Visible) MLV sessions have wonderfully enhanced my ward's public speaking skills, self-expression, and overall confidence.

Roller Assembly The dynamic assembly sessions encourage full participation, making my child feel confident and energized right at the start of the day.

7 Habits Program My child has started applying core principles—like staying organized and prioritizing tasks—at home without needing constant reminders

Parent of J. Thaahira Bismi - II A

Parent's Voice

Dear Sir / Mam,

I am highly impressed with the wonderful initiatives carried out by the school.

The ECA and CCA club activities are excellently structured and keep the children highly engaged. The Roller Assembly serves as a brilliant platform for building public speaking skills and confidence. I can clearly see a positive impact from the 7 Habits curriculum and MLV programs on my ward's daily routine and mindset. Furthermore, the Scouts and Guides program is doing an amazing job instilling valuable discipline and team spirit.

Thank you to the school administration and teachers for providing such a well-rounded and holistic growth environment for our children.

Parent of Sarvadhayini Karthikeyan - II-B

Dear Sir / Mam,

I am happy with the Scout and Guide activities conducted at our school. These activities build discipline, confidence, responsibility, and friendliness toward others.

My son enjoys participating in the activities and learning new skills. I appreciate the teachers for their guidance and encouragement.

Parent of Kanish Krishnan. G - VI- B

Dear Sir / Mam,

My kid is actively involved in public speaking because of Roller assembly. Thank you so much for the good initiative. He actively participated in the morning assembly and confidently took part in the role assigned to him. His participation has helped him develop his vocabulary, communication skills, confidence, and stage presence. He is showing great enthusiasm and willingness to learn. Keep up the wonderful participation and continue to shine!

Parent of Vishakan.T - BV3A

Dear Sir / Mam,

My child joined the ECA Clubs (Art and Singing) this year. Both clubs are very useful and enjoyable for her. Now, my child is able to sing songs confidently, create art, and draw neatly. These activities are helping her improve her creativity and confidence. The ECA Clubs are a wonderful initiative that help children discover and develop their hidden talents and skills. I am very happy with her progress.

Parent of Jithisha - I-A

Parent's Voice

Dear Sir / Mam,

MLV The programme gave him a great opportunity to improve his communication, confidence and presentation skills. The highlight for me was seeing the children confidently present different subjects on the stage. It was wonderful to see their teamwork, communication skills and confidence. We truly appreciate the teachers' efforts in making MLV such a meaningful learning experience.

Parent of P. Siddhesh - I - A

Dear Sir / Mam,

I really like the extra-curricular activities offered by the school. There are many useful activities that are important for children's overall development.

My son especially enjoys Skating, Karate, and Arts. He is very interested in these classes and actively participates in them. He particularly enjoys skating and is doing very well in the class.

Overall, I am very happy with the extra-curricular activities provided by the school. There are many options available for children, and I feel they are very useful and enjoyable.

Parent of P.S.Pranad Vinayak - I-C

Dear Sir / Mam,

I am very happy with the Library Club activities provided by the school. My son enjoys visiting the library and reading different books, comics, and magazines. The option to borrow books and return them after five days has also helped him develop a regular reading habit. He enjoys learning new things through books, and I can see that the library has increased his interest in reading. Overall, I feel the Library Club is a very useful and enjoyable part of the CCA activities. I really appreciate the school for encouraging children to read and learn beyond the classroom. Thanks

Parent of M. Vignesh-V-A

Dear Sir / Mam,

I would like to give feedback on Roller assembly . I am very happy with the Friday assembly. Every Friday, all the children come together, and each child gets a chance to go on stage and perform. This helps them overcome stage fear and builds their confidence. I feel this is a very positive and useful activity for the children. They are becoming more confident and comfortable performing in front of everyone. The assembly is also a wonderful platform for students to showcase their talents and recognise their achievements, including awards, medals, and certificates earned outside the school. This recognition boosts their confidence and motivates them to explore and develop their talents further.

Parent of Harivarshan - BV2-A

Dear Sir / Mam,

MLV -As a mother, I felt very happy and proud to see my child confidently participate in the MLV programme. It was wonderful to see the children learn, share and express themselves so happily. Thank you to the teachers and school for giving our children such a beautiful opportunity.

Parent of Aathira Sri R- I -B

Little Stars, Big Celebrations
Preprimary and Primary Wing

Talent Utsav 2025–26

A Celebration Of Young Talents

Talent Utsav 2025 was conducted for **Play School students on Friday, 14.11.2025**, on the occasion of Children's Day.

More than **140 students from 14 play schools** participated in the event. Students from Pre-KG to UKG took part in the celebrations, with three different events organised for each grade, providing them with opportunities to showcase their talents and skills. On Saturday, **15.11.2025, the Talent Utsav continued for students from Grades 1 to 5**. More than 350 students from various schools participated enthusiastically.

For Grades 1 to 5, three different events were organised for each grade, allowing the students to demonstrate their creativity, confidence, and talents in a joyful and competitive atmosphere.The event was a wonderful platform for students to explore their talents, build confidence, and celebrate with enthusiasm and joy. The **Prize Distribution Ceremony** was held on **Friday, 23 January 2026 at 9:30 a.m.** at the Sairam Vidyalaya campus. **Dr. Shanmugasundar, Professor & Dean R&D Sri Sai Ram Institute of Technology, and Mr. R. Chithrakkannan Asso. Professor Sri Sairam Engineering College Chennai,** graced the occasion as the **Special Guest** and distributed the prizes to the deserving young achievers.

The ceremony was also honoured by the presence of **Mr. C. Mayilvahanan, Senior Principal; Mr. A. Muthuvaivaran, CSO, Sairam Institutions; and Mr. K. Naresh Raj, Chief Information Officer, Sairam Institutions.**

Talent Utsav 2025–26 truly reflected Sairam Vidyalaya's commitment to providing children with enriching opportunities to **explore their potential, celebrate their uniqueness and shine with confidence.** It was a memorable celebration of young minds, creativity and the joy of participation.

Nurturing Nature, One Sapling at a Time

The children of the Foundational Wing enthusiastically participated in the Tree Plantation Drive held on 19 June 2026. Demonstrating their love and concern for the environment, they collectively donated more than 50 plant saplings. This meaningful initiative encouraged young minds to understand the importance of greenery and inspired them to contribute towards a cleaner, greener, and healthier planet.

Young Achiever in Karate

Lingavel Mukhil of BV3-B proudly represented the school at the Chennai Open Karate Championship – 2026, held at Montfort Indoor Auditorium, Santhome, Chennai, on 26 July 2026. Demonstrating remarkable skill, confidence, and determination, he secured Third Place in the Boys' Kata – 6 Years Category.

Excellence in Mathematics

Akshitaa J of Class II-C showcased her exceptional mathematical skills by delivering an outstanding performance in the International Mathematics Olympiad (IMO) 2025–2026. Her remarkable achievement was recognised with a cash award of ₹1,000.

Celebrating Young Achievers

The students of our school brought great pride through their outstanding performance in the LogIQids Examination during the academic year 2025–2026. Their dedication, logical thinking, and problem-solving skills were recognised with medals and certificates of achievement.

Diwali Celebration

The students of **Foundational Wing** celebrated **Diwali on 29 October 2025** with great joy and excitement. The little ones came dressed in colourful traditional attire and participated in fun-filled activities such as diya colouring, rangoli making, craft work, songs and classroom celebrations.

The celebration helped children understand the importance of **light, happiness, sharing and togetherness.** The beautifully decorated classrooms and cheerful faces of the students made the occasion bright and memorable. It was a delightful celebration filled with **colour, creativity and festive joy.**

Rangoli Fest

Sairam Vidyalaya Senior Secondary School added yet another feather to its cap by securing the Overall Championship – 1st Runner-Up Trophy at the prestigious Inter-School Competition **"Rangoli Fest 2025",** organised by St. John's Public School on **22 November 2025.**

The event witnessed enthusiastic participation from around 30 schools, providing a vibrant platform for students to showcase their creativity, confidence, talent and teamwork across a variety of competitions.

Our students delivered remarkable performances in several events and brought laurels to the school:

Dance – Folk Fiesta: 1st Prize

Puppet: 2nd Prize

JAM: 3rd Prize

Ramp Walk: 3rd Prize

Adrift and Alive: 3rd Prize

With their outstanding collective performance, Sairam Vidyalaya proudly emerged as the Overall Championship 1st Runner-Up, bringing home the prestigious trophy.

Convocation Day

The BV III Convocation Day was celebrated with great joy and pride at Sairam Vidyalaya Senior Secondary School. The young graduates, dressed in colourful convocation gowns and caps, confidently received their certificates and marked the successful completion of an important stage in their early learning journey.

The celebration recognised their growth, achievements and joyful learning experiences. It was a memorable occasion for the children, parents and teachers, filled with smiles, pride and encouragement as the little graduates prepared to step into the next phase of their education.

Pongal Celebration

The **Pongal Celebration** was joyfully held on **10 January 2026** at the **school campus for the students of Foundational and Preparatory Wing**. The children came dressed in colourful traditional attire and enthusiastically took part in festive activities that reflected the rich culture and traditions of Tamil Nadu.

Christmas Celebration

The **Christmas Celebration** was joyfully held on **23 December 2026** at our School for students of **Foundational and Preparatory Wing.** The campus was filled with festive cheer as children came dressed in colourful attire and participated enthusiastically in Christmas-themed activities.

Colour Day: Red Day and Green Day

The Colour Day Celebration at Sairam Vidyalaya brought joy and excitement to the young learners up to Class II. Children came dressed in bright and colourful outfits and enthusiastically participated in colouring, art and craft, rhymes, colour identification and fun-filled activities.

Dr. A.P.J. Abdul Kalam Birthday – Students' Day

The students celebrated **Dr. A.P.J. Abdul Kalam's Birthday** as Students' Day with great enthusiasm. Students dressed up like Dr. Abdul Kalam and shared his inspiring quotes. They also made beautiful **paper rockets** as a creative activity. The activity helped students learn about his life, dreams and love for science. It also encouraged them to **dream big, develop scientific thinking, and work towards a better future, connecting the activity with SDG 4 – Quality Education, SDG-5-GENDER EQUALITY, SDG-12-RESPONSIBLE CONSUMPTION AND PRODUCTION.**. It was an enjoyable and inspiring day for all the students

World Food Day

Students celebrated **World Food Day** with great enthusiasm. They learned about the importance of healthy food, balanced diets, and avoiding food wastage. Students participated in activities and shared messages about eating nutritious food and respecting the food we have. he activity was connected to **SDG 2 – Zero Hunger, SDG-3-Good health and well being**, promoting healthy eating, food security, and reducing food wastage.

Seed Sampling by Students

Students participated in a **seed sampling activity** to learn about different types of seeds. They collected and observed various seeds, compared their size, shape, colour, and texture, and identified the differences between them. The activity helped students understand the importance of seeds and how they grow into plants. It also created awareness about **planting and protecting trees and plants.** This activity was connected to **SDG 15 – Life on Land**, encouraging students to protect plants and biodiversity

Nature Scavenger Hunt – Student Activity

Students participated in a fun **Nature Scavenger Hunt** activity. They explored their surroundings and observed different natural things such as leaves, flowers, seeds, stones and twigs. After the activity, students **drew pictures of the things they found.** This activity helped them observe nature closely and develop creativity and interest in the environment. It was connected to **SDG-4-QUALITY EDUCATION, SDG 15 – Life on Land**, promoting care for plants, animals, and biodiversity.

Science Exhibition

Students actively participated in a **Science Exhibition** based on the **17 Sustainable Development Goals (SDGs).** They prepared and displayed **charts, working models, and projects** related to different SDGs and explained them confidently to teachers and visitors. The exhibition helped students understand global challenges such as **health, quality education, clean water, clean energy, climate action, and protecting life on land and below water.** This activity encouraged creativity, scientific thinking, teamwork, and awareness of building a **better and sustainable future.**

Eye Camp

An **Eye Camp** was organized for the students to create awareness about the importance of eye health and regular eye check-ups. Students learned about simple habits to keep their eyes healthy, such as eating nutritious food, maintaining proper distance from screens, and getting regular check-ups. The activity promoted healthy living and encouraged students to take care of their vision. It was connected to **SDG 3 – Good Health and Well-being.**

Educational Trip to Guindy Children's Park

Students visited **Guindy Children's Park** as part of an educational trip connected to the **Sustainable Development Goals (SDGs)**. They observed plants, trees, birds, and animals and learned about the importance of protecting nature and biodiversity. The activity helped students understand **SDG-4-QUALITY EDUCATION, SDG 15 – Life on Land** and encouraged them to care for animals, plants, and their surroundings. The trip was an enjoyable and meaningful learning experience.

Celebrating Together

Middle, Secondary & Senior Secondary Wings

World Record: Bharatanatyam Across the Globe – World Bharata Natyam Conference 2025

A moment of pride and accomplishment was witnessed on **7 December 2025 at 4:00 p.m. at the AM Jain College Auditorium,** where the **World Record: Bharatanatyam across the Globe – World Bharata Natyam Conference 2025 was held.**

Adding glory to the occasion, **19 talented students from Grades 5 to 11** of Sairam Vidyalaya participated in the world-record event with great enthusiasm and dedication.

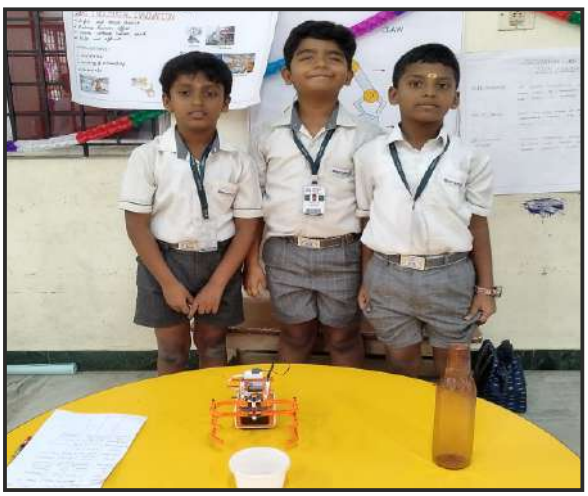

Robotics Expo

On **29/03/2026,** Sairam Vidyalaya hosted a grand Robotics Workshop and Expo at the school campus, creating an engaging platform for young innovators.

The Robotics Workshop witnessed an overwhelming participation of **500+ students from various schools,** where they experienced hands-on learning and built exciting robotic models. A free Robotic Kit was issued to every registered student. It was a remarkable day at Sairam Vidyalaya that everyone witnessed a great enthusiasm and curiosity in joining the programme.

Celebrating Together

Middle, Secondary & Senior Secondary Wings

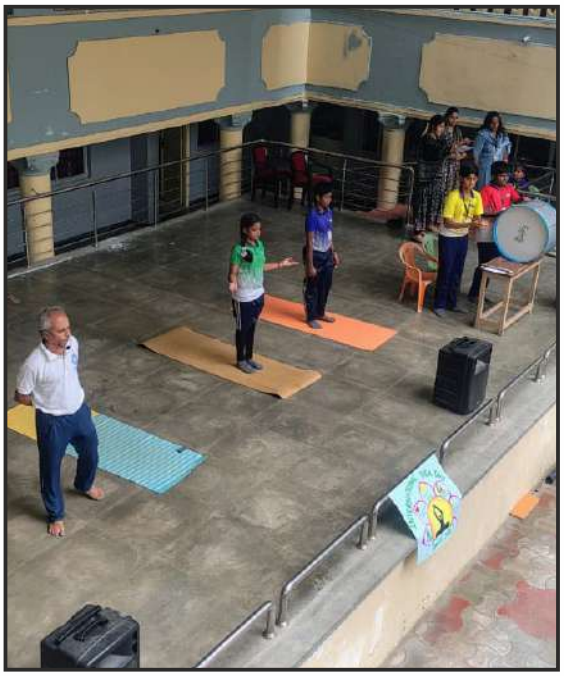

International Yoga Day Celebration

Our school celebrated **International Yoga Day on June 21,2026** with great enthusiasm The programme was headed by Mr.Ramesh Ramachandran,M.Sc in Yoga and International Yoga Teacher and began with a brief introduction to the significance of Yoga Day, followed by a series of yoga practices and breathing exercises.

Celebrating Together

Middle, Secondary & Senior Secondary Wings

80th Independence Day Celebration

The 80th Independence Day was celebrated with great patriotic spirit and enthusiasm at our school on 15th August 2026. The programme commenced with Tamil Thaivazhthu, followed by the welcome of the Chief Guest and an inspiring address by our respected Connaisseur sir.

International Youth Day – Activities

Sairam Vidyalaya Senior Secondary School celebrated International Youth Day on 12th August 2026 with enthusiastic participation from students across various classes. The celebration focused on youth empowerment, responsible citizenship, leadership, environmental awareness, healthy living and social responsibility.

SDG Tree Planting Activity - Scouts and Guides

Drug Awareness Programme – Grades VI–XII

Beyond the Campus
Outreach & Community Impact

Spreading Quality Consciousness
Standards Club Community Outreach Program

To foster consumer awareness and promote quality standards, the Bureau of Indian Standards (BIS) Standards Club (SC-8649) of Sairam Vidyalaya Senior Secondary School organized a community outreach initiative titled **"Necessity of BIS Certification for the Product"** on February 7, 2026, at Nanganallur, Chennai.

Held under the guidance of **Senior Principal Dr P. C. Mayilvahanan and BIS Club Mentor Mrs. S. Manimegalai, and the programme in charge Mrs. Parvathy. K**. The event empowered student members to actively educate the community on standard certifications. The initiative featured engaging competitions designed to highlight the significance of standards in daily routines:

General Awareness Objective Test: Evaluating awareness and fundamental knowledge of Indian standards.

Drawing Competition: Showcasing artistic perspectives on "Kitchen to Classroom Products".

Slogan Writing Contest: Reflecting on the theme "Role of Indian Standard in Everyday Life".

Winners of the competitions were recognized and awarded cash prizes for their creative and impactful contributions. Through interactive learning and public engagement, the event successfully reinforced the importance of quality, safety, and reliability among both students and the local neighborhood.

Temple Cleanliness Drive

On 14 February 2026, a Temple Cleanliness Drive was organised at Sundara Vinayagar Temple, Sheela Nagar, Madipakkam, as part of the school's community service initiative.

A group of 13 students from Grade 8 actively participated in the drive under the guidance of our Senior Principal, Ms. Chitra N., the Vice Principal, the Class Teacher, and the School Manager. Their presence and active involvement added great meaning to the initiative.

The school leaders and staff did not merely guide the students but led by example, working alongside them and taking part in the cleaning activities. By joining the students in the clean-up work, they became role models, demonstrating the values of service, humility, teamwork, responsibility, and respect for the community.

The students enthusiastically contributed to cleaning and maintaining the temple premises, helping to create a clean, hygienic, and welcoming environment for devotees. Working together with their teachers and school leaders gave the students a valuable hands-on learning opportunity to experience a meaningful change that begins with individual responsibility and collective effort.

The initiative was a memorable and enriching experience for everyone involved. It reinforced the importance of keeping our surroundings clean and encouraged the students to carry the spirit of cleanliness and community service into their daily lives.

“When we lead by example, service becomes a lesson that words alone cannot teach.”

Beyond the Campus
Outreach & Community Impact

Joy of Learning
Educational Supermarket Visit

Experiential Learning in Action

As part of our continuous effort to make education practical and engaging, the Preparatory Wing organized a "Joy of Learning" educational visit for the students of Classes III, IV, and V on 27 and 28 April 2026. Grounded in an integrated curriculum combining Mathematics and Environmental Studies (EVS), the excursion was designed to transform everyday environments into dynamic learning spaces where young learners explore real-world concepts firsthand.

Exploring the Neighborhood Stores

To ensure age-appropriate exposure and smooth coordination, visits were scheduled across popular local stores in Madipakkam:

Class IV: Visited **Latha Departmental Store** on Monday, 27 April 2026.

Class V: Explored **More Super Market** on Monday, 27 April 2026.

Class III: Toured **Sree Durka Departmental Store** on Tuesday, 28 April 2026.

Under the guidance of their teachers, students stepped through the aisles observing product categorization, identifying packaging labels, distinguishing daily necessities from non-essentials, and evaluating weights and measures.

Promoting Sustainable Habits

In keeping with green campus practices, students brought along reusable jute bags and strictly avoided single-use plastics during their purchases. This simple habit instilled early environmental awareness, teaching children that mindful consumption begins with everyday shopping choices.

The departmental store visit provided an enriching, joy-filled educational experience, helping our primary students grow into observant, eco-conscious, and financially aware young citizens.

Beyond the Campus
Outreach & Community Impact

Visit to Orphanage

As part of our commitment to fostering compassion, empathy and social responsibility among students, our school staff, along with the Scouts & Guides students, visited Mahalakshmi Old Age Home, No. 2/130, near Kavitha Textiles, Raghava Nagar 2nd Main Road, Madipakkam, Chennai – 600091, on 21 June 2026.

The students expressed their care and concern by contributing essential items such as fruits, rice bags, bedsheets, groceries and biscuits for the elderly residents. The visit provided the students with a meaningful opportunity to interact with and support the senior citizens, reinforcing the values of kindness, empathy, service and respect for elders.

Beyond the Campus
Outreach & Community Impact

National Institute of Ocean Technology (NIOT)
An Ocean of Discovery

On **September 8, 2026,** the curious minds of Classes IX and XI of our school, accompanied by their teachers, went on an inspiring educational visit to the premier **National Institute of Ocean Technology (NIOT)** in Pallikaranai. The trip aimed to provide experiential learning in deep-sea technology, sustainable marine energy, and India's thriving **Blue Economy.**

Students had an **exciting and informative visit** to the National Institute of Ocean Technology (NIOT), where they explored India's Deep Ocean Mission – Samudrayaan and learned about the Matsya 6000 submersible, underwater robots, and ocean exploration technologies.

The visit also showcased desalination and clean-energy technologies, including Low Temperature Thermal Desalination (LTTD), Ocean Thermal Energy Conversion (OTEC), and wave energy. Students learned how data buoys help monitor the ocean, predict cyclones, and provide tsunami warnings.

Exhibits on coastal protection and marine biotechnology highlighted innovative ways to protect our environment and use marine resources sustainably. An engaging interaction with scientists inspired students to explore exciting careers in oceanography, marine engineering, and robotics.

Key Takeaway

The visit seamlessly bridged classroom textbooks with breakthrough real-world innovations. Our students returned enriched with pride in India's maritime advancements and a deeper commitment to ocean conservation.

We extend our sincere gratitude to the scientists and coordinators at NIOT, Pallikaranai, for opening their doors and igniting the scientific spirit in our young learners.

Beyond the Campus
Outreach & Community Impact

Educational visit to Birla Planetarium- A Journey into the World of Stars and Science

The Preparatory Wing of Sairam Vidyalaya organised an educational tour to the Birla Planetarium for the students of Grades III to V with the aim of promoting scientific curiosity and creating awareness about astronomy. The visit provided the young learners with an exciting opportunity to step beyond the classroom and explore the fascinating world of space and science.

The tour was conducted from 27 August to 7 September 2026 for different sections of Grades III, IV and V, with the students accompanied by their teachers. The well-planned outing combined education and enjoyment, leaving the young learners with wonderful memories and a renewed interest in science and astronomy.

The visit to Birla Planetarium was truly a fun-filled and educational journey into the wonders of the universe—an experience that the students will cherish for a long time.

Beyond the Campus
Outreach & Community Impact

Exploring Innovation at the Incubation Centre

On 29 August 2026, students of grade 9 and 11 visited the Incubation Centre of Sairam Engineering College, gaining valuable exposure to emerging technologies such as Artificial Intelligence, Virtual Reality, Robotics, Space Technology and 3D Printing.

Among these, 3D Printing particularly captured the students' interest. They explored how a digital design is transformed into a physical object through CAD modelling, STL files, slicing software, layer formation and 3D printing.

Beyond the Campus
Outreach & Community Impact

Beach Clean-Up Drive – World Clean-Up Day

On the occasion of **World Clean-Up Day,** the **Sairam District Scout & Guides Association, Chennai Zone, Tamil Nadu Bharat Scouts and Guides,** organized a **Beach Clean-Up Drive at Akkarai Beach, ECR, Chennai, on 10 September 2026.**

The initiative was organized to create awareness about **marine pollution** and to promote the **Sustainable Development Goals (SDGs 3, 13, 14 & 15)**. The programme commenced at **6:30 a.m.**, bringing together Scouts, Guides, Unit Leaders, and Principals from various Chennai units.

Sairam Vidyalaya Senior Secondary School, Madipakkam, actively participated in the initiative with 42 students, along with the accompanying staff and Unit Leaders.

BIS Standards Club – Standards Competitions

The BIS Standards Club of Sairam Vidyalaya, Madipakkam, Chennai, organized a series of engaging Standards Competitions on 28 August 2026 to create awareness among students about the importance of Bureau of Indian Standards (BIS) and the significance of standards and certification in our daily lives.

The activities successfully transformed theoretical knowledge into an engaging learning experience and helped students understand the importance of quality standards in ensuring safe and reliable products and services.

The competitions were evaluated based on the students' performance, and deserving participants were recognized with prizes and cash awards.

Karate Champion – A Proud Sporting Achievement

Our student has brought immense pride to the school through her outstanding achievements in Karate. At the 4th South India Level Open Karate Championship 2026, she secured First Prize in Individual Performance and emerged as the Open Cycle Championship winner. She further showcased her talent at the SGFI Nationals Karate Tournament, held in Gwalior, Madhya Pradesh, on November 19–21, where she won a Bronze Medal. Adding another feather to her cap, she was honoured with the "Best Karate Kid" Award by Rayan Publishers at T. Nagar on 8 March 2026, on the occasion of International Women's Day. Her achievements reflect her dedication, discipline, perseverance and passion for sporting excellence.

Students' Awareness Programme

Mind & Manas App Launch

The CBSE, in association with the Narcotics Control Bureau, Chennai Zone, launched the **Mind & Manas App** on **29 August 2026 at St. Joseph's College of Engineering, Chennai.** Teachers of Sairam Vidyalaya, along with the Middle Wing Coordinator and students from Classes VI to IX, participated in the programme.

The initiative promotes awareness, healthy choices, responsible behaviour and the prevention of substance abuse among students. Selected students were recognised as **Student Ambassadors** and encouraged to spread awareness in the school. Through engaging learning modules, the app guides students towards making informed and responsible decisions, thereby creating a healthier and safer school community.

Singapenne Awareness Program at Our School

In alignment with the Tamil Nadu Government's vision of empowering girl students, our school conducted an awareness programme on the Singapenne Scheme on July 4, 2026. The programme aimed to familiarize students with the support available to them and to create greater awareness about their rights, responsibilities, and personal safety.

Key Takeaways

The session highlighted the importance of being responsible and regular in attending school, making use of the opportunities provided, and seeking help whenever necessary. Students were also sensitized to **good touch and bad touch, helping them understand personal boundaries, recognize inappropriate behaviour, and speak up without fear.**

Our Commitment

As an institution, we remain committed to creating a safe, supportive, and empowering environment for every girl student. We encourage our students to be aware of their rights and responsibilities, protect themselves, seek help when needed, and confidently make use of the support systems available to them..

Drug-Free and No-Tobacco Campus Oath for IXand XI

Our school proudly participated in the Tamil Nadu Government's state-level **"Drug-Free Tamil Nadu" Mass Pledge**, led by the **Hon'ble Chief Minister of Tamil Nadu, Thiru C. Joseph Vijay**, on **August 11, 2026.** The programme, held at Presidency College, Chennai, aimed to create greater awareness among students about the harmful effects of drugs and tobacco and to strengthen the collective vision of building a healthier, safer, and drug-free Tamil Nadu.

Through the live online broadcast, our students and staff joined thousands of participants across the state and took the **anti-drug pledge**, reaffirming their commitment to staying away from substance abuse and promoting a healthy lifestyle.

The event also marked the launch of the **"Drug- and Tobacco-Free Campus"** campaign across schools and colleges in Tamil Nadu. By participating in this significant initiative, our school reaffirmed its commitment to maintaining a **drug-free and no-tobacco campus** and inspiring our students to make healthy, responsible, and informed choices.

Excellence in Departments

ENGLISH DEPARTMENT

VEERGATHA PROJECT 5.0: HONORING OUR HEROES A CBSE Initiative Program

On October 30, 2025, our school proudly participated in the Veergatha Project 5.0, a prestigious government initiative by the Central Board of Secondary Education (CBSE) designed to instill national pride and awareness among young minds.

CELEBRATING OUR VEERGATHA CHAMPIONS

The Veergatha Project 5.0 witnessed enthusiastic participation from students across grades, with entries evaluated by distinguished judges appointed for each category. We are immensely proud to announce our winners who brought laurels to the school through their exceptional creativity and heartfelt tributes to our nation's heroes.

TATA Building India Essay Writing Competition 2026

Saitam Vidyalaya School successfully hosted the TATA Building India Essay Writing Competition on 31st August 2026. Held across two levels (Classes 6 to 8 and Classes 9 to 12), the event witnessed an overwhelming response with over 200 students participating.

HINDI DEPARTMENT

Our School successfully conducted the third batch of Hindi Prachar Sabha classes (Parichaya to Praveshika) starting April 14, 2024, held thrice weekly. Out of 123 students who appeared for the exams, 120 successfully achieved passing results.

MATHS DEPARTMENT

Mathleague 2025!

Our young mathematicians proudly participated in Mathleague 2025, held at **Shikshaa Public School on 1st November 2025** . The competition provided an exciting platform for students to demonstrate their mathematical skills, logical reasoning, problem-solving abilities and competitive spirit.

Maths Odyssey – An Epic Mathematical Journey

The **Maths Odyssey**, held on **18th and 19th December 2025**, conducted by the Department of Mathematics,was an exciting celebration of mathematics for students of **Classes 6, 7 and 8**. Thoughtfully organised by the enthusiastic students of Class 11, the event transformed mathematics from a classroom subject into a vibrant and interactive learning experience.

The programme featured **five engaging mathematical zones**, each designed to challenge students in creative ways. **Marvel Fest** tested analytical and logical thinking, while **Math Madness** encouraged quick calculations and problem-solving. **Math-A-Palooza** brought a carnival-like spirit to mathematical concepts, **Fun with Math** highlighted the practical side of mathematics, and **Emoji Number Mania** added a creative twist through numerical decoding and visual puzzles.

Medical Check up

A Comprehensive Medical Check-Up at School A comprehensive medical check-up was conducted at the school for all students from BV 1 to Class XII, along with teachers and non-teaching staff. **The health programme was held on the 5th to 8th of August and was conducted by Dr. Naveen and his team from Sairam Siddha College.** The initiative aimed to promote health awareness, encourage preventive care, and ensure the overall well-being of every member of the school community.

The medical team carried out general health examinations, including basic physical assessment, height and weight measurement, vision screening, and other routine health observations. Students were guided with simple and useful health tips related to hygiene, nutrition, posture, physical activity, and healthy daily habits. Teachers and non-teaching staff also underwent routine check-ups and received valuable advice on maintaining a balanced and healthy lifestyle.

The programme was organised in a smooth and systematic manner, ensuring that students from all classes received proper attention.The cooperation of the teachers and staff helped in the successful completion of the four-day medical camp. Such health initiatives play an important role in identifying health concerns at an early stage and creating awareness about the importance of regular medical care. The medical check-up served as a meaningful step towards building a healthier, more aware, and more responsible school community

CLASS GROUP PHOTOS

A Moment Frozen in Time

Class photograph is more than just a collection of smiling faces — it is a celebration of the journey we've shared. Every student in this frame has contributed to the vibrant tapestry of our classroom, bringing unique talents, perspectives, and energy that have made this year unforgettable. From collaborative projects to spirited debates, from shared triumphs to collective challenges, we have grown together as learners and as individuals. This is our story, captured in a single frame — a testament to the bonds we've built and the memories we'll carry forward into the future.
